February 4, 2025

BACKGROUND

- AESCO Inc. provides on-call materials inspections and engineering services for vital City infrastructure projects
- Dudek provides construction management and inspection services
- Current professional service agreement requires more funding and a 1-year time extension

SCHEDULE

- As of December 21, 2024:
 - Both AESCO and DUDEK's contracts require an amendment
 - Multiple projects active in construction
 - Heil Pump Station Replacement
 - Admiralty St. Bridge Maintenance
- AESCO and DUDEK currently providing services vital to project completion

NEEDS/WHY/BENEFITS

- Original contract funding committed to current projects
- City staff estimates increase in funds and time necessary to successfully complete vital infrastructure projects without delay
 - AESCO: \$250,000, with 1 year contract extension
 - DUDEK: \$300,000, with 1 year contract extension
- Amendment will support city staff, reduce unnecessary delays and ensure successful project completion
