The minutes should be presented in a neutral fashion. "Mayor pro tem McKeon and Councilmembers VanderMark and Kennedy clarified some of the false information that accompanied efforts to acquire petition signatures..." Please use italics around the word "false".

Thank you,

Honorable Mayor and Council members:

I was looking through the minutes of 1/21/2025 and see no mention of a survey on the library petitions. Perhaps I missed it.

Was the survey requested by council on 1/21/2025?

If so shouldn't it be in the minutes? If it's in the minutes, please direct me to that paragraph.

If not, who ordered the survey?

Thank you.

Pat Quintana
