

Zone 3 Residential Pavement Project Tree Removals and Replacements

CIAB/Public Works Commission
October 15, 2025

City-Wide Zone Map

Project Vicinity

Project Overview

- Approximately 60 parkway trees ($\pm 10\%$) identified for removal
- Necessary to facilitate concrete and drainage improvements
- Tree roots causing curb, gutter, and sidewalk displacement
- Removal ensures proper drainage and improves paths of travel for pedestrians
- One-for-one tree replacement in accordance with the City's Tree Management Plan
- Part of the Zone 3 Residential Pavement Project (FY 2025/26)
