PUBLIC HEARING

- 10. 25-801 Continued to an October 28, 2025, Special Meeting for Tax and Equity Fiscal Responsibility Act (TEFRA), with Public Hearing Open, for the Pelican Harbor Apartments; Adopt Resolution No. 2025-65 Approving the Issuance of the California Municipal Finance Authority's (CMFA) Continued Issuance of Tax-exempt Bonds in an amount not to exceed \$20,000,000 for the Pelican Harbor Apartments; and Approve Amendments to Affordable Housing Agreements**

SUPPLEMENTAL COMMUNICATIONS PERTAINING TO PUBLIC HEARING

Pursuant to the Brown "Open Meetings" Act, City Clerk Lisa Lane Barnes announced supplemental communications received by her office following distribution of the Council Agenda packet which were all uploaded to the City's website and Councilmember iPads: *Public Hearing Item #10 (1 email communication)*

Housing Manager Charles Kovac presented a PowerPoint communication titled *TEFRA Public Hearing for Pelican Harbor Senior Housing Project* with slides entitled: *Background (3), Proposed TEFRA Hearing, Proposed Amendments, Recommendations, and Questions?*

Mayor Burns and Housing Manager Kovac further discussed details regarding the nearly \$3M of Federal HOME Funds; Inclusionary Housing in-lieu fees; rental requirements; source of funds for building the project; ramifications if this item is not approved by Councilmembers; \$5,000 per year payment to the City; and expected increased interest after 20 years.

Councilmember Kennedy, Housing Manager Kovac and a Jamboree Housing representative discussed details regarding the delay for this Tax and Equity Fiscal Responsibility Act (TEFRA) public hearing; anticipated annual rental increases; expected loan payback to the City beginning in Year 16; and typical debt structure for Affordable Housing projects.

Councilmember Twining, Housing Manager Kovac and a Jamboree Housing representative discussed details regarding current housing occupancy; number of residents with Huntington Beach ties; the strong possibility some residents could become homeless without this housing project; and noted all funding is subordinate to Jamboree's lender and would most likely be wiped out if there was a foreclosure.

Councilmember Gruel and a Jamboree Housing representative discussed details regarding the total number of Huntington Beach seniors who are unsheltered; the number of Jamboree Housing projects reserved for seniors in California; the City's full access to Jamboree project audited financials; Jamboree's yearly audits are required by the lender, investor, IRS, state, county and Huntington Beach; Jamboree, as the project developer, contracts with a third-party for day-to-day property management; and confirmed that Jamboree has never had a project fall into default.

Councilmember Kennedy and a Jamboree Housing representative discussed details regarding how Jamboree Housing makes money on their projects.

Councilmember Williams and a Jamboree Housing representative discussed details regarding the total amount of Huntington Beach foregone property taxes over the years for this project; consideration of increasing the current agreed-upon \$5,000 annual payment back to Huntington Beach; and extending agreement from 60 to 99 years.

Mayor Burns continued the discussion regarding the factors that determine annual rental increases for this project.

Councilmember Gruel confirmed that the tax-exempt construction bonds expired in December of 2024. Jamboree Housing representative confirmed for Mayor Burns that if occupancy had occurred before that expiration date this public hearing would not have been required.

Council Woman Van Der Mark and a Jamboree Housing representative discussed occupancy limits for this project.

Mayor Pro Tem McKeon asked a Jamboree Housing representative to provide a bit of history on the parcel selected for this project.

Councilmember Kennedy confirmed with Housing Manager Kovac that to this point only pro-forma financials have been available and audited financials will most likely be available early next year, after completion of the first year of operation.

Mayor Burns opened the Public Hearing.

City Clerk Lisa Lane Barnes announced there were no speakers.

Mayor Burns closed the Public Hearing.

Council discussion commenced with Councilmember Kennedy stating he would like to have had an opportunity to discuss increasing the minimal \$5,000 annual payment with Jamboree Housing Board Members and his interest in getting more benefit for Huntington Beach.

Councilmember Williams suggested to continue this discussion to allow time for all Councilmembers to do a deeper dive into more favorable options.

Councilmember Gruel stated he doesn't expect to find a hidden financial bonanza, and it is important to remember this is basically a no-margin project.

Mayor Pro Tem McKeon asked Community Development Director Jennifer Villasenor to provide the history of this odd-shaped property before it was identified for this project, as well as the City's effort to identify affordable housing sites. Mayor Pro Tem McKeon noted the parcel's constraints and added the private sector has been unable to secure funding for a design that meets zoning requirements for parking and set-back. Mayor Pro Tem McKeon confirmed with Housing Manager Kovac that HOME and Inclusionary Housing funds can only be used for affordable housing. Speaking as a real estate developer, he expressed appreciation for the three concessions that staff were able to secure from the project developer and stated his support for this item.

Councilmember Kennedy stated that pushing Councilmembers up against the wall to make a decision for a situation which they had no control over is not a good way to do business. He added that he believes the developer can dig deeper into their balance sheet and find a way to increase the \$5,000 annual payment to the City.

Council Woman Van Der Mark confirmed this is a plot of land that no private sector developer could develop; this plot is currently benefitting 43 or 44 senior citizens; there have not been any calls for public safety or police response; there have not been any issues with the neighbors; and the good-faith negotiations that resulted in the developer making three concessions are her reasons for supporting the recommended action.

Mayor Burns confirmed with Director Villasenor that for the most part this taxpayer-funded project was approved without any zoning changes because of the minimal parking needed for the anticipated tenant profile. Mayor Burns stated his concern regarding the extended period of foregone property taxes and noted Jamboree Housing expects annual rent increases but claims they do not have funding to increase the \$5,000 annual payment to Huntington Beach. He added he would like an opportunity for the Finance Commission to evaluate the situation and asked if there would be ramifications if this discussion was continued for a month. A Jamboree Housing representative stated their TEFRA deadline is the end of October in order to not jeopardize their tax-exempt funding.

Mayor Burns and City Manager Hopkins reviewed the timeline for the process to reach this point, and City Manager Hopkins confirmed that there was previous communication on this issue with all Councilmembers.

Councilmember Kennedy confirmed with City Manager Travis Hopkins that this issue was previously discussed by the Economic Development Commission (EDC), staff and Councilmembers who had specific interest, and the item could not be agendaized until this meeting because of the on-going discussions and processes required to reach this point. Jamboree Housing representatives confirmed that during recent negotiations it took them a bit of time to confer with their lawyers, board, and lender for their approval on the proposed concessions. They also noted the unexpected construction delays at the beginning of the project due to COVID-19 resulted in the fact there was not time to follow their normal

practice of placing occupants in the project before the construction bond deadline. They added that if they do not meet the October 31st TEFRA extended deadline, they will lose the tax-exempt status on the bonds, and their lender will most likely not honor the commitment to fund. Jamboree would have to come up with additional funding to convert from construction to permanent funding.

Director Villasenor explained in more detail the steps required for concession negotiations to reach this point. Jamboree Housing representatives stated they have exhausted all available TEFRA extensions to get the construction loan converted to permanent financing.

Councilmember Williams noted he only became aware of this item when it appeared on the agenda for this meeting and stated his need for more information before making a decision that will impact Huntington Beach taxpayers for such an extended time.

Mayor Burns re-opened the Public Hearing and continued it to a date certain: Tuesday, October 28, 2025.

A motion was made by Williams, second Kennedy to ***continue*** the TEFRA public hearing pursuant to federal law, ***to an October 28, 2025, Special City Council/Housing Authority meeting, to allow additional time for staff, the developer, and Councilmembers to explore potential restructuring of agreement terms to better protect Huntington Beach taxpayers and better align with current priorities.***

The motion carried by the following roll call vote:

AYES: Kennedy, Burns, Gruel, and Williams
NOES: Twining, McKeon, and Van Der Mark

ORDINANCES FOR INTRODUCTION

11. 25-833 **Approved for Introduction Ordinance No. 4342 Prohibiting the Sale and Distribution of Nitrous Oxide**

Captain Kevin Johnson presented a PowerPoint communication titled *Ordinance No. 4342 Prohibit the Sale or Distribution of Nitrous Oxide*, with slides entitled: *Prohibit the Sale and Distribution of Nitrous Oxide (2)*, *Recommended Action*, and *Questions?*

Captain Johnson confirmed for Mayor Burns that letters will be sent to all distributors in Huntington Beach informing them of the new ordinance and then undercover operations will take place to determine if anyone is still selling it. The first offense would be a misdemeanor.

A motion was made by McKeon, second Van Der Mark to, after the City Clerk reads by title, approve for introduction Ordinance No. 4342, "An Ordinance of the City Council of the City of Huntington Beach, adding a New Chapter 9.94 Entitled "Prohibition on Sale or Distribution of Nitrous Oxide" to Title 9 of the Huntington Beach Municipal Code to Establish Regulations Prohibiting the Unlawful Sale or Distribution of Nitrous Oxide in the City."

The motion carried by the following roll call vote:

AYES: Twining, Kennedy, McKeon, Burns, Van Der Mark, Gruel, and Williams
NOES: None
