Subject: Tuesdays City Council Meeting Sept. 3rd 2019

I have to say in this time of many problems our community faces and the dire attention that is needed to address these problems. We have the Lunatic Michael Posey introducing Agenda Item 21. 19-910 Asset Forfeiture ? Reilly ????. Instructing our staff to spend its time on a issue to take personal property ?? Vote NO and direct our resources to address the problems we face as a community .

And Michael Poseys Agenda Item 25. 19-932 another push for High Density and using SB2 to gain funds for a Homeless Shelter ?. Both of these causes are are greatly opposed by the community, the Shelter and further Development of High Density Development. Please Deny Michael Posey his effort to advance these studies and Vote NO. Please focus on the problems and issues that we as a community face everyday.
