

ATTACHMENT NO. 1

FINDINGS AND CONDITIONS OF APPROVAL

CONDITIONAL USE PERMIT NO. 23-022

SUGGESTED FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301, Class 1 – Existing Facilities of the CEQA Guidelines, because the project involves the service of beer and wine within an existing eating and drinking establishment and does not involve an expansion to an existing structure or an expansion in use.

SUGGESTED FINDINGS FOR APPROVAL – CONDITIONAL USE PERMIT NO. 23-022:

1. Conditional Use Permit No. 23-022 to allow the onsite sale, service, and consumption of beer and wine (ABC License Type 41) within an existing approximately 1,580 sq. ft. eating and drinking establishment will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood because the use is located within an existing commercial center with other similar uses. The use is primarily an eating and drinking establishment and the request for alcohol service is ancillary to the primary use. The additional service of beer and wine sales will benefit and serve the other commercial uses in this area. The sale, service, and consumption of beer and wine within is not anticipated to generate additional noise, traffic, or impacts above existing conditions. Furthermore, the restaurant is oriented east, facing the existing surface parking lot, with the closest residence located 30 feet to the west.
2. The granting of the Conditional Use Permit No. 23-022 to allow the onsite sale, service, and consumption of beer and wine (ABC License Type 41) within an existing approximately 1,200 sq. ft. eating and drinking establishment will not adversely affect the General Plan because it is consistent with the Land Use Element designation of CG (Commercial General) on the subject property. In addition, it is consistent with the following goals and policies of the General Plan:

Land Use Element

Policy LU-11: Commercial land uses provide goods and services to meet regional and local needs.

Policy LU-11(A): Encourage a variety of commercial uses that cater to local and regional demand to create an environment that meets resident needs and increases the capture of sales tax revenues.

The request will expand the range of goods and services provided in the area by permitting the ancillary sale of beer and wine in conjunction with an eating and drinking establishment in a safe manner for residents and customers from the surrounding area. The proposed use provides expanded goods and services to meet the needs of

the area and will add to the capture of sales tax revenue. The proposed use is located within an existing commercial center that is situated adjacent to the corner of two primary streets with adequate accessibility.

3. The granting of Conditional Use Permit No. 23-022 to allow the onsite sale, service, and consumption of beer and wine (ABC License Type 41) within an existing approximately 1,580 sq. ft. eating and drinking establishment will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance (HBZSO) because beer and wine sales within eating and drinking establishments are permitted subject to a Conditional Use Permit within the Commercial General (CG) zoning district.
