**SUPPLEMENTAL
COMMUNICATION**

Meeting Date: 10/15/2024

Agenda Item No. 18 (24-710)

**Hines/Clearwater Living
Bolsa Chica Senior Care Facility
Community Outreach Summary**

In May of 2022, Hines and Clearwater Living initiated a robust community outreach program. We started with meeting current tenants to share our plans for the retail and service center to be repurposed as a senior living community, while offering any assistance needed with relocation of current businesses in the center. Communication with tenants continues today.

In December of 2022, Hines and Clearwater hosted an open house inviting neighbors within 1,000 feet of the project site to attend. A total of 1,956 invitations were sent. Team members were available to answer questions. Notes were taken on comments and feedback received after those attending reviewed plans and concepts for the new community. Of the 10 attendees, the majority were generally supportive with several asking to be added to the interest list for future residency at Bolsa Chica Senior Living Community. Since then, nearby residents have visited the project website and submitted comments and questions. Many replied that they were interested in becoming future residents of the community.

After our November 7, 2023 hearing was continued, we met with neighbors at two open houses to engage them further in the process and gather feedback. Twenty-six individuals signed in and offered comments at the two meetings. Based on input over the last 10 months, we made several changes to the project including a height and unit reduction as well as an elimination of the fifth story and the Independent Living units, renaming the community, *Bolsa Chica Senior Care*, which will cater solely to assisted and memory care residents.

Team members have also engaged local organizations in the process, asking for feedback and attending and supporting a variety of community events along the way.

In addition, over the last several months, we engaged Huntington Beach residents via social media sharing facts about the proposed facility as well as city-wide economic benefits associated with a project like this. Demonstrating the community-wide support received, we gathered 333 individual letters of support from Huntington Beach residents throughout the city.

Our goal was to be accessible and transparent as we embarked on planning for a new high-end senior care facility for Huntington Beach.

City of Huntington Beach
Community Development Department
Chairperson Tracy Pellman
2000 Main Street
Huntington Beach, CA 92648

Dear Chairperson Tracy Pellman and Planning Commissioners:

On behalf of the Huntington Beach Chamber of Commerce, the board of directors respectfully requests the planning commission to approve the re-use of the commercial center at Warner Avenue and Bolsa Chica Street for a senior-living community.

Like many communities across the country, the City of Huntington Beach has had to transition through a multitude of repercussions of the Covid-19 pandemic, which impacted commercial land uses significantly. Employees continue to work from home or have moved out of state to work remotely; investors have transitioned away from office buildings to new opportunities in industrial or residential products.

According to a recent article in the Orange County Register citing CBRE analysis, "Buildings constructed before 1990 in the greater LA area accounted for 80% of the office space vacated in the past four years." There is negative demand for this older product and there is an excess of newer buildings for those ready to move back into office space.

With an unpredictable future for office space, the city must be open to new opportunities for commercial sites. The property this project is proposed for is just one of many properties seeking a new use.

Moreover, the city of Huntington Beach is in desperate need of senior housing, particularly in this part of the city where housing dedicated to seniors is lacking.

This new facility is for commercial use that will replace another commercial use. It is a new business for the area in an industry that supplies a much-needed service for Huntington Beach. We need a senior living facility like the one proposed.

Please vote to approve the proposal for the Bolsa Chica Senior Living Community for Huntington Beach.

Sincerely,
Bruce Berman

Subject: Senior Living Project SUPPORT
To: <planning.commission@surfcity-hb.org>

Dear Chairperson Pellman:

I would like to lend my support to the senior living community proposed in Huntington Beach. As a resident with parents entering the stage of life where they will need extra care and support, I am in favor of bringing a range of housing options. I know other HB residents dealing with the issues with their parents feel the same. And I hope that I will have options like this when I am at that stage.

I'm confident Senior Citizens in HB and surrounding communities would appreciate additional opportunities for transitioning from a larger home with unwanted maintenance to a place of comfort where they can get the assistance they need without the need to drive. I do not agree with the arguments that this facility will increase traffic in the area, whatsoever. Most of the seniors in need of a facility like this project, either cannot drive or choose not to drive.

I truly hope the residents of HB and of this Commission understand that this is not a housing issue...this is simply fulfilling a need for Senior care. I truly hope your commission looks at this project from a **common sense point of view**, emotions aside.

I support this project. Please approve this project for HB!

Sincerely,

Michelle Schuetz

Subject: Bolsa Chica Senior Living Community SUPPORT
Date: Monday, September 25, 2023 7:23:46 PM

Dear Planning Commission:

I'm writing to express my support for a new senior living community here in Huntington Beach. As a homeowner here in Huntington Beach, I know the value of owning a home in this area. And, I understand wanting to live here in my hometown. While I enjoy having my single-story family home, I know that at some point I will want to downsize. I am excited to hear that more communities like the one being proposed are being built. These communities present an opportunity for people like me. We need communities like this in every demographic. I am astounded at the number of amenities this community will offer. I can only hope that it will be approved and be available to people like me who would like to continue living in Huntington Beach, where all of our friends, doctors, local restaurants, and stores are.

This community is a great use of space and would be a welcomed addition to Huntington Beach. Please approve this project.

Sincerely, Issam Naber

Greetings!

My name is Michel Bumbaugh. I've been a resident of Huntington beach for 7 years. The last few of those years have been spent on Dunbar drive. Near the corner of bolsa chica and Warner. One day I received a letter notifying me of the of the senior living center nearby. I thought it was very kind of them to notify all nearby residences of the upcoming addition to our communitiy

I enjoy being so close to the wetland trails. I walk them almost everyday and find so much joy in being that close to nature. My first reaction to the notification that there may be senior center as my neighbor, was a happy one. I was glad for the possiblilty that these seniors could enjoy all of the nature so close to them. Secondly, I enjoy being around the elderly. My family is all the way across the country so I enjoy the time I get to chat and listen to stories of those older and wiser.

I am on board with adding this safe space in our community for seniors to live. I'm hoping once it's established to offer my services as a yoga instructor to aid in a healthy lifestyle of the residence. I am confident the construction of the building will be done ethically and quickly. And that there will be no disruption in the flow of traffic in that area.

Thank you for your time.

**Letters Gathered at Huntington Beach Senior

Active Living Expo

September 14, 2024

To: Mayor Gracey Van Der Mark and City Councilmembers
From: Huntington Beach Resident

RE: SUPPORT FOR BOLSA CHICA SENIOR CARE COMMUNITY

Dear Mayor Van Der Mark:

I am in favor of the proposed senior care project on the corner of Bolsa Chica Street and Warner Avenue. Repurposing a tired retail and office property with a facility to serve the needs of our growing elderly population is a prudent redevelopment plan.

Assisted living facilities are an asset to any community. They provide opportunities for the elderly to get the specialized care they need, yes, but they provide so much more. With amenities and services provided within, seniors can be well taken care of, and enjoy their golden years in familiar surroundings with restaurants, shopping and doctors nearby, as well as family members. These communities also provide good paying jobs.

This type of community is good for Huntington Beach and a good use for this piece of property.

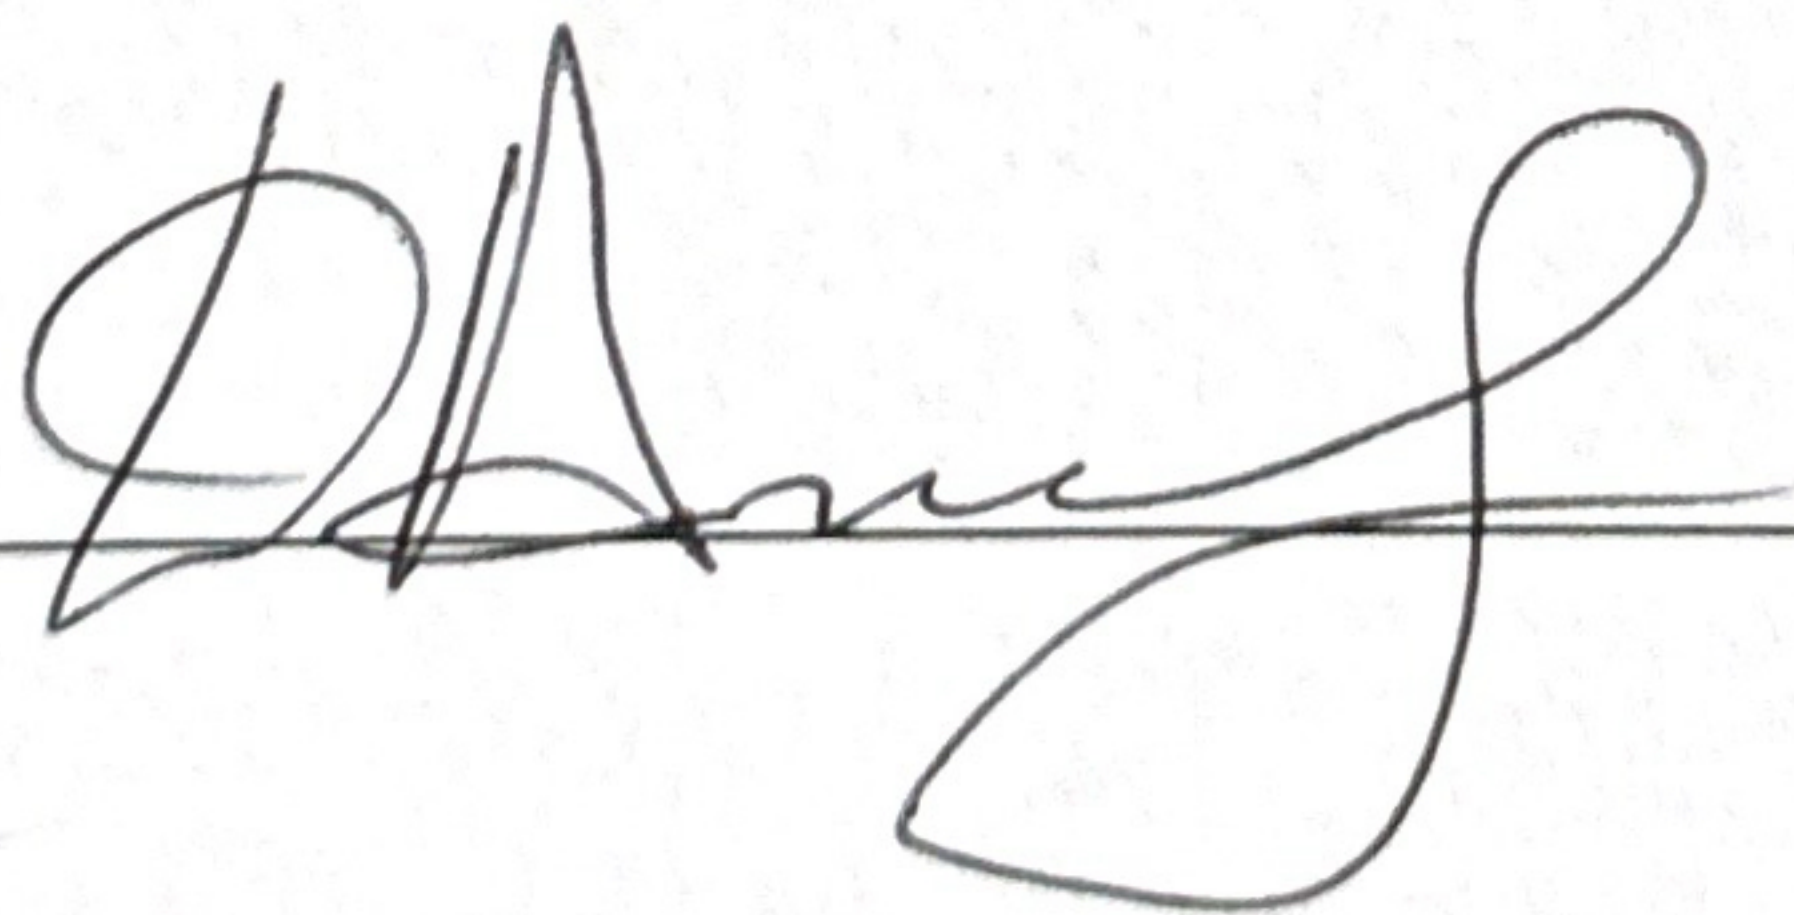

The developer made significant changes to the project based on community input. It's time to allow this new, quality amenity for Huntington Beach to move forward.

Thank you for your consideration.

Sincerely,

Name: _____

I am in favor of the proposed senior care project on the corner of Bolsa Chica Street and Warner Avenue. Repurposing a tired retail and office property with a facility to serve the needs of our growing elderly population is a prudent redevelopment plan.

Assisted living facilities are an asset to any community. They provide opportunities for the elderly to get the specialized care they need, yes, but they provide so much more. With amenities and services provided within, seniors can be well taken care of, and enjoy their golden years in familiar surroundings with restaurants, shopping and doctors nearby, as well as family members. These communities also provide good paying jobs.

This type of community is good for Huntington Beach and a good use for this piece of property.

The developer made significant changes to the project based on community input. It's time to allow this new, quality amenity for Huntington Beach to move forward.

Thank you for your consideration.

RE: SUPPORT FOR BOLSA CHICA SENIOR CARE

Dear Mayor Van Der Mark:

I am in favor of a senior care facility, a new commercial use, that will help to revitalize the corner of Bolsa Chica Street and Warner Avenue with minimal impact to the surrounding neighbors.

With the future of office space uncertain, cities must look for creative land uses as replacements.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Sincerely,

Mr. John Bowden

All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Sincerely,

Mrs. Norma Hendrickson

All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Sincerely,

Ms. Noreen Duzey

It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Sincerely,

All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Sincerely,

nan Najib Khoury

It is everything our seniors need and deserve.

Most importantly, this senior care facility answers the need for more senior housing in HB. Our elderly population is growing year over year, and we just don't have enough options for them today. Our city needs these additional living spaces to accommodate our aging population. As we or our loved ones age, we want to stay near home, near familiar places, near family and doctors.

HB residents want to stay "home" in Huntington Beach. We need to come together to support this new senior care community because it aligns with that sentiment and resonates with what our elderly desire.

Help provide our beloved seniors the place to call home that they deserve and send your support letter TODAY! Your help can genuinely make a difference.

Sincerely,

nan Vivian Vaillant

Dear Huntington Beach City Council,

The proposed elderly care community at Bolsa Chica and Warner is tailored for HB seniors. It sounds like everything is included: 24-hour care, meals in various restaurants, a fitness center, a theater, an art studio, shuttle vans, concierge services, and tons of outdoor spaces are at the residents' fingertips. All of this lets them live happy and healthy lives. The architecture matches other existing neighborhoods close to the ocean to provide a familiar atmosphere. It is everything our seniors need and deserve.
