- Our plan has been to move to an online video-based curriculum for all returning Junior Lifeguard participants
- These plans were developed in coordination with other area junior lifeguard programs run by Newport Beach and the State
  - We were made aware today that some agencies may be reevaluating the cancellation of their programs, and are looking at other alternative models
  - Here in HB, we will continue to monitor what other agencies are doing, and will certainly propose adjustments if there is a shift in programming approach
