- **Recommendation**

# Code Adoption Process

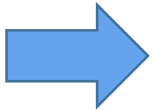

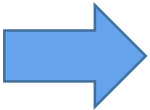

- Every 3 years the State publishes a new set of building codes
- CA Building Standards Code (T24) governs construction of all buildings in the state
- Every city in CA is mandated to adopt the State codes
- Each city may amend the Code to address local conditions

# Huntington Beach Municipal Code

California  
Building Standards Commission

Huntington Beach  
Municipal Code  
Title 17.56

*Huntington Beach  
Fire Code*

# HB Amendments

- Remove unused and outdated amendments
- Add new amendments sparingly
- Keep the ones that work for HB
  - Apparatus requirements
  - Methane gas requirements
  - Special parade requirements
- Align with surrounding cities
- Most amendments “carry over” with no changes from last code cycle

# Implementation Plan

- New Construction – January 1, 2023
- Outreach to existing occupancies impacted
- Update inspection checklists
- Information/Illustrative handouts
  - Site Safety Plan requirements for construction sites
  - New Fire Watch procedures
- Update City website

# Recommendation

- Adopt the proposed ordinance to repeal the current Huntington Beach Municipal Code Chapter 17.56 and replace it according to the legislative draft
