Subject: Gruel/Williams memo re Air Show/State Auditor "settlement" discussion
Date: Friday, April 3, 2026 4:36:43 PM

Dear Council members,
In the spirit of transparency, please support the agenda item brought forth by council members Gruel and Williams. There is a lack of clarity as to how the recent court proceeding ended and where the council sits on an audit by the State Auditor.

Thank you.

Pat Quintana
