HOW WILL YOUR QUALIFICATIONS BEST SERVE THE NEEDS OF THE COMMUNITY?

My service on the Air Traffic Noise Working Group and familiarity with the Metroplex project, including both litigation and non-litigation options, should help serve the interests of the Jet Noise Commission.

WHY DO YOU WISH TO SERVE ON A VOLUNTEER CITIZEN'S BODY?

I have been directly and adversely impacted by the continued jet noise caused by the FAA's implementation of the Metroplex project and have seen the negative impacts on Huntington Beach as a whole. I strongly believe that the FAA will be more responsive to an official commission representing the City than individuals or ad hoc committees.

It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.

Additional information concerning a particular commission, board, committee, or task force or the application process is available through the staff support department identified above. General questions can be directed to Cathy Fikes, (714) 536-5553.
