22. 21-582 Item Submitted by Councilmember Posey Approved as Amended — Convening a Citizen's Charter Review Commission

Councilmember Posey stated his objective is to honor the vote that was made 12 years ago when voters approved the amended Charter, and directed Council to review the Charter every ten years. Councilmember Posey added that Mr. Gandall's Public Speaker comments and Steve Hagerman's email did not go unnoticed, as he amended this item by changing it from the formation of an Ad Hoc Committee to a Citizen's Charter Review Commission to ensure transparency. He further stated his desire to see a more definitive process to address how an unexpected Council vacancy is filled and to clarify when a Special Election is appropriate, a review of term limits, and how to address State housing bills, which usually violate the City's Charter.

City Manager Chi confirmed staff would report back in two weeks on what the process should look like.

Mayor Pro Tem Delgleize confirmed with Councilmember Posey that the first step is to convene the Charter Review Commission, Council review of any Commission recommendations, and then getting any recommendations on the ballot for the voters' decision.

Councilmember Kalmick stated his support for the amended item and expectation that Charter inconsistencies as well as antiquated language will also be addressed.

Councilmember Bolton stated her support for this amended item, as did Councilmember Moser.

A motion was made by Posey, second Delgleize to recommend that the City Council direct the formation of a ~~City Council Ad Hoc~~ **Citizen's Charter Review Commission** **Commission** to develop and submit for consideration Charter update language, **as amended to request a staff report on August 17, 2021, to define the process.**

The motion carried by the following vote:
