

*You're
Invited to
Celebrate!*

HUNTINGTON BEACH TREE SOCIETY
PRESENTS
CALIFORNIA

Arbor Day

**FRIDAY, MARCH 15, 2024 10:30 AM - NOON
HUNTINGTON CENTRAL PARK EAST - PICNIC MEADOW**

Please join us for festivities & planting of replacement trees in Huntington Central Park's 50th year!

Wear your gardening clothes & bring your own chair. Park behind the Huntington Central Library & take the path toward Gothard Street to arrive at the Huntington Central Park picnic meadow area.

Join us for a brief CA Arbor Day program followed by final mulching & watering of a restoration grove in the picnic meadow near Gothard Street; and for the planting of native flowering pollinator bushes to grace the park with life, shade & color for the next 50 years and well beyond.

Can't attend? We hope you'll celebrate Arbor Day by planting a tree in your yard.

*With appreciation to the City of Huntington Beach,
Mesa View Middle School staff & students,
& all contributors preserving & restoring OC's largest city park.*
