JOB SUMMARY

Under general direction, plans and supervises the work and activities of the Building Inspection section of the Permit Center and Building Division within the Community Development Department.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Building Inspection Manager, Building Official
Supervises: Professional and Technician staff

DISTINGUISHING CHARACTERISTICS

Differs from Principal Inspector in that the Inspection Supervisor is responsible for exercising full supervisory authority over inspection staff while the Principal Inspector performs highly specialized technical inspection work and acts in a lead capacity.

EXAMPLES OF ESSENTIAL DUTIES

- Plans, assigns, reviews and supervises the work of staff responsible for conducting building inspections, including structural, plumbing, mechanical, and electrical installations, to ensure compliance with applicable codes and uniform application of the building inspection process

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: BUILDING INSPECTION SUPERVISOR

- Establishes schedules and methods for providing inspection services; identifies resource needs; reviews needs with appropriate management staff; allocates resources accordingly
- Participates in staff selection; trains and mentors staff
- Evaluates work of assigned personnel; provides or coordinates staff training; works with employees to correct deficiencies and administers discipline when necessary
- Ensures work quality and adherence to established policies and procedures
- Assists in developing policies and staff procedures and division goals and objectives
- Coordinates inspection functions with inspectors, contractors, developers, plan check staff, and personnel from various other City departments
- Assists with budgeting and monitoring assigned budgets
- Participates in department and project meetings
- Assists with writing plan changes or memorandum to support or decline changes
- Leads quality assurance and quality control activities
- Addresses the most difficult customer inquiries and complaints; evaluates and recommends corrective actions to resolve issues; responds to and resolves disputes regarding the interpretation of structural, electrical, mechanical, and plumbing codes
- May perform the most difficult building inspections
- Reviews and approves plans and layouts, prior to issuance of permits
- Assists and advises contractors and homeowners regarding pertinent regulations
- Oversees the preparation of notices of violation or noncompliance and citations according to applicable codes and regulations; issues letters to property owners notifying them of violations; writes stop work orders for work being done without permits or in an unsafe manner
- Assembles and writes reports and maintains records of work performed
- Stays abreast of inspection disciplines, policies, safety techniques and methods, codes, standards and regulations, applicable laws, and City goals, practices and policies
- Ensures timely performance of inspections to facilitate compliance with work standards and project completion timelines
- Provides high quality and responsive customer service
- Reports to work as scheduled; may work a variety of schedules including evenings, weekends and holidays as required
- Maintains a regular and consistent attendance record
- Travels to offsite locations within and outside the City
- Performs other related duties as assigned

JOB SUMMARY

Under administrative direction, oversees the operations, services, programs, and activities of a major division within the Community and Library Services Department.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Deputy Director of Community and Library Services
Supervises: Assigned supervisory, administrative and clerical staff

DISTINGUISHING CHARACTERISTICS

Community and Library Services Manager may be assigned to manage any of three divisions. The facilities and events division consists of beach parking and camping, parking meters, sports complex operations, concessions and specific events. The programs and services division includes senior citizens services, and parks and recreation services and activities. The library and cultural services division consists of all library services, arts and cultural programs at the Art Center and the Theater at the Central Library.

Assignments may be interchanged if deemed necessary by the Director of Community and Library Services.

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: COMMUNITY AND LIBRARY SERVICES MANAGER

EXAMPLES OF ESSENTIAL DUTIES

- Directs and manages staff in supervising, coordinating and administering operations of assigned division:

Facilities and Events Division

- Oversees the operations of the City's beach parking, downtown parking structure, and camping facilities. Acts as liaison between City and downtown businesses including major hotels;
- Oversees the operations of the City's 45 acre Central Park Sports Complex;
- Oversees the City and non-City sponsored events and special promotions on public property. Acts as liaison between City and event promoters, various government agencies, corporate partners, and community members;
- Acts as the liaison between the City and a wide variety of private concessionaires including, but not limited to restaurants, snack bars, equestrian centers and golf courses.

Programs and Services Division

- Oversees the operations of human services and recreation programs at the Senior Center in Central Park, Edison and Murdy Community Centers, City Gym & Pool and the Art Center, which provide various recreation, athletic, and community programs;
- Acts as liaison between several community groups such as sports organizations and non-profit organizations, other City departments, and school district officials;
- Maintains close contact with school officials and community groups regarding program offerings and coordination of services;
- Oversees the SANDS Recreation Guide with over 125 independent contractors.

Library and Cultural Services Division

- Oversees the operations of library services, including programs and activities at the library branches and the Art Center;
- Maintains close contact with school officials and other community groups, as well as the Programs and Services Division, regarding program offerings and coordination of services;
- Serves as the primary contact with the State Library of California, for library specific grants and programs;

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: COMMUNITY AND LIBRARY SERVICES MANAGER

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: ECONOMIC DEVELOPMENT MANAGER

PERSONNEL COMMISSION APPROVAL: ~~DECEMBER 9, 2020~~ APRIL 16, 2025
COUNCIL APPROVAL: (REVISED)
NOVEMBER 2, 2020

JOB CODE:	0621
EMPLOYMENT STATUS:	REGULAR FULL-TIME
UNIT REPRESENTATION:	MEO
FLSA STATUS:	EXEMPT
EEOC CODE:	PROFESSIONALS

JOB SUMMARY

The primary reason this classification exists is to assist the Deputy Director of Community Development in managing, administering and strategically planning key programs in support of the City's economic development interests and to perform a variety of complex professional and technical administrative duties related to economic development.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Deputy Director of Community Development
Supervises: Professional, technical and/or administrative support staff

DISTINGUISHING CHARACTERISTICS

Assists the Deputy Director of Community Development in overseeing the day to day operations of the City's economic development programs; acts independently and performs the duties of Deputy Director of Community Development in the absence of the Deputy Director; coordinates the Department's economic development mission closely with other City departments; maintains effective and extensive professional relationships with representatives of other local, state and federal agencies.

EXAMPLES OF ESSENTIAL DUTIES

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: ECONOMIC DEVELOPMENT MANAGER

- Under the general direction of the Deputy Director of Community Development, plans, organizes, reviews, and participates in programs to attract, retain, and expand businesses in the City of Huntington Beach
- Represents the City in responding to inquiries from and providing guidance to business owners, property developers/investors, and others interested in economic development
- Collects, compiles, and analyzes economic and demographic data; coordinates economic studies relating to target industries and areas of the City
- Serves as liaison to and coordinates economic development functions with other City departments, outside agencies, business improvement districts, business associations, real estate brokers, developers, investors, and other members of the business community
- Participates in the establishment and implementation of goals, objectives, policies, and priorities for economic development programs
- Conducts outreach to the business community to promote economic and employment growth within the City; analyzes business opportunities and needs; makes recommendations for economic development programs
- Helps develop and administer the annual budget; participates in the forecast of funds needed for staffing, equipment, materials, and supplies
- Plans, prioritizes, assigns, supervises and monitors the work of professional, technical, and administrative staff; provides or coordinates staff training; coaches employees to improve job performance and to correct deficiencies; prepares performance evaluations
- Interacts closely and effectively with the staff of all Community Development Divisions and other City departments, especially the City Manager's Office, City Attorney's Office and Administration
- Attends all meetings, study sessions and workshops of the City Council, Economic Development Committee, and Downtown Economic Development Committee unless otherwise excused by the Deputy Director of Community Development; presents written and oral testimony, responds to questions and makes recommendations
- Researches and provides comprehensive and concise written reports on highly complex economic development matters; presents results of such reports, in an understandable manner to both technical and non-technical audiences
- Answers questions and provides information to the public; receives and investigates complaints and recommends corrective action, as necessary to resolve complaints

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: ECONOMIC DEVELOPMENT MANAGER

- Attends leadership, management, supervisory and subject matter training to stay abreast of industry best practices

JOB SUMMARY

Under administrative direction, plans, organizes, and manages the activities of the Urban Stormwater/National Pollutant Discharge Elimination System (NPDES) Program and other environmental programs.

SUPERVISION RECEIVED AND EXERCISED

Reports to: City Engineer or as designated by the Director of Public Works
Supervises: Environmental Specialist; administrative personnel as assigned

DISTINGUISHING CHARACTERISTICS

Differs from Environmental Specialist in that Environmental Services Manager oversees all environmental programs and projects to ensure compliance with local, state and federal government laws and regulations, while Environmental Specialist performs journey level work in assisting with the development, implementation and compliance of mandated environmental programs.

EXAMPLES OF ESSENTIAL DUTIES

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: ENVIRONMENTAL SERVICES MANAGER

- Manages the City's Urban Stormwater/NPDES Program in accordance with federal, state, and local laws and regulations
- Directs and supervises staff engaged in environmental programs; prioritizes and reviews work, evaluates employee performance, and provides technical guidance and training
- Plans, administers, and coordinates the City's storm water quality program and the storm drain facility inspection and cleaning program
- Develops, recommends, and implements goals, objectives, and policies relevant to storm water quality, storm water and urban runoff pollution prevention programs
- Evaluates programs to assess compliance with state and local government requirements, as well as efficiency and effectiveness of City operations
- Researches and prepares implementation measures per federal, state, and local government requirements
- Manages the City's Illegal Discharges/Illicit Connections Program, Water Quality Management Program (WQMP), Total Maximum Daily Load (TMDL) compliance program, municipal inspection program including but not limited to construction and commercial/industrial facilities, and other related programs
- Creates and uses business software applications to prepare reports and spreadsheets and develop and maintain project management information systems; oversees the maintenance of accurate databases and records
- Performs an annual Program Effectiveness Assessment (PEA) of the City's stormwater program for submittal to the Santa Ana Regional Water Quality Control Board and to the County of Orange
- Manages the Fats, Oils, and Grease (FOG) Program; receives and assigns investigations to staff; reviews engineering plans and as-builts; assesses inspection status
- Participates in the development and administration of assigned program budgets; forecasts additional funds needed; directs the monitoring of and approval of expenditures; and recommends budget adjustments
- Develops and implements community outreach, education initiatives, and related activities targeted at residents, businesses, homeowners' associations, and property managers within the City

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: ENVIRONMENTAL SERVICES MANAGER

- Provides administrative and policy recommendations to the Development Services Section related to the implementation of Urban Stormwater/NPDES regulations and policies for new development that occurs within the City's jurisdiction
- Coordinates with City Attorney regarding notices of violation and cease and desist orders for water quality violations
- Seeks grant opportunities for water quality projects and monitors and administers City's obligations under grant agreements
- Manages consultant contracts and monitors the work performed; reviews and approves invoices for payment
- Prepares requests for qualifications and requests for proposals; reviews proposals to ensure conformity with state law, local ordinances, and departmental policies
- Represents the City in professional groups, committee meetings, task forces, and other meetings related to water quality, stormwater, urban runoff pollution prevention and related issues
- Makes presentations to the City Council, City boards and commissions, and community groups
- Monitors changes in regulations and technology, researches emerging products and enhancements, and reviews their applicability
- Attends leadership, management, supervisory and environmental/public works training to stay abreast of industry best practices
- Develops process to ensure business continuity in the event of a disaster
- Travels to offsite locations
- Works various hours, including nights and weekends as deemed necessary by manager/supervisor, to conform with changing priorities and meet deadlines
- Reports to work as scheduled, maintains satisfactory attendance record
- Performs other related work as assigned

The preceding duties have been provided as examples of the essential types of work performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

TITLE: PARKING AND CAMPING OPERATIONS SUPERVISOR

PERSONNEL COMMISSION APPROVAL: ~~JANUARY 15, 2025~~ APRIL 16, 2025
(Revised)

COUNCIL APPROVAL: NOVEMBER 15, 2022

JOB CODE:	0905
EMPLOYMENT STATUS:	REGULAR FULL-TIME
UNIT REPRESENTATION:	MEO
FLSA STATUS:	EXEMPT
EEOC CODE:	PROFESSIONALS

JOB SUMMARY

Under general direction, supervises and coordinates the activities and operations of the City's beach parking, downtown parking structure, parking meters/pay stations, parking enforcement, and camping facilities.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Community & Library Services Manager

Supervises: Service/Maintenance, Technicians, Crew Leader, Operations Leads, part-time and Administrative Support staff

DISTINGUISHING CHARACTERISTICS

The primary focus of this position is to exercise supervisory authority and apply analytical solutions in the development and support of parking operations. This position coordinates activities with other divisions and outside agencies, oversees the work of individuals and teams, and provides responsible and complex staff assistance to the division head. The Parking and Camping Operations Supervisor differs from the Parking and Camping Crew Leader in that the latter serves as the working supervisor to monitor and oversee the work of crews.

EXAMPLES OF ESSENTIAL DUTIES

- Coordinates the organization, staffing, and operational activities for the City's beach parking, downtown parking structure, parking meters, parking enforcement, and camping facilities in a cost-effective manner
- Participates in the development and implementation of goals, objectives, policies, and priorities for assigned areas

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PARKING AND CAMPING OPERATIONS SUPERVISOR

- Assists in the development and scheduling of programs and participates in specific event processes to provide a variety of events for citizens as well as to promote growth of tourism in the area
- Identifies opportunities for improving service delivery methods and procedures; identifies resource needs; reviews with appropriate management staff; implements improvements
- Directs, coordinates, and reviews the work plan for assigned staff involved in parking and camping program, parking enforcement and parking meter services and activities
- Assigns work activities and projects; monitors work flow; reviews and evaluates work products, methods, and procedures; meets with staff to identify and resolve problems
- Selects, trains, motivates, and evaluates assigned personnel; provides or coordinates staff training; works with employees to correct deficiencies; implements discipline and termination procedures
- Participates in the development and administration of assigned program budget; forecasts funds needed for staffing, equipment, materials, and supplies; monitors and approves expenditures; recommends adjustments as necessary
- Provides staff assistance to the division head
- Maintains records pertinent to assigned program activities including records regarding revenues collected
- Prepares and presents staff reports and other correspondence as appropriate and necessary
- Coordinates assigned activities with those of other divisions and outside agencies and organizations
- Establishes and maintains effective working relationships with the downtown business association, downtown merchants, beach concessionaires, vendors, contractors, the City's partners in the downtown parking structure, and other City employees
- Attends and participates in committees, task forces, and associations; represents the City with regard to parking, parking meters, camping, specific events, and issues relating to the downtown area
- Attends professional training to stay abreast of industry best practices
- Reports to work as scheduled and works a variety of schedules including evenings, weekends and holidays as required
- Maintains a regular and consistent attendance record
- Travels to offsite locations within and outside the City
- Performs related duties and responsibilities as required-

Engineer in that the Principal plans, organizes, coordinates, and directs the work of a major section involving several programs whereas the Senior Civil Engineer/Senior Traffic Engineer performs advanced journey level engineering work and oversees the work of consultants and other professional staff on a project basis.

EXAMPLES OF ESSENTIAL DUTIES

- Plans, prioritizes, assigns, supervises, reviews and participates in the work of staff responsible for providing civil engineering services within an assigned section
- Establishes schedules and methods for providing civil engineering services; identifies resource needs; reviews needs with appropriate management staff; allocates resources accordingly; monitors work activities to ensure compliance with established policies and procedures
- Participates in the development and implementation of goals and objectives; makes recommendations for changes and improvements to existing standards, policies, and procedures
- Administers projects from inception to completion including planning, design, review, public meetings, bidding and construction
- Determines the scope of engineering projects; oversees the preparation of plans and specifications by City staff; prepares requests for proposals and contracts for consulting services; reviews plans of consulting engineers and private contractors; makes technical engineering decisions and establishes technical criteria and standards
- Monitors design criteria and communicates City ordinances, standards, and policies to ensure compliance with laws, guidelines, and standards
- Approves engineering plans and specifications
- Directs and participates in the planning of assigned capital improvement projects
- Responds to questions and inquiries from the general public, other agencies, developers, contractors, engineering professionals, and City staff regarding engineering and development projects
- Prepares reports and studies on current and future planning and capital improvement projects

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: PRINCIPAL CIVIL ENGINEER

- Prepares regional, state and federal grants; monitors and tracks application requests and approved grant programs
- Maintains records and prepares reports concerning operations and programs
- Coordinates activities with other divisions and outside agencies and organizations
- Attends and participates in professional group meetings; maintains awareness of new trends and developments in civil engineering; incorporates new developments as appropriate into existing programs
- Participates in budget preparation and administration; prepares cost estimates for budget recommendations; monitors and controls expenditures
- Develops processes to ensure business continuity in the event of a disaster
- Travels to offsite locations
- Works various hours, including nights and weekends as deemed necessary by manager/supervisor, to conform with changing priorities and meet deadlines
- Reports to work as scheduled; maintains satisfactory attendance record
- Performs other related work as assigned

In addition, when assigned to Water Services

- Participates in the development of the five-year water system plan; oversees financial forecasting and analysis activities to ensure that system plans meet future City water needs
- Performs special water system studies to ensure existing facilities are rehabilitated, maintained and operated in an economic manner
- Manages and oversees the maintenance and operations of the water system distribution network analysis model to simulate field conditions; identifies system improvements and upgrades
- Coordinates the review of environmental impact reports and developer studies to ensure water rates, rules and regulations are clarified and understood
- Establishes schedules and methods for providing water engineering services; identifies resource needs; reviews needs with appropriate management staff; allocates resources accordingly

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: PRINCIPAL CIVIL ENGINEER

In addition, when assigned to Development Services

- Manages all phases of private development processing for the Engineering Division, including environmental review, entitlement, plan check, and administration
- Demonstrates thorough knowledge of codes and regulations pertaining to land development including Subdivision Map Act, CEQA, NPDES and other local, state and federal requirements
- Applies knowledge of civil engineering principals particularly with respect to site development (e.g. grading and drainage, hydrology and hydraulics, utilities, water quality, and public improvements)
- Demonstrates excellent written and verbal communication skills when preparing written reports for City Council and/or Planning Commission action, and providing in-person support at public hearings
- Develops and maintains strong working relationships with staff, management, technical consultants, contractors, developers, and public and private agency representatives
- Successfully manages, in a data-driven and results oriented manner, challenging and competing deadlines through proactive supervision, efficient allocation of resources, and cooperative relationships with staff in other departments as well as other divisions of Public Works
- Represents the department and provides comments to the Planning Department to ensure private development projects conform to City code, policies, and procedures.

The preceding duties have been provided as examples of the essential types of work performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

Knowledge of:

- Principles and practices of civil and structural engineering

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: PRINCIPAL CIVIL ENGINEER

- Pertinent Federal, State and local rules, regulations, ordinances and building codes
- Recent developments and best practices of civil and structural engineering
- Principles and practices of budget preparation
- Principles and practices of project management
- Principles of supervision, staff development, and discipline assessment
- Methods, materials, and techniques used in the construction of public works projects and building design and construction
- If assigned to Traffic, traffic engineering and transportation planning

Ability to:

- Coordinate and direct civil engineering programs
- Supervise, organize and review the work of professional and technical staff
- Select, train, develop and evaluate staff
- Recommend and implement goals, objectives, policies and procedures for providing civil engineering services
- Understand, interpret, and apply general and specific administrative and departmental policies and procedures as well as applicable federal, state, and local policies, laws, and regulations
- Participate in the preparation and administration of assigned budgets
- Prepare engineering computations;
- Prepare and review engineering plans, specifications, and estimates of public works projects
- Administer contracts
- Perform technical research and solve engineering problems
- Conduct comprehensive engineering studies and prepare reports and recommendations
- Achieve the goals of the organization while assisting private developers in meeting their goals
- Plan and organize work to meet changing priorities and deadlines
- Effectively represent the City to outside individuals and agencies
- Respond to requests and inquiries for information
- Travel to various locations within a reasonable timeframe
- Ensure adherence to safe work practices and procedures
- Establish and maintain effective working relationships with those contacted in the course of work

CITY OF HUNTINGTON BEACH

JOB SUMMARY

Under general direction, performs a wide variety of advanced journey-level professional and analytical duties in support of the City's human resources system; develops, directs, manages, administers and strategically plans key recruitment and selection activities; coordinates updates to the classification and compensation plan; administers the City's benefits plan and leave programs; coordinates employee relations, training, and/or other employee-related programs.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Human Resources Manager or as designated by the Director of Human Resources

Supervises: Professional, technical, and administrative support staff

DISTINGUISHING CHARACTERISTICS

This is the highest-level classification in the Human Resources Analyst series. This classification is distinguished from the Senior Human Resources Analyst by the difficulty, scope, complexity, and autonomy of work performed and authority to effectively recommend to departments resolutions to technical and administrative issues.

EXAMPLES OF ESSENTIAL DUTIES

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL HUMAN RESOURCES ANALYST

- Develops, directs, manages and administers recruitment and selection activities and examinations for City departments; guides and assists safety departments with their recruitment and selection programs
- Plans, schedules and administers assessment centers for key City positions; develops tests to measure skills, knowledge and abilities; analyzes test results and presents findings
- Develops materials and methods to brief interview panel members on evaluation procedures and practices; serves as an evaluator on panels
- Reviews and responds to inquiries from hiring authorities concerning personnel needs; investigates recruitment sources, recommends recruitment methods and approaches including the nature of appropriate examination procedures
- Consults with and advises management and supervisors in the discharge of their personnel responsibilities and the application of personnel policies, standards, regulations, procedures and practices
- Researches, writes and revises job classification specifications; recommends pay grades, presents to the governing board for approval, maintains related records
- Composes manuals, brochures, job flyers, memoranda, and correspondence
- Coordinates implementation of the City's employee benefits programs, including health, dental, vision, pension, long-term disability, 457 accounts, employee assistance programs, and retiree benefits
- Administers leaves programs; assists with scheduling meetings and training to ensure compliance with the Family Medical Leave Act/ADA/FEHA requirements
- Assists with investigations and responses to employee-relations issues; may conduct fact-finding investigations, evaluate report findings, make recommendations and recommend corrective action
- Conducts or coordinates citywide employee training or professional development programs
- Researches rules, regulations, laws and policies; analyzes alternatives and makes recommendations
- Develops, analyzes, and responds to salary and benefit surveys, including establishing classification comparables and analyses results to prepare reports

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL HUMAN RESOURCES ANALYST

- Composes and presents comprehensive, concise, and effective oral and written reports
- Recommends the selection of staff; provides or coordinates staff training; assists in training assigned staff; evaluates assigned staff; works with employees to correct deficiencies
- Plans, coordinates, and evaluates activities associated with assigned contracts; participates in research, evaluation, and negotiation of proposed contractual obligations and agreements; administers assigned contracts
- Coordinates ~~assigned~~ activities assigned activities with other City departments, divisions, boards, committees, task forces, external organizations, and the general public
- Responds to and resolves difficult and sensitive inquiries and complaints
- Attends and participates in professional group meetings; stays abreast of new trends and innovations in assigned field
- Creates and uses spreadsheets, databases, and other personal computer software applications
- Reports to work as scheduled and works a variety of schedules including evenings, weekends and holidays as required
- Maintains a regular and consistent attendance record
- Travels to offsite locations within and outside the City
- Performs other duties and responsibilities as assigned.

The preceding duties have been provided as examples of the essential types of work performed within this job classification. City Council/Administration at its discretion, may add, modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS:

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL HUMAN RESOURCES ANALYST

Knowledge of:

- Public personnel administration principles and practices, including Equal Employment Opportunity law and Affirmative Action; Uniform Guidelines on Employee Selection

programming work and exercises supervisory responsibility for a work group or project while the Senior Information Technology Analyst performs advanced-level systems analysis and programming work.

EXAMPLES OF ESSENTIAL DUTIES

- Serves as a technical expert within area of assignment, providing guidance and direction to other professional staff and resolving complex problems; participates in developing strategic plans for systems/applications development and modification within area of expertise
- Analyzes and evaluates computer network design, operating systems and/or business requirements; identifies needs; consults with staff from various departments and/or within Information Services department; performs comprehensive analysis; develops technical solutions to automate and/or improve business processes; designs system architecture, network infrastructure and configuration, database, and/or web-based application solutions that meet the needs of the City and develops plans to initiate improvements
- Plans, organizes, directs, and controls large, complex information services projects that cross multiple City departments and require the support of other staff within different information systems disciplines and/or the procurement/utilization of specialized resources
- Determines and develops cost benefit analyses for project justifications; develops projected budgets and resources needed to conduct the work; evaluates risk concerns and options; provides technical input into the development of specifications for "requests for proposals" for vendor services, assists in evaluation of bids, and provides recommendations on vendor selection
- Monitors and coordinates vendors and/or contract personnel activities and performance to ensure compliance with City specifications; ensures activities consistent with City project plans, procedures or protocols, budgetary constraints and staff/resource utilization; identifies and resolves obstacles to progress
- Serves as the primary client interface on assigned projects; reviews recommendations with clients and receives approval to proceed; maintains effective communications with users regarding vendor activities, problems, status, timelines and other details;

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: PRINCIPAL INFORMATION TECHNOLOGY ANALYST

reviews final outcomes with the client and obtains sign off that all work has been conducted in accordance with client requirements

- Prepares complex reports, correspondence and other documents; participates on committees and task forces; attends meetings, conferences and training sessions
- Answers questions and provides information to customer departments; analyzes questions and recommends appropriate corrective action as necessary
- Coordinates with systems, network and/or database administrators to implement application or system design specifications and coordinates integration across multiple platforms and technologies
- Trains, leads and provides technical guidance to professional and technical staff within the Information Services Department: directs the work of information systems staff on assigned projects; plans, assigns, and reviews the work of others; -provides or coordinates staff training; provides standards and operating guidelines; provides timely input on performance evaluations and disciplinary matters, as assigned
- Provides budget recommendations and assists manager with development of the budget, including preparing justifications and cost estimates for equipment, materials, supplies, and new or enhanced systems modifications; recommends adjustments as necessary; and monitors and controls expenditures
- Provides technical and functional supervision of contractors/vendors
- Investigates, analyzes, and resolves network and voice system performance problems; - recommends and implements changes and improvements
- Coordinates the activities of technical staff and contract personnel during major and minor network problems; provides status reports to management regarding problem; focuses on preventing and resolving network and system problems related to area of assignment
- Serves as the administrator for large and highly complex databases; researches and identifies database environment requirements and specifications; determines integration requirements to ensure inter-operability across multiple platforms and technologies
- Oversees and provides guidance and expertise in the design, building, installation, configuration, maintenance and administration of highly complex network infrastructures, telecommunications systems, or server platforms and operating system components

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: PRINCIPAL INFORMATION TECHNOLOGY ANALYST

- Maintains diagrams, charts, and documentation on all facets of the City's network and voice systems
- Oversees the integrity and security of City networks and all related components, including human element, physical and virtual servers, domain controllers, desktops, laptops, printers and other devices which utilize the City network
- Scans and monitors network activity, filters malicious activity and virus probability; retrieves data for investigative purposes; performs computer forensics as requested
- Defines and maintains City network; and assists in the design and implementation of strategies to ensure City data security and integrity: conducts research on latest security threats and uses new security products to help maintain the integrity of the City's network; develops security procedures and policies
- Provides recommendations for developing and/or improving hardware, software, and/or web-based applications across multiple City departments in order to accomplish City business strategy and goals; recommends and/or implements operating system adjustments to maximize application performance and resource resolution
- Follows, maintains, and implements internal control, network security and other security systems for computer and telecommunication data, systems and hardware protection
- Works various hours, including nights and weekends as deemed necessary by manager/supervisor, to conform with changing priorities and meet deadlines; maintains regular and consistent attendance record
- Performs other related duties as assigned

The preceding duties have been provided as examples of the essential types of work performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

Rev. 3/2025 mh

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL LIBRARIAN

PERSONNEL COMMISSION APPROVAL: ~~DECEMBER 14, 2022 (Revised)~~ APRIL 16, 2025 (REVISED)

COUNCIL APPROVAL: JANUARY, 2003

JOB CODE:	0482
EMPLOYMENT STATUS:	REGULAR FULL-TIME
UNIT REPRESENTATION:	MEO
FLSA STATUS:	EXEMPT
EEOC CODE:	PROFESSIONAL

JOB SUMMARY

Under general direction, plans, organizes, supervises and trains assigned library staff and volunteers; develops programs and services; and oversees management of facilities.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Community/Library Services Manager

Supervises: Professional and clerical library staff and volunteers

DISTINGUISHING CHARACTERISTICS

The Principal Librarian is distinguished from the Senior Librarian based on the level of accountability and responsibility of the duties performed. The Senior Librarian is responsible for the work activities of a specific division/area while the Principal Librarian exercises managerial authority over all library personnel and functions.

EXAMPLES OF ESSENTIAL DUTIES

- Supervises all aspects of facilities including maintenance, rentals, security, building projects, and furniture Leads emergency preparedness plans for the Library and liaises with City departments on emergency response, continuity of operations, and staff training
- Participates on the Library Management Team; assumes all management duties in the absence of the Community/Library Services Manager
- Supervises staff, evaluates performance, and recommends personnel actions
- Develops and implements service goals, objectives, and programming for special areas as required and coordinates joint projects with other department supervisory staff and other City departments

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL LIBRARIAN

- Makes recommendations for staffing, equipment, materials and supplies;
- Acts as a key contact person for assigned work unit
- Researches, analyzes data and prepares comparative and statistical responses to other City departments and the library, including State Library reports
- Monitors work flow, reviews and evaluates work products, methods, and procedures
- Evaluates community needs and library programs and implements program changes in response to community needs
- Recommends training programs for specialized instruction within assigned work unit
- Develops, writes, and coordinates Library grants and contracts and monitors performance
- Supervises implementation of volunteer program
- Assists in the management, monitoring, and implementation of the division budget
- Attends professional training to stay abreast of industry best practices
- Reports to work as scheduled and works a variety of schedules including evenings, weekends and holidays as required
- Maintains a regular and consistent attendance record
- Travels to offsite locations within and outside the City
- Performs other related duties as assigned.

The preceding duties have been provided as examples of the essential types of work performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

Knowledge of:

- —Theories, principles and practices of library and information science
- —Automated library information systems, software and equipment usage
- —Library materials and resources in a broad spectrum of subjects and formats

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL LIBRARIAN

- —Collection development and cataloging and classification procedures for a variety of materials and formats
- —Research methods, report writing techniques, and statistical concepts and applications
- —Principles and practices of supervision, staff development, training, performance evaluation, and discipline assessment
- —Principles and practices of budget preparation and administration
- —Project management
- —Methods and techniques of grant application and administration
- —Customer service and public relations

Ability to:

- —Develop, coordinate and implement library service programs and activities for all functions of the library system
- —Plan, organize, train, direct, and evaluate the work of professional and paraprofessional staff and volunteers
- —Prepare clear and concise reports, correspondence and other written materials
- —Identify and mitigate customer service issues
- —Oversee the development of appropriate and effective collections/resources for all assigned areas
- —Operate library automation systems and other computer equipment
- —Conduct detailed research and analysis and prepare statistical reports using spreadsheet programs
- —Develop and administer budget information
- —Maintain accurate records; operate personal computer and standard software applications
- —Establish and maintain effective interpersonal relations with those contacted in the course of work
- —Communicate effectively, both orally; and in writing
- —Analyze data, recognize problems, arrive at sound conclusions, and make logical decisions

Education/Training: ALA-accredited ~~Master's Degree in Library and Information Science~~master's degree in library and information science.

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: PRINCIPAL LIBRARIAN

Experience: Five (5) years of increasing responsible full-time professional library experience, including two (2) years of supervisory experience. Experience working in branch libraries, a Central Library division and/or technical services is highly desirable.

--	---

JOB CODE:	0056
EMPLOYMENT STATUS:	REGULAR FULL-TIME
UNIT REPRESENTATION:	MEO
FLSA STATUS:	EXEMPT
EEOC CODE:	PROFESSIONALS

JOB SUMMARY

Under general direction, oversees the water quality section of the Utilities Division of the Public Works Department.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Utilities Manager or as assigned by the Deputy Director of Public Works
Supervises: Water Quality Coordinator and Water Quality Specialists

DISTINGUISHING CHARACTERISTICS

Differs from Water Quality Coordinator in that Water Quality Supervisor exercises supervisory authority over staff engaged in water quality activities while the Water Quality Coordinator performs journey-level compliance work to monitor water quality and serves in a lead capacity.

EXAMPLES OF ESSENTIAL DUTIES

- Plans and supervises the work of staff involved in water quality, backflow prevention and cross connection control inspection programs
- Oversees in-house water sampling, testing, and related laboratory activities; validates sample test results for reporting
- Maintains rigorous quality control of water system sample collections
- Ensures procedures followed by staff and laboratory personnel (both in-house and contracted services) and reporting and documentation are in compliance with state and local agencies' standards

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: WATER QUALITY SUPERVISOR

- Oversees contract with outside laboratory for water quality sampling and analysis
- Performs routine and scheduled inspection on sophisticated instrumentation and equipment used in a water quality laboratory
- Performs complex microbiological, chemical, and physical analyses of water samples as needed
- Develops, implements, and maintains water quality monitoring programs related to potable water use and consumption
- Coordinates and monitors the City's cross-connection inspection and backflow prevention control program to ensure compliance with pertinent federal and state regulations and guidelines
- Interprets complex water quality regulatory requirements and develops and maintains up-to-date procedures for compliance
- Prepares and submits water quality reports, correspondence, and statistical data to various local, state, and federal regulatory agencies
- Performs personnel administrative functions; counsels subordinates on compliance with procedures, rules and regulations; evaluates performance and assesses discipline as needed
- Collaborates with other supervisors to achieve optimal departmental and city-wide performance and outcomes
- Attends leadership, management, supervisory and professional training to stay abreast of industry best practices
- Develops processes to ensure business continuity in the event of a disaster
- Operates a vehicle in the course and scope of work
- Performs other related duties as required

The preceding duties have been provided as examples of the essential types of work performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

Knowledge of:

- Federal, state, and local laws, rules, and regulations governing residential, industrial and commercial water quality, and backflow prevention and cross-connection control programs
