STUDY SESSION

1. 23-763 Mobility Implementation Plan — HB in Motion Survey Results

Chau Vu, Director of Public Works and City Consultant Joe Yacabucci, Project Manager, presented a PowerPoint communication titled *Huntington Beach Mobility Implementation Plan (MIP) – HB in Motion Council Briefing* with slides entitled: *Agenda; Project Goals and Guiding Principles; Project Timeline; Review Existing Conditions and Public Feedback; Phase I Survey Results; Technical Analysis; What We Heard | Phase II Survey (2); What We Heard (2); What We Are Experiencing; Bicycle Pedestrian, and Beach Path Recommendations; Bicycle Recommendations; Toolkit (2); Bicycle Network; Pedestrian Recommendations; Pedestrian Focus Area Identification Factors; Pedestrian Focus Corridors; Beach Path Recommendations; Beach Path Network Developments; Beach Path Example Treatments; E-Bike Education + Enforcement Policy Recommendations (2); and Next Steps.*

Mayor Pro Tem Van Der Mark and Director Vu discussed that future mobility plan meetings will be virtual as more people usually attend.

Councilmember Bolton stated the importance of collecting e-bike statistics, and holding stakeholder meetings related to education and enforcement.

Councilmember McKeon confirmed with Director Vu that Huntington Beach and Laguna Niguel both have implemented regulatory enforcement at the school level. Councilmember McKeon requested that staff include costs for the different mobility plans.

Councilmember Kalmick stated his support for considering options that include eligibility for grants; noted the need for "safe" bicycle facilities especially for children; safe and more frequent options for crossing both Pacific Coast Highway (PCH) and Beach Boulevard; and the need to develop viable options to using automobiles.

Councilmember Moser stated her priorities are to keep people safe and comfortable in traversing the city without their automobiles. She encouraged staff to remain aware of how neighboring cities are handling mobility issues, to include a regional view; consider options to support and encourage the schools to implement their "safe route" plans; encouraged the participation of local citizens through a new "Transportation Committee"; and stated her support for including sustainability in the plans.

Assistant City Manager Travis Hopkins announced that Closed Session Items #4 (23-761) and #5 (23-762) had been removed from the agenda and would not be considered at this meeting.

A motion was made by Kalmick, second by Van Der Mark, to recess to Closed Session.

Mayor Strickland and Councilmember McKeon reported meeting with representatives from the Huntington Beach Firefighters' Association (HBFA).

CITY MANAGER'S REPORT

8. 23-764 Quarterly Homeless Report

City Manager Al Zelinka introduced Brian Smith, Police Lieutenant, and Jessica Kelly, Social Services Supervisor, who presented a PowerPoint communication titled *Homeless Response Update 2nd Quarter*

2023 with slides entitled: Improve Communications with our Community; Improve Communications (2); Increased Focused Outreach Efforts; Audit Our Programs; Advocacy/Funding; 2nd Quarter of 2023; Homeless and Behavioral Health Services Staff – 2nd Quarter of 2023; Be Well Mobile Crisis Respond Team 2nd Quarter of 2023; Huntington Beach Navigation Center; Barriers; Success Stories; and Questions?*

Mayor Pro Tem Van Der Mark thanked staff for their efforts to assist the homeless and connect people with available services, noting that community members are beginning to see an improvement. She asked what created the drop of 11% between the 1st Quarter and 2nd Quarter in calls involving homeless individuals, and Lt. Smith responded he believes it was the pro-active efforts of the public safety and social service teams during the 1st Quarter. They also discussed ongoing discussions regarding additional program options and grant sources.

Councilmember McKeon noted this is a very complicated issue and stated for the benefit of the public that resources are being used every day to address homeless situations. Councilmember McKeon and Lt. Smith discussed keeping data and metrics up to date and available on the City's website for easy public access; developing standardized definitions; quarterly meetings with staff and community resource providers; community prosecutor relationship; the Homeless Services Manager recruitment process; vision for expanding the program to address additional vulnerable populations; role of volunteers; Outreach Grid Case Management System; standardized data for accurate analysis; Be Well currently provides coverage 7 days per week with 21 hours each day with their services; services provided through the Navigation Center; process for determining an individual's ties to Huntington Beach; Navigation Center intake starts at the Police Department to identify the appropriate service provider; increased MYHB complaints shows the need for continued community education; fluctuation in calls for service from month to month; detox procedures; Be Well provided services; Navigation Center provided services; Jamboree process for long-term services; rental assistance services; and ways to maximize services without bloating the department.

Councilmember Bolton and Lt. Smith discussed what happens to the 543 contacts by Homeless Task Force Officers which were not serviced by the Navigation Center, other shelters or transported to Crisis Stabilization units, and noted that some contacts may qualify for being counted in more than one tracking category.

Councilmember Kalmick and Lt. Smith discussed the challenges related to finding appropriate housing for Navigation Center residents; process for permanent use plan for the Navigation Center property; Care Court availability; Homeless Court; and Community Prosecutor services. Councilmember Kalmick noted he wants to be very careful about limiting staff for a service that is solving the homeless problem.

Councilmember Moser stated appreciation for the Community Prosecutor; quarterly meetings of the faith-based and other community organizations which coordinate efforts and services; and shared statistics on the number of homeless students in the local schools. Lt. Smith noted meetings with local school districts to inform them of services available for their staff and students, and he provided information on the Street Medicine preventative program being used in Garden Grove to assist people getting their medications, and getting to medical appointments.

Councilmember Moser and Lt. Smith discussed the importance of protecting the City's data, which is available to the City's Social Workers, Outreach Officers, Mercy House and Navigation Center.

CONSENT CALENDAR

Councilmember Moser pulled #10, Councilmember Kalmick pulled #11, and Councilmember Bolton pulled #12 for further discussion.

NOES: None
ABSENT: Burns

POLICE DEPARTMENT

12. 23-780 TABLED Request to Approve Responses to the 2022-2023 Orange County Grand Jury Reports Related to Animal Welfare

Councilmember Bolton pulled this item to discuss Finding #12, and noted from her perspective it would be more accurate to note that Huntington Beach has also received emails from the community expressing concerns about the need for spay and neuter services at the Orange County Animal Shelter. Police Chief Parra stated he has not personally seen community concerns about this, and to the best of his knowledge the City has not reviewed specific operations of the Orange County Animal Shelter. He stated he would be happy to review any communications Councilmember Bolton has related to this issue.

Connor Hyland, Senior Deputy City Attorney, verified that a request for an extension to reply was granted and the deadline is now out about 60 more days.

ORDINANCES FOR INTRODUCTION

17. 23-750 Approved for introduction Amended Ordinance No. 4302 amending Huntington Beach Municipal Code (HBMC) Chapter 10.84 relating to bicycle regulations

Thoby Archer, Huntington Beach Police Lieutenant, presented a PowerPoint communication titled *Huntington Beach Police Department Recommendation for updated Municipal Code* with slides entitled: *Why is this update necessary? (3); What does it Change? (3); and Questions?*

Mayor Strickland and Lt. Archer discussed what constitutes "criminal" vs "civil" citations, and the fee schedule which increases the fine amount for repeat violations.

Councilmember Kalmick stated his intent is to protect the residents and kids from reckless actions by people on bicycles, and ability to confiscate cycles which are not street legal. Lt. Archer agreed the intent is to provide options to address community safety concerns, and close some loop holes. Councilmember Kalmick confirmed there is an appeals process for civil citations. Lt. Archer noted that Officers generally cite individuals who create unsafe situations, and listing of specific conditions such as speeding or traveling the wrong direction within the Ordinance are only examples and do not imply that every case of speeding or wrong-way travel will be cited.

Lt. Archer noted an error that 10.84.140 (b) g. "Riding the conveyance in the manner other than it was designed" is to be removed as it duplicates "e".

Councilmember Bolton confirmed with Chief Parra that accident data is collected regarding the involvement of bicycles and e-bikes.

Councilmember Bolton asked if there is the option to pass this as an emergency ordinance so it can be enforced immediately, rather than enforcing 30 days from the second reading. City Attorney Michael Gates responded that possibly the findings to support an emergency ordinance could be included with the second reading. Chief Parra stated his support for making this an emergency ordinance because of the number of community communications regarding related safety issues.

Councilmember Bolton and Chief Parra discussed e-bike regulations in surrounding communities, and plans in process for a summit with other communities along the coast to review policies.

Councilmember Kalmick stated he just attended a Bike and Ped Subcommittee meeting at Orange County Transit Authority and noted the information from other communities has already been aggregated, including which municipalities address e-bikes and bikes separately.

Councilmember Moser and Lt. Archer discussed how the law is being interpreted when encountering cycles that are not classified as e-bike or motorcycle, but are considered "pocket" bikes currently illegal for street use, and would result in a criminal citation.

Councilmember Moser confirmed with Lt. Archer that the Police Department will educate the schools about this ordinance once it is approved through digital and printed materials.

Councilmember Moser confirmed with Lt. Archer bicycles on sidewalks, going with the flow of traffic, is allowed in some areas, but not in others. Lt. Archer noted this ordinance provides another enforcement tool for Officers.

Councilmember Moser asked that quarterly or six-month reports be provided to document whether or not this ordinance is effective.

Mayor Strickland confirmed with Lt. Archer that the Surron bike is not street legal.

Mayor Pro Tem Van Der Mark confirmed with Lt. Archer that e-bike accidents can be tracked if reported to the Police Department and a report is taken. Lt. Archer noted that often the e-bike rider may just get up and continue on their way or self-check in at the hospital for an injury, and stated there is legislative intent to determine if fire departments and hospitals have a way to track e-bike injuries.

City Attorney Michael Gates confirmed if there is data to support an emergency ordinance, the emergency ordinance will be brought back at the next meeting and will supersede the second reading of this ordinance.

A motion was made by Kalmick, second Van Der Mark, to after the City Clerk reads by title, approve for introduction Ordinance No. 4302, "An Ordinance of the City Council of the City of Huntington Beach Amending Chapter 10.84 of the Huntington Beach Municipal Code Relating to Bicycle Regulations" **as amended to remove 10.84.140 (b) g. "Riding the conveyance in the manner other than it was designed."**

The motion carried by the following roll call vote:

AYES: Kalmick, Moser, Van Der Mark, Strickland, McKeon, and Bolton
NOES: None
ABSENT: Burns
