Subject: Opinion on Items 12, 13, 16, and 18

Hi,
This is Cheri Atkinson LCSW, and a long term resident of Huntington Beach.
I ask you to vote

1. Item 12- Flag Ordinance- I ask you to vote NO- This has an negative impact on our LGBTQ residents in our community, and sends an unwelcoming message, and hurts the image of Huntington Beach.
2. **Item 13** - Behavior in Public Structures- I ask you to vote NO. I have done the Point in Time count, and many of our homeless residents may stay there to escape the elements, to stay alive, until they are housed. THIS AS WELL AS ITEM 14, REFLECTS THAT A POLICING MODEL, OUT OF SIGHT< SOLVED THE HOMELESS MODEL, and it is a nonhumanitarian approach.
3. Item 16- Builder's Remedy Ordinance- I ask you to vote NO on this. By not approving the Housing Element, and the Builder's Remedy Ordinance, you are saying No, to affordable housing for those who work here, the disabled, seniors, the disabled, and our children.
4. Item 18- Allowing ADU applications- I ask you to vote Yes- This allows for affordable housing, for seniors, young residents, three generational families. It is a win for so many.

Please acknowledge that you received and read this.

There are better ways to solve these issues than criminalizing homelessness in our city.
