Subject: Infrastructure Report Card

Some people who received this message don't often get email from the4ryders@gmail.com. [Learn why this is important](#)

As longtime homeowners and voters, we have been waiting since 2023 to see the results of the Infrastructure Report Card. We note that on the agenda for 1/21/25 there will be a study session that includes a PowerPoint presentation of the Infrastructure Report Card. We can't find any indication that there are plans to share the information with the Huntington Beach taxpayers.

Can we download the presentation and share with our affinity groups in Huntington Beach? We think that the results of this Infrastructure Report Card should be available to all residents.
