Good afternoon,

I am writing to formally request reappointment to the Huntington Beach Environmental & Sustainability Board for a 4 year term. Serving on the board these past few months has been a rewarding experience, and I am eager to continue contributing to the work undertaken by the board in promoting environmental stewardship and sustainability both at the City and throughout our community.

Hello Environmental & Sustainability Board (E&SB) Members:

The E&SB Roster indicates that your term ends on June 30, 2023.

In accordance with the [Huntington Beach Municipal Code 2.102.020](#) and [Administrative Regulation 111 – Vacancies and Onboarding Procedure for Boards, Commissions, Committees, or Advisory Groups](#), you may request reappointment for an additional term of 2 or 4 years.

To do this, please email your written request for reappointment for an additional two-year or four-year term to me by June 9, 2023, and I will put them together and forward to your Council Liaisons for their consideration.

Pending Council Liaisons' approval of your request, this will be presented to the City Council for their approval at the June 20, 2023 meeting before your term expire. Accordingly, your timely response is requested and appreciated.

Please let myself or Shannon Levin know if you have any questions.

Sincerely,

Sandie Frakes
