Not only do I support this proposition, but also I plan to participate in events to get it passed. This City Council's MAGA takeover will come to an end at our next election. It is well past time for you all to LISTEN to your constituents.

Huntington Beach City Council Meeting Sept 16, 2025

Agenda Item No.7 (25-727)Resolution in Opposition to Proposition 50.

More performance politics. Proposition 50 was written in direct response to Dear Leader's command that Texas immediately re-draw its redistricting map to favor GOP voters in the 2026 national elections. It is an abnormal, desperate, calculated effort to maintain control of the House of Representatives that all current polling indicates will return to control by the Democrats.

Proposition 50 is a temporary redistricting plan that will sunset after the 2030 census, and return to the 2010 law which was approved by voters. It is a plan that defends democracy from an aspiring dictator. Quite simply, will the voters of our country choose to preserve democracy or fascism as a form of government. I choose democracy. The city council should, too.

Vote "NO" on this item.

Sincerely,

Harry McLachlan, H.B. resident
