CONTRACT INFORMATION

TOTAL COMPENSATION

\$1,970,231.60

TERM OF CONTRACT/AGREEMENT

160 Working Day Construction Contract

VENDOR NAME + TYPE OF SERVICE

Performance Pipeline Technologies, Inc., Huntington Beach, California. Types of Services include but are not limited to CCTV Inspection, Pipe Cleaning, Mainline Sewer & Storm Drain Sealing, and Pipe Repairs - UV Cured Liners & CIPP (Cured-In-Place Pipe).

TYPE OF AGREEMENT *(Professional Services, Service Agreement)*

Construction Contract, Professional Service Agreement

PROCUREMENT

Design-Bid-Build Project. Project was open for Bids via PlanetBids to the Public Works On-Call Consultants, and recommend to award the Construction Contract to lowest responsive and responsible bidder.

SCOPE OF WORK

The scope of work includes lining existing sewer pipes based on maintenance history and video inspection. This project will use exclusively UV lining technologies. Total linear footage for UV lining is estimated at approximately 29,850 LF combined among 8", 10", 12", and 15" pipe diameters.

OTHER: *Bonds, Special Contract Terms, Emergency*

Contractor has provided Certificate of Insurance, Bonds, Contractor's Sworn Statement and City of Huntington Beach Business License and is pending approval from Rick Management and the City Attorney's Office.
