Subject: Let's keep partisan politics out of City events item#5, 25-818
Date: Monday, November 3, 2025 2:53:10 PM

Dear City Council

I attended the recent constitutional classes to understand the Christian National world view, that is to say, to understand the defective foundation for catastrophic policies that we see daily.

I was there to learn a different viewpoint, and I did not interrupt the class. I was only able to attend 3 of 7 classes due to my travel schedule.

The talks are clearly skewed toward a Christian National world view, but they are not specifically partisan.

However, on Oct.15, when a partisan crony spoke for almost 15 minutes about how to canvas for "No on 50" and how to get petitions signed for a voter ID petition, a line was crossed.

it reminded me of stories I've heard about a Soviet Russian local committee meetings.

Please make sure that future Huntington Beach celebration and education events do not have flagrant violations of partisan politics

Thanks

Charlie Jackson, a 24 year resident of Huntington Beach
