

# Goldenwest Median Turf Removal Project

March 15, 2023

# BACKGROUND

The Municipal Water District of Orange County (MWDOC) is hosting a rebate program through it's Turf Removal Program.

The City is will receive about \$80,000 in rebates simply by removing 19,000 square feet of non-functional turf within the medians along Goldenwest St between Olive and Yorktown Ave.

The project will plant new groundcover consisting of Daylillies, Kurapia, and Mulch. Approximately 18 existing tree's will be replaced with 40 Crape Myrtle tree's and 40 Arbutus Unedo tree's.

# FUNDING/SCHEDULE

- Awarded Contractor: Evolution Landscaping and Plumbing Inc.
- Total Project Cost \$200,000
