1st House				2nd House				Conc.			

Summary: Current law defines a "hate crime" as a criminal act committed, in whole or in part, because of actual or perceived characteristics of the victim, including, among other things, race, religion, disability, and sexual orientation. Current law requires the Attorney General to direct local law enforcement agencies to report information relating to hate crimes to the Department of Justice, as specified, and requires the department to post that information on a specified internet website on or before July 1 of each year. This bill would additionally require local law enforcement agencies to post the information sent to the department on their internet website on a monthly basis.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	2 year	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Coastal Act generally requires each local government lying, in whole or in part, within the coastal zone to prepare a local coastal program for that portion of the coastal zone within its jurisdiction. This bill would require a local government lying, in whole or in part, within the coastal zone that has a certified land use plan or a fully certified local coastal program to adopt, by January 1, 2024, an amendment to that plan or program, as applicable, specifying streamlined permitting procedures in nonhazardous zones for the approval of (1) accessory dwelling units or junior accessory dwelling units, consistent with specified requirements relating to the rental of those units (2) projects in which a specified percentage of the units will be affordable to lower income households or designated for supportive housing, as those terms are defined, and (3) Low Barrier Navigation Centers, as defined. The bill would require that the amendment be submitted to, and processed and approved by, the commission consistent with the above-described requirements for the amendment of a local coastal program.

Location: 5/4/2022-S. HOUSING

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law, commonly referred to as the Density Bonus Law, requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus and other incentives or concessions, as specified, if the developer agrees to construct, among other options, specified percentages of units for moderate-income, lower income, or very low income

households and meets other requirements. This bill would additionally require that a density bonus be provided under these provisions to a developer who agrees to construct a housing development that is a cohousing building, as defined, that meets specified requirements and will contain either 10% of the total square footage for lower income households, as defined, or 5% of the total square footage for very low income households, as defined.

Location: 5/4/2022-S. E.Q.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. This bill would require mitigation measures, identified in an environmental impact report or mitigated negative declaration to mitigate the adverse effects of a project on air quality of a disadvantaged community, to include measures for avoiding, minimizing, or otherwise mitigating for the adverse effects on that community. The bill would require mitigation measures to include measures conducted at the project site that avoid or minimize to less than significant the adverse effects on the air quality of a disadvantaged community or measures conducted in the affected disadvantaged community that directly mitigate those effects.

Location: 5/4/2022-S. PUB. S.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires law enforcement agencies to maintain a policy on the use of force, as specified. Current law places certain restrictions on the use of force by law enforcement agencies, including prohibiting the use of a choke hold or carotid restraint. This bill would require a law enforcement agency that authorizes peace officers to carry an electroshock device, such as a taser or stun gun that is held and operated in a manner similar to a pistol, to require that device to be holstered or otherwise carried on the lateral side of the body opposite to the side that that officer's primary firearm is holstered.

Location: 5/4/2022-S. HOUSING

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus and other incentives or concessions, as specified, if the developer agrees to construct specified percentages of units for lower income, very low income, or senior citizen housing, among other things, and meets other requirements. Previously existing law, until January 1, 2022, required a city, county, or city and county to grant a commercial developer a development bonus, as specified, when an applicant for approval of a commercial development had entered into an agreement for partnered housing with an affordable housing developer to contribute affordable housing through a joint project or 2 separate projects encompassing affordable housing. This bill would reenact the above-described provisions regarding the granting of development bonuses to certain projects. The bill would require a city or county to annually submit to the Department of Housing and Community Development information describing an approved commercial development bonus. The bill would repeal these provisions on January 1, 2028.

Is Fiscal: Y

Location: 5/11/2022-A. APPR. SUSPENSE FILE

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the Department of Veterans Affairs to acquire, study, design, develop, construct, and equip a state-owned and state-operated Southern California Veterans Cemetery in the County of Orange at one of 2 possible sites, as specified. Existing law requires the department to, after completing acquisition studies on both sites, consult with the Department of General Services to determine which site to pursue based on the economic feasibility, benefits to veterans and City of Irvine residents, and availability of each location. Current law makes honorably discharged veterans, their spouses, and dependent children eligible for interment in the cemetery, as specified. This bill would delete those site selection requirements and would instead require the department to acquire, study, design, develop, construct, and equip a state-owned and state-operated Southern California Veterans Cemetery in the County of Orange.

Position

AB 1611 (Davies R) Oil spills: potential casualties with submerged oil pipelines: vessels: reporting.

Introduced: 1/5/2022

Last Amend: 4/6/2022

Status: 4/27/2022-In committee: Set, first hearing. Referred to suspense file.

Is Urgency: N

Is Fiscal: Y

Location: 4/27/2022-A. APPR. SUSPENSE FILE

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Lempert-Keene-Seastrand Oil Spill Prevention and Response Act generally requires the administrator for oil spill response, acting at the direction of the Governor, to implement activities relating to oil spill response, including emergency drills and preparedness, and oil spill containment and cleanup. The act requires, without regard to intent or negligence, any party responsible for the discharge or threatened discharge of oil in waters of the state to report the discharge immediately to the Office of Emergency Services. The act makes it a crime to fail to notify the office in violation of that requirement. This bill would require a potential casualty with a submerged oil pipeline, as described, to be treated as a threatened discharge of oil in waters of the state pursuant to the above-specified reporting provision of the Lempert-Keene-Seastrand Oil Spill Prevention and Response Act. The bill would require the operator of a vessel involved in a potential casualty with a submerged oil pipeline to immediately report the potential casualty to the office and would subject a vessel operator who fails to make that report to a civil penalty of not less than \$10,000 and not more than \$1,000,000 for each violation. The bill would require a court to consider specified factors in determining the amount of the civil penalty to be assessed.

Location: 5/2/2022-A. THIRD READING

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Lempert-Keene-Seastrand Oil Spill Prevention and Response Act requires, without

regard to intent or negligence, any party responsible for the discharge or threatened discharge of oil in waters of the state to report the discharge immediately to the Office of Emergency Services. The act makes it a crime to fail to notify the office in violation of that requirement. This bill would define "threatened discharge of oil in waters of the state" to mean a discharge by an offshore facility, as defined, including an offshore pipeline, located where an oil spill may impact state waters. The bill would require an offshore facility to be presumed to be located where an oil spill may impact state waters if certain circumstances apply, including that any portion of an offshore pipeline that services the offshore facility transports oil to, from, or through state waters. By expanding the scope of a crime, the bill would impose a state-mandated local program.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Lempert-Keene-Seastrand Oil Spill Prevention and Response Act requires the administrator for oil spill response, taking into consideration the California oil spill contingency plan, to promulgate regulations regarding the adequacy of oil spill elements of area plans adopted pursuant to specified existing law. The act authorizes the administrator to offer, to a unified program agency with jurisdiction over or directly adjacent to waters of the state, a grant to complete, update, or revise an oil spill element of the area plan. The act requires each oil spill element prepared under those provisions to be consistent with the local government's local coastal program, the California oil spill contingency plan, and the National Contingency Plan. This bill would additionally require that each oil spill element prepared under those provisions be consistent with the area contingency plan.

Summary: Current law defines "injury" for an employee to include illness or death resulting from the 2019 novel coronavirus disease (COVID-19) under specified circumstances, until January 1, 2023. Existing law create a disputable presumption, as specified, that the injury arose out of and in the course of the employment and is compensable, for specified dates of injury. Current law requires an employee to exhaust their paid sick leave benefits and meet specified certification requirements before receiving any temporary disability benefits or, for police officers, firefighters, and other specified employees, a leave of absence. Existing law also make a claim relating to a COVID-19 illness presumptively compensable, as described above, after 30 days or 45 days, rather than 90 days. Current law, until January 1, 2023, allows for a presumption of injury for all employees whose fellow employees at their place of employment experience specified levels of positive testing, and whose employer has 5 or more employees. This bill would extend the above-described provisions relating to COVID-19 until January 1, 2025.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Under current law, the State Lands Commission has jurisdiction over tidelands and submerged lands of the state. Current law also makes a local trustee of granted public trust lands, as defined, a trustee of state lands and confers upon that trustee specified powers regarding the leasing or granting of rights or privileges in relation to those lands. When it appears to be in the public interest, current law authorizes the commission to grant by competitive bidding leases for the extraction of minerals other than oil and gas from tidelands and submerged lands of the state under specified circumstances. This bill would repeal that authorization and would instead prohibit the commission or a local trustee of granted public trust lands from granting leases or issuing permits for the extraction or removal of hard minerals, as defined, from state waters subject to tidal influence, except as provided.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires that, except as specified, not less than the general prevailing rate of per diem wages, determined by the Director of Industrial Relations, be paid to workers employed on public works projects. Current law defines the term "public works" for purposes of requirements regarding the payment of prevailing wages to include construction, alteration, demolition, installation, or repair work done under contract and paid for using public funds, except as specified. Existing law makes a willful violation of laws relating to the payment of prevailing wages on public works a misdemeanor. This bill would expand the definition of "public works" to include street sweeping maintenance performed for the preservation, protection, and keeping of any publicly owned or publicly operated street, road, or highway done under contract and paid for in whole or in part out of public funds.

Summary: Current law prohibits the operation of a motorized bicycle or a class 3 electric bicycle on a bicycle path or trail, bikeway, bicycle lane, equestrian trail, or hiking or recreational trail, as specified. Current law authorizes a local authority to additionally prohibit the operation of class 1 and class 2 electric bicycles on these facilities. This bill would remove the prohibition of class 3 electric bicycles on these facilities and would instead authorize a local authority to prohibit the operation of any electric bicycle or any class of electric bicycle on an equestrian trail, or hiking or recreational trail.

Summary: Would require a community water system to replace or remove all lead service lines, as defined, that the community water system owns, in its service area, in their entirety. The bill would require the community water system to undertake specified mitigation best practices, including providing written notice to the owner and residents of all buildings and units served by the line, as specified, before commencing the replacement, removal, or disturbance, as defined. The bill would require the community water system to replace or remove the entire service line, when replacing or removing a lead service line, within 30 days of the start of construction, unless the community water system does not own the entire service line, as specified. The bill would prohibit a person or community water system from performing a partial lead service line replacement. The bill would also require the community water system to conduct tap water tests before and after the replacement, removal, or disturbance.

Location: 5/5/2022-A. THIRD READING

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Ralph M. Brown Act allows for meetings to occur via teleconferencing subject to certain requirements, particularly that the legislative body notice each teleconference location of each member that will be participating in the public meeting, that each teleconference location be accessible to the public, that members of the public be allowed to address the legislative body at each teleconference location, that the legislative body post an agenda at each teleconference location, and that at least a quorum of the legislative body participate from locations within the boundaries of the local agency's jurisdiction. The act provides an exemption to the jurisdictional requirement for health authorities, as defined. Current law, until January 1, 2024, authorizes a local agency to use teleconferencing without complying with those specified teleconferencing requirements in specified circumstances when a declared state of emergency is in effect, or in other situations related to public health. This bill would require the agenda to identify any member of the legislative body that will participate in the meeting remotely.

Summary: Current law requires the Commission on Peace Officer Standards and Training (POST) to develop guidelines and a course of instruction and training for law enforcement officers addressing hate crimes. Current law requires state law enforcement agencies to adopt a framework or other formal policy created by POST regarding hate crimes. Current law requires any local law enforcement agency that adopts or updates a hate crime policy to include specified information in that policy, including information on bias motivation. Existing law requires the Department of Justice to collect specified information relative to hate crimes and to post that information on its internet website. This bill would require each local law enforcement agency to adopt a hate crimes policy. The bill would require those policies to, among other things, include instructions on considering the relevance of specific dates and phrases when recognizing whether an incident is a hate crime, to include a supplemental suspected hate crime form. The bill would require every state and local agency to use specified definitions for the term "protected characteristics." The bill would require each law enforcement agency to report their hate crime policy to the Department of Justice, as specified.

Summary: Current law requires, no later than January 1, 2018, the State Air Resources Board to approve and begin implementing a comprehensive short-lived climate pollutant strategy to achieve a reduction in statewide emissions of methane by 40%, hydrofluorocarbon gases by 40%, and anthropogenic black carbon by 50% below 2013 levels by 2030. Current law requires the methane emissions reduction goals to include a 50% reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75% reduction by 2025. Current law requires the Department of Resources Recycling and Recovery, in consultation with the state board, to adopt regulations to achieve these organic waste reduction goals, including a requirement intended to meet the goal that not less than 20% of edible food that is currently disposed of be recovered for human consumption by 2025. This bill would require the department to compile and maintain on its internet website a list, organized by ZIP Code, of information regarding persons or entities that produce and have available in the state organic waste products and update the list at least every 6 months.

Summary: The California Coastal Act of 1976 requires any person wishing to perform or undertake any development in the coastal zone, as defined, in addition to obtaining any other permit required by law from any local government or from any state, regional, or local agency, to obtain a coastal development permit, as provided. The act further provides for the certification of local coastal programs by the California Coastal Commission. The act prohibits the commission, except as provided, from exercising its coastal development permit review authority, as specified, over any new development within the area to which the certified local coastal program, or any portion thereof, applies. Current law requires a local government, if it has been delegated authority to issue coastal development permits, to recover any costs incurred from fees charged to individual permit applicants. Current law authorizes the local government to elect to not levy fees, as provided. This bill would, at the request of an applicant, as defined, for a coastal development permit, authorize a city or county to waive or reduce the permit fee for specified projects. The bill would authorize the applicant, if a city or county rejects a fee waiver or fee reduction request, to submit the coastal development permit application directly to the commission.

Summary: Upon declaration of a shelter crisis, current law, among other things, suspends certain state and local laws, regulations, and ordinances, including those prescribing standards of housing, health, or safety to the extent that strict compliance would in any way prevent, hinder, or delay the mitigation of the effects of the shelter crisis. Current law, among other things, exempts from the California Environmental Quality Act specified actions by a state agency or a city, county, or city and county relating to land owned by a local government to be used for, or to provide financial assistance to, a homeless shelter constructed pursuant to these provisions, and provides that homeless shelters constructed or allowed pursuant to these shelter crisis declarations are not subject to specified laws, including the Special Occupancy Parks Act. Current law defines a "homeless shelter" as a facility with overnight sleeping accommodations, the primary purpose of which is to provide temporary shelter for people experiencing homelessness that is not in existence after the declared shelter crisis. Current law provides that a temporary homeless shelter community may include supportive and self-sufficiency development services and that a homeless shelter includes a parking lot owned or leased by a city, county, or city and county specifically identified as one allowed for safe parking by homeless and unstably housed individuals. Current law repeals these provisions as of January 1, 2026. This bill would extend the repeal date of these provisions to January 1, 2030.

1st House				2nd House							

Summary: The Planning and Zoning Law, among other things, provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. Current law requires a permitting agency to act on an application to create an accessory dwelling unit or a junior accessory dwelling unit within specified timeframes. This bill would require a permitting agency to act on an application to serve an accessory dwelling unit or a junior accessory dwelling unit within the same timeframes. The bill would provide that the requirement for a permitting agency to act on an application means either to return in writing a full set of comments to the applicant with a comprehensive request for revisions or to return the approved permit application.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Housing Accountability Act, among other things, prohibits a local agency from disapproving, or conditioning approval in a manner that renders infeasible, specified housing development projects, including projects for very low, low, or moderate-income households and projects for emergency shelters, that comply with applicable, objective general plan, zoning, and subdivision standards and criteria in effect at the time the application for the project is deemed complete, unless the local agency makes specified written findings supported by a preponderance of the evidence in the record. The act authorizes a project applicant, a person who would be eligible to apply for residency in the housing development or emergency shelter, or a housing organization to bring a lawsuit to enforce its provisions. This bill would require a local agency to compile a list of information needed to approve or deny a postentitlement phase permit, as defined, to post an example of an ideal application and an example of an ideal complete set of postentitlement phase permits for the ___ most common housing development projects in the jurisdiction, and to make those items available to all applicants for these permits no later than January 1, 2024. The bill would define "local agency" for these purposes to mean a city, county, or city and county. No later than January 1, 2024, except as specified, the bill would require a local agency to require permits to be applied for, completed, and stored through a process on its internet website, and to accept applications and related documentation by electronic mail until that internet website is established.

1st House				2nd House							

Summary: Current law requires certain transportation planning agencies to prepare and adopt regional transportation plans directed at achieving a coordinated and balanced regional transportation system. Current law requires each regional transportation plan to also include a sustainable communities strategy prepared by each metropolitan planning organization. Current law requires the Strategic Growth Council, by January 31, 2022, to submit a report to the relevant policy and fiscal committees of the Legislature that includes, among other things, an overview of those sustainable communities strategies, an assessment of how implementation of those sustainable communities strategies will influence the configuration of the statewide integrated multimodal transportation system, and a review of the potential impacts and opportunities for coordination of specified funding programs, including the Affordable Housing and Sustainable Communities Program. This bill would require the council, in consultation with the State Air Resources Board, the Department of Housing and Community Development, and the Transportation Agency, to convene a task force to review the roles and responsibilities of metropolitan planning organizations and to define "sustainable community."

Summary: Current law defines a traffic-actuated signal as an official traffic signal, as specified, that displays one or more of its indications in response to traffic detected by mechanical, visual, electrical, or other means. Upon the first placement or replacement of a traffic-actuated signal, as specified, current law requires the traffic-actuated signal to be installed and maintained to detect bicycle or motorcycle traffic on the roadway. This bill would require a traffic-actuated signal to be installed and maintained to have a leading pedestrian interval, upon the first placement or replacement of a traffic-actuated signal. The bill would also require an existing traffic-actuated signal capable of being implemented with remote installation or in-person programming to be programmed with a leading pedestrian interval when maintenance work is done on the intersection in which the traffic-actuated signal is located, if the signal is in a residence, business, or business activity district, a safety corridor, or an area with a high concentration of pedestrians and cyclists, as specified.

Summary: Would deem a housing development project an allowable use on any real property owned by a local educational agency, as defined, if the housing development satisfies certain conditions, including other local objective zoning standards, objective subdivision standards, and objective design review standards, as described. The bill would deem a housing development that meets these requirements consistent, compliant, and in conformity with local development standards, zoning codes or maps, and the general plan. The bill, among other things, would authorize the land used for the development of the housing development to be jointly used or jointly occupied by the local educational agency and any other party, subject to specified requirements. The bill would exempt a housing development project subject to these provisions from various requirements regarding the disposal of surplus land. The bill would repeal its provisions on January 1, 2033.

Location: 4/28/2022-A. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus and other incentives or concessions, as specified, if the developer agrees to construct specified percentages of units for lower income, very low income, or senior citizen housing, among other things, and meets other requirements. Current law requires that an applicant agree to, and the city, county, or city and county ensure, the continued affordability of all very low and low-income rental units that qualified the applicant for a density bonus, as provided. Current law, for developments where 100% of all units are for lower income households, except as provided, requires that rent for 20% of the units be set at an affordable rent and that rent for the remaining units be at an amount consistent with the maximum rent levels for a housing development that receives an allocation of state or federal low-income housing tax credits from the California Tax Credit Allocation Committee (CTCAC). Current law, with respect to a for-sale unit that qualified the applicant for a density bonus, also requires that the local government enforce an equity sharing agreement, as provided, unless it is in conflict with the requirements of another public funding source or law. This bill, with respect to the affordability requirements applicable to 100% lower income developments, would instead require the rent for the remaining units in the development be set at an amount consistent with the maximum rent levels for lower income households, as those rents and incomes are determined by CTCAC.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Safe Neighborhoods and Schools Act, enacted as an initiative statute by Proposition 47, as approved by the electors at the November 4, 2014, statewide general election, requires the theft of money, labor, or property to be considered petty theft, punishable as a misdemeanor, whenever the value of the property taken does not exceed \$950. Current California Supreme Court case law allows the value of property taken pursuant to distinct acts of theft to be aggregated to a single count of grand theft if motivated by one intention, one general impulse, and one plan. Current appellate case law allows the value of property from more than one victim to be aggregated if the thefts were accomplished as a result of one scheme or plan to defraud the victims and a single intent to act. This bill would specify that if the value of the money, labor, real property, or personal property taken exceeds \$950 over the course of distinct but related acts, whether committed against one or more victims, the value of the money, labor, real property, or personal property taken may properly be aggregated to charge a count of grand theft, if the acts are motivated by one intention, one general impulse, and one plan.

1st House				2nd House							

Summary: Current law requires every motor vehicle subject to registration to be equipped with an adequate muffler in constant operation and properly maintained to prevent any excessive or unusual noise and prohibits a muffler or exhaust system from being equipped with a cutout, bypass, or similar device. Current law further prohibits the modification of an exhaust system of a motor vehicle in a manner that will amplify or increase the noise emitted by the motor of the vehicle so that the vehicle exceeds existing noise limits when tested in accordance with specified standards. Current law authorizes a court to dismiss any action in which a person is prosecuted for operating a vehicle in violation of the requirements mentioned above if a certificate of compliance has been issued or if the defendant had reasonable grounds to believe that the exhaust system was in good working order and had reasonable grounds to believe that the vehicle was not operated in violation of the requirements mentioned above. Current law also prohibits a person from modifying the exhaust system of a vehicle with a whistle-tip, operating a vehicle that has been so modified, or engaging in the business of installing a whistle-tip onto the vehicle's exhaust system. This bill would require a court to require a certificate of compliance for a violation of the requirements mentioned above.

Summary: The Mitigation Fee Act requires a local agency that establishes, increases, or imposes a fee as a condition of approval of a development project to, among other things, determine a reasonable relationship between the fee's use and the type of development project on which the fee is imposed. Current law requires a local agency that conducts an impact fee nexus study to follow certain standards and practices, as specified. Current law also requires a local agency to hold at least one open and public meeting prior to levying a new fee or service charge, as specified. This bill would require a local agency, prior to levying a new fee or capacity charge or approving an increase in an existing fee or capacity charge, to evaluate the amount of the fee or capacity charge. The bill would require the evaluation to include evidence to support that the fee or capacity charge does not exceed the estimated reasonable cost of providing service, as specified. The bill would require all information constituting the evaluation to be made publicly available at least 14 days prior to a specified meeting.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The existing Safe Neighborhoods and Schools Act, enacted as an initiative statute by Proposition 47, as approved by the electors at the November 4, 2014, statewide general election, makes the theft of property that does not exceed \$950 in value petty theft, and makes that crime punishable as a misdemeanor, with certain exceptions. The initiative statute defines shoplifting as entering a commercial establishment with the intent to commit larceny while that establishment is open during regular hours, where the value of the property that is taken or intended to be taken does not exceed \$950. The initiative statute requires that shoplifting be punished as a misdemeanor. This bill would amend Proposition 47 by authorizing acts of shoplifting that occur on 2 or more separate occasions within a 12-month period, and the aggregated value of the merchandise taken exceeds \$950, to be punished either by imprisonment in a county jail for not more than one year or by 16 months or 2 or 3 years in a county jail.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law makes agendas of public meetings and other writings distributed to the members of the governing board disclosable public records, with certain exceptions. Current law requires a local agency to make those writings distributed to the members of the governing board less than 72 hours before a meeting available for public inspection, as specified, at a public office or location that the agency designates. Current law also requires the local agency to list the address of the office or location on the agenda for all meetings of the legislative body of the agency. Current law authorizes a local agency to post the writings on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting. This bill would instead require a local agency to make those writings distributed to the members of the governing board available for public inspection at a public office or location that the agency designates and list the address of the office or location on the agenda for all meetings of the legislative body of the agency unless the local agency meets certain requirements, including the local agency immediately posts the writings on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. Current law requires the planning agency of a city or county to provide an annual report to the Department of Housing and Community Development by April 1 of each year that includes, among other information, a housing element portion that includes, as provided, the city or county's progress in meeting its share of regional housing needs and local efforts to remove governmental constraints on the maintenance,

improvement, and development of housing, as specified. This bill would authorize the Department of Housing and Community Development to reject the housing element portion of an annual report if the report is not in substantial compliance with these requirements. If the department rejects the housing element portion of an annual report, the bill would require the department to provide the reasons for the rejection in writing, as specified.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Housing Accountability Act, prohibits a local agency from disapproving a housing development project, as described, unless it makes certain written findings based on a preponderance of the evidence in the record. The act defines "disapprove the housing development project" as including any instance in which a local agency either votes and disapproves a proposed housing development project application, including any required land use approvals or entitlements necessary for the issuance of a building permit, or fails to comply with specified time periods. The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that the lead agency proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if the lead agency finds that the project will not have that effect. This bill would define "disapprove the housing development project" as also including any instance in which a local agency denies a project an exemption from CEQA for which it is eligible, as described, or requires further environmental study to adopt a negative declaration or addendum for the project or to certify an environmental impact report for the project when there is a legally sufficient basis in the record before the local agency to adopt a negative declaration or addendum or to certify an environmental impact report without further study.

Location: 5/5/2022-A. THIRD READING

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit, if the development satisfies specified objective planning standards. Current law authorizes a development proponent to request a modification to a development that has been approved under the streamlined, ministerial approval process if the request is submitted before the issuance of the final building permit required for construction of the development. This bill would prohibit a local government from determining that a development, including an application for a modification, is in conflict with the objective planning standards on the basis that application materials are not included, if the application contains substantial evidence that would allow a reasonable person to conclude that the development is consistent with the objective planning standards.

Summary: The Information Practices Act of 1977 prescribes a set of requirements, prohibitions, and remedies applicable to agencies, as defined, with regard to their collection, storage, and disclosure of personal information, as defined. Current law exempts from the provisions of the act counties, cities, any city and county, school districts, municipal corporations, districts, political subdivisions, and other local public agencies, as specified. This bill would recast those provisions to remove that exemption for local agencies starting January 1, 2024, and include, among other things, genetic information, IP address, online browsing history, and location information within the definition of "personal information" for the act's purposes. The bill would make other technical, nonsubstantive, and conforming changes.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The California Occupational Safety and Health Act of 1973 authorizes the Division of Occupational Safety and Health to prohibit the performance of an operation or process, or entry into that place of employment when, in its opinion, a place of employment, operation, or process, or any part thereof, exposes workers to the risk of infection with COVID-19, so as to constitute an imminent hazard to employees. Current law requires a notice of the prohibition to be posted in a conspicuous location at the place of employment and makes violating the prohibition or removing the notice, except as specified, a crime. Current law requires that the prohibition be issued in a manner so as not to materially interrupt the performance of critical governmental functions essential to ensuring public health and safety functions or the delivery of electrical power, renewable natural gas, or water. Current law requires that these provisions not prevent the entry or use, with the division's knowledge and permission, for the sole purpose of eliminating the dangerous conditions. This bill would extend those provisions until January 1, 2025.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires the State Fire Marshal to prepare, adopt, and submit building standards and other fire and life safety regulations to the California Building Standards Commission for approval establishing minimum requirements for the storage, handling, and use of hazardous materials. Current law requires the State Fire Marshal to seek the advice of the Secretary for Environmental Protection in establishing those requirements. This bill would prohibit the legislative body of a city or county from approving a discretionary entitlement, as defined, that would result in a new residential development project, as defined, being located within a very high fire hazard severity zone, unless the city or county finds that the residential development project will meet specified standards intended to address wildfire risks, as specified, and would provide that these provisions do not limit or prohibit a legislative body of a city or county from adopting more stringent standards.

1st House				2nd House							

Summary: Current law establishes the California Interagency Council on Homelessness to oversee the implementation of Housing First guidelines and regulations, and, among other things, identify resources, benefits, and services that can be accessed to prevent and end homelessness in California. Current law requires the council to create a data system, known as the Homeless Data Integration System, to collect local data through Homeless Management Information Systems with the ultimate goal of matching data on homelessness to programs impacting homeless recipients of state programs. Under existing law, a public agency shall not disclose any personal information in a manner that would link the information disclosed to the individual to whom it pertains except under specific circumstances. Current law also exempts health information and personally identifying information in the Homeless Data Integration System from public inspection or disclosure under the California Public Records Act. This bill would require the council, on or before July 1, 2023, to make data in the Homeless Data Integration System that is not exempt from public inspection or disclosure under state or federal law publicly available through specified means.

1st House				2nd House							

Summary: Current law authorizes the legislative body of a city or county to establish an enhanced infrastructure financing district to finance public capital facilities or other specified projects of communitywide significance that provide significant benefits to the district or the surrounding community. Current law prohibits a city or county that created a redevelopment agency from initiating the creation of an enhanced infrastructure financing district or participating in the governance or financing of an enhanced infrastructure financing district until certain specified events occur, including that the successor agency for the former redevelopment agency created by the city or county has

received a finding of completion, as specified. This bill would, notwithstanding those provisions, authorize the City of Selma to initiate, participate in, govern, or finance an enhanced infrastructure financing district if those specified events have occurred, except the requirement to have received a finding of completion, and if the City of Selma, acting as the successor agency to the former Selma Redevelopment Agency, is in compliance with a settlement agreement it has entered into with the state to resolve any redevelopment agency dissolution issues and payments demanded by the county auditor-controller from the funds of the successor agency for subsequent distribution to taxing entities, as specified.

Summary: Current law requires a city or county to approve administratively applications to install solar energy systems through the issuance of a building permit or similar nondiscretionary permit. Current law requires every city, county, or city and county to develop a streamlined permitting process for the installation of small residential rooftop solar energy systems, as that term is defined. Current law prescribes and limits permit fees that a city or county may charge for a residential and commercial solar energy system. Current law creates the State Energy Resources Conservation and Development Commission (Energy Commission) in the Natural Resources Agency and prescribes its duties, which include administering programs for the installation of solar energy systems. This bill would require every city, county, or city and county to implement an online, automated permitting platform that verifies code compliance and issues permits in real time for a solar energy system, as defined, that is no larger than 38.4 kilowatts alternating current nameplate rating and an energy storage system, as defined, paired with a solar energy system that is no larger than 38.4 kilowatts alternating current nameplate rating.

Summary: The COVID-19 Tenant Relief Act, until October 1, 2025, establishes procedural requirements and limitations on evictions for nonpayment of rent due to COVID-19 rental debt, as defined. Current law, among other things, prohibits a tenant that delivers to a landlord or files with the court a declaration, under penalty of perjury, of COVID-19-related financial distress, as defined, from being deemed in default with regard to the COVID-19 rental debt, as prescribed. This bill would, until January 1, 2025, create a grant program under the administration of the department and would require the department to, among other things, award a program grant, as defined, to a qualified applicant who submits a complete application, as defined, on a first-come, first-served basis, except that the bill would require the program to provide grants to all tier one applicants, as defined, before processing the applications of other applicants, as specified. The bill would define "qualified applicant" to mean a landlord who satisfies certain criteria, including that the landlord has applied for rental assistance funds pursuant to the State Rental Assistance Program and either received a negative final decision, as specified, or the landlord has been notified that an application to the State Rental Assistance Program was submitted, as specified, but 20 days have passed without a final decision being rendered.

Location: 4/26/2022-S. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Would authorize a city, county, city and county, special district, or a combination of any of those entities to form a climate resilience district, as defined, for the purposes of raising and allocating funding for eligible projects and the operating expenses of eligible projects. The bill would deem each district to be an enhanced infrastructure financing district and would require each district to comply with existing law concerning enhanced infrastructure financing districts, unless the district is specified as otherwise. The bill would require a district to finance only specified projects that meet the definition of an eligible project. The bill would define "eligible project" to mean projects that address sea level rise, extreme heat, extreme cold, the risk of wildfire, drought, and the risk of flooding, as specified. The bill would establish project priorities and would authorize districts to establish additional priorities.

Summary: Current law requires the Natural Resources Agency, in collaboration with the Ocean Protection Council, to create, update biannually, and post on an internet website a Planning for Sea Level Rise Database describing steps being taken throughout the state to prepare for, and adapt to, sea level rise. Current law further requires that various public agencies and private entities provide to the agency, on a biannual basis, sea level rise planning information, as defined, that is under the control or jurisdiction of the public agencies or private entities, and requires the agency to determine the information necessary for inclusion in the database, as prescribed. Current law repeals these provisions on January 1, 2023. This bill would extend the sunset date for the above provisions until January 1, 2028.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would require the Public Utilities Commission to establish an expedited utility distribution infrastructure undergrounding program, and would authorize a large electrical corporation, as defined, to participate in the program by submitting to the commission, on or before July 1, 2023, a plan that identifies the eligible undergrounding projects that it will construct as part of the program, including timelines for the completion of those undergrounding projects, as specified. If the commission approves the electrical corporation's plan, the bill would require a telecommunications provider to cooperate with the electrical corporation to underground any of its infrastructure on utility poles that will be removed as part of an undergrounding project, except as specified, require each undergrounding project to fully exhaust all available federal, state, and other nonratepayer moneys before any costs are recovered from ratepayers, and deem each undergrounding project to be an environmental leadership development project for purposes of the Jobs and Economic Improvement Through Environmental Leadership Act of 2021 and a development project for purposes of the Permit Streamlining Act, as specified. The bill would require that an electrical corporation earn a rate of return on its investments or expenditures made pursuant to the program, subject to a performance metric

developed by the commission that would, at a minimum, require the withholding of those earnings until 60 consecutive months have elapsed without either the undergrounding project's infrastructure causing a deenergization event or a wildfire resulting from the undergrounding project's infrastructure.

Location: 4/27/2022-S. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would, until January 1, 2030, exempt from CEQA a university housing development project, as defined, carried out by a public university, as defined, on real property owned by the public university if the project meets certain requirements and the project is not located, in whole or in part, on certain sites, including a site that is within a special flood hazard area subject to inundation by a 1% annual chance flood or within a regulatory floodway as determined by the Federal Emergency Management Agency, as provided. The bill, with respect to a site that is within a special flood hazard area subject to inundation by a 1% annual chance flood or within a regulatory floodway, would prohibit a local government from denying an application on the basis that a public university did not comply with any additional permit requirement, standard, or action adopted by that local government applicable to the site if the public university is able to satisfy all applicable federal qualifying criteria in order to demonstrate that the site meets these criteria and is otherwise eligible to be exempt from CEQA pursuant to the above requirements.

Summary: The California Beverage Container Recycling and Litter Reduction Act defines "nonprofit convenience zone recycler" for its purposes to mean a recycling center that meets one of 2 sets of criteria, one of which is a recycling center that is operated by a nonprofit organization and has operated in the same location for a period of not less than 5 years, that is certified by the department, and that is located within one mile of a supermarket that is in an exempt convenience zone. This bill would revise the criteria for, and expand the above definition of, a nonprofit convenience zone recycler by deleting the requirement that the recycling center operate in the same location for a period of not less than 5 years and allowing the recycling center to be located within 2 miles, rather than one mile, of a supermarket that is in an exempt convenience zone.

Summary: The Planning and Zoning Law, authorizes a local agency, by ordinance or ministerial

approval, to provide for the creation of accessory dwelling units in areas zoned for residential use, as specified. Current law authorizes a local agency to impose standards on accessory dwelling units that include, but are not limited to, parking, height, setback, landscape, architectural review, and maximum size of a unit. This bill would require that the standards imposed on accessory dwelling units be objective. For purposes of this requirement, the bill would define "objective standard" as a standard that involves no personal or subjective judgment by a public official and is uniformly verifiable, as specified.

Summary: Under current law governing the State Community Development Block Grant Program, the Department of Housing and Community Development is required to distribute funds made available under the program in order to provide decent housing, a suitable living environment, and expand economic opportunities, consistent with federal requirements. Current federal law also establishes the HOME Investment Partnership Program to, among other things, expand the supply of affordable housing. Current law designates the department as the state agency responsible for administering the HOME Investment Partnership Act. This bill would prohibit the department from requiring a project-specific transition reserve, as defined, for any unit subject to a qualified project rental or operating subsidy. This bill would create the Pooled Transition Reserve Fund and would continuously appropriate moneys in that fund to the department for the purpose of maintaining a pooled transition reserve to mitigate the impacts on tenant rents from the loss or exhaustion of rental or operating subsidies.

1st House				2nd House							

Summary: The Control, Regulate and Tax Adult Use of Marijuana Act (AUMA), an initiative measure approved as Proposition 64 at the November 8, 2016, statewide general election, authorizes a person who obtains a state license under AUMA to engage in commercial adult-use cannabis activity pursuant to that license and applicable local ordinances. AUMA imposes an excise tax on upon purchasers of cannabis or cannabis products sold in this state at the rate of 15% of the average market price of any retail sale by a cannabis retailer, and a separate cultivation tax on harvested cannabis that enters the commercial market, as specified. Current law requires the California Department of Tax and Fee Administration to administer and collect the taxes. Current law requires revenues from those taxes to be deposited into the California Cannabis Tax Fund, and continuously appropriates that tax fund for specified purposes. This bill would discontinue, beginning on July 1, 2022, the imposition of the cultivation tax, as specified.

1st House				2nd House							

Summary: Current law requires the Ocean Protection Council to, among other things, establish policies to coordinate the collection, evaluation, and sharing of scientific data related to coastal and ocean resources among agencies. Current law establishes the State Coastal Conservancy with prescribed powers and responsibilities for implementing and administering various programs intended to preserve, protect, and restore the state's coastal areas. This bill would require the council, in consultation with the conservancy, to develop the Sea Level Rise Revolving Loan Pilot Program for purposes of providing low-interest loans to local jurisdictions for the purchase of coastal properties in their jurisdictions identified as vulnerable coastal property located in specified communities, including

low-income communities, as provided. The bill would require the council, before January 1, 2024, in consultation with other state planning and coastal management agencies, as provided, to adopt guidelines and eligibility criteria for the program. The bill would authorize specified local jurisdictions to apply for, and be awarded, a low-interest loan under the program from the conservancy, in consultation with the council, if the local jurisdiction develops and submits to the conservancy a vulnerable coastal property plan and completes all other requirements imposed by the council.

Summary: Current law requires every motor vehicle subject to registration to be equipped with an adequate muffler in constant operation and properly maintained to prevent any excessive or unusual noise and prohibits a muffler or exhaust system from being equipped with a cutout, bypass, or similar device. Current law further prohibits the modification of an exhaust system of a motor vehicle in a manner that will amplify or increase the noise emitted by the motor of the vehicle so that the vehicle exceeds existing noise limits when tested in accordance with specified standards. This bill would authorize six unspecified cities to conduct a pilot program using sound-activated enforcement devices to capture vehicle noise levels that exceed the legal limits described above.

1st House				2nd House							

Summary: Current law requires the Department of Housing and Community Development, in consultation with each council of governments, to determine the existing and projected need for housing for each region, and requires the share of a city or county of the regional housing need to include that share of the housing need of persons at all income levels within the area significantly affected by the general plan of the city or county. Current law requires the housing element to identify adequate sites for housing, as specified. Current law allows the department to permit a city or county to substitute up to 25% of its obligation to identify adequate sites for any income category in its housing element if the city or county includes a program that commits the local government to provide units in that income category through the provision of committed assistance during the planning period covered by the element to low- and very low income households at affordable housing costs or affordable rents, as specified. Current law provides that this provision does not apply to any city or county that has not met its share of regional housing needs for low- and very low income households, as specified. This bill would provide that any city or county that has not met its share of regional housing needs for moderate-, low-, and very low income households is not authorized to substitute up to 25% of its obligation to identify adequate sites through a committed assistance program.

1st House				2nd House				Conc.			

Summary: The Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. Current law requires every agenda for regular meetings of a local agency to provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body. Current law authorizes the legislative body to adopt reasonable regulations to ensure that the intent of the provisions relating to this public comment requirement is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. Current law authorizes the members of the legislative body conducting the meeting to order the meeting room cleared and continue in session, as prescribed, if a group or groups have willfully interrupted the orderly conduct of a meeting and order cannot be restored by the removal of individuals who are willfully interrupting the meeting. This bill would authorize the presiding member of the legislative body conducting a meeting to remove an individual for disrupting the meeting.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires the Department of Water Resources, in coordination with the State Water Resources Control Board, and including collaboration with and input from stakeholders, to conduct necessary studies and investigations and authorizes the department and the board to jointly recommend to the Legislature a standard for indoor residential water use. Current law, until January 1, 2025, establishes 55 gallons per capita daily as the standard for indoor residential water use. Existing law establishes, beginning January 1, 2025, the greater of 52.5 gallons per capita daily or a standard recommended by the department and the board as the standard for indoor residential water use, and beginning January 1, 2030, establishes the greater of 50 gallons per capita daily or a standard recommended by the department and the board as the standard for indoor residential water use. This bill would eliminate the option of using the greater of 52.5 gallons per capita daily and the greater of 50 gallons per capita daily, as applicable, or a standard recommended by the department and the board as the standard for indoor residential water use.

Location: 5/5/2022-S. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law prohibits a local authority, as defined, from regulating sidewalk vendors, except in accordance with specified provisions. Current law establishes that a violation of a local authority's sidewalk vending program is punishable only by an administrative fine, subject to an ability-to-pay determination, and rescission of a permit issued to a sidewalk vendor for the term of that permit upon the 4th violation or subsequent violations, as specified. Current law requires a local authority to accept 20% of the administrative fine under specified circumstances. This bill, until January 1, 2026, would authorize a local authority not to make an ability-to-pay determination when assessing an administrative fine and would permit a local authority not to accept 20% of the administrative fine for the 4th violation or subsequent violations within one year of the first violation of the same regulation if the local authority's sidewalk vending program satisfies certain criteria.

Location: 4/26/2022-S. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law prohibits a person from exercising a privilege or performing an act which a licensee may exercise or perform under the authority of a license unless the person has a valid license. Current law prescribes various requirements regarding where alcoholic beverages may be consumed and generally defines a "licensee" to include any person holding a license, a permit, a certification, or any other authorization issued by the department. Current law generally provides that a violation of the Alcoholic Beverage Control Act for which another punishment is not otherwise provided is a misdemeanor. This bill would authorize the issuance of a consumption area permit to a person, in the

City of San Jose, who owns, operates, or manages a privately owned commercial area, which is not itself a premises where alcoholic beverages are sold. The bill would prescribe requirements for the issuance of a consumption area permit and for operations under the permit, which would authorize consumption of alcoholic beverages off the premises where the beverages are sold by on-sale licensees who are without off-sale privileges. The bill would prohibit issuance of the permit to a person licensed to sell alcoholic beverages.

Position

SB 1340 (Hertzberg D) Property taxation: new construction: active solar energy systems and nonqualified active solar energy systems.

Current Text: Amended: 5/9/2022 [html](#) [pdf](#)

Location: 5/5/2022-S. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Constitution generally limits the maximum rate of ad valorem tax on real property to 1% of the full cash value of the property and defines "full cash value" for these purposes as the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. Pursuant to constitutional authorization, current property tax law excludes from the definition of "newly constructed" for these purposes the construction or addition of any active solar energy system, as defined, through the 2023-24 fiscal year. Under current property tax law, this exclusion remains in effect only until there is a subsequent change in ownership, but an active solar energy system that qualifies for the exclusion before January 1, 2025, will continue to receive the exclusion until there is a subsequent change in ownership. This bill would indefinitely extend the exclusion described above, except with respect to nonqualified active solar energy systems, as defined.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law creates the California Interagency Council on Homelessness (council) and requires departments administering state programs created on or after July 1, 2017, to collaborate with the council for the purpose of adopting guidelines and regulations to incorporate core components of Housing First. Current law defines "Housing First" as an evidence-based model that uses housing as a tool, rather than a reward, for recovery and that centers on providing or connecting homeless people to permanent housing as quickly as possible. Under existing law, Housing First providers offer services as needed and requested on a voluntary basis and do not make housing contingent on participation in services. This bill would require a local government entity to provide specified homelessness information for its jurisdiction to the council by January 1, 2025, including expenditures on homelessness programs and efforts provided to homeless persons within its jurisdiction, as well as related information regarding the funding of these services.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law prescribes requirements for the disposal of surplus land by a local agency, as defined. Current law provides that certain dispositions of real property by local agencies are subject to surplus land disposal procedures as they existed on December 31, 2019, without regard to specified amendments that took effect on January 1, 2020, if those dispositions comply with specified requirements and the disposition is completed not later than December 31, 2022. Current law extends the date that the disposition must be completed by to December 31, 2024, for specified properties, including properties related to the Metro North Hollywood Joint Development Project. Current law further extends the dates by which the disposition of property must be completed, as specified, if the disposition of property, the local agency's right or ability to dispose of the property, or a development project for which the property is proposed to be transferred, is the subject of judicial challenge. This bill would extend the date by which the disposition of property must be completed to December 31, 2024, if the property is located in a local agency with a population of over 2,000,000 persons and the local agency has either an option agreement duly authorized by the local agency's governing body to purchase the property from the former redevelopment agency, or an exclusive negotiation agreement with a private entity to develop the subject property for economic development or housing purposes.

1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires the Office of Planning and Research to prepare and develop proposed guidelines for the implementation of CEQA by public agencies and requires the Secretary of the Natural Resources Agency to certify and adopt those guidelines. CEQA requires the office to prepare, develop, and transmit to the secretary for certification and adoption proposed revisions to the guidelines establishing criteria for determining the significance of transportation impacts of projects within transit priority areas, as defined, that promote the reduction of greenhouse gas emissions, the development of multimodal transportation networks, and a diversity of land uses. Current law requires the office to recommend potential metrics to measure transportation impacts, as specified. CEQA authorizes the office to adopt guidelines establishing alternative metrics to the metrics used for traffic levels of service for transportation impacts outside transit priority areas. This bill would require the office, by January 1, 2025, to conduct and submit to the Legislature a study on the impacts and implementation of the guidelines described above relating to transportation impacts. The bill would require the office, upon appropriation, to establish a grant program to provide financial assistance to local jurisdictions for implementing those guidelines.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Political Reform Act of 1974 prohibits an officer of an agency from accepting, soliciting, or directing a contribution of more than \$250 from any party, participant, or a party or participant's agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for 3 months following the date a final decision is rendered in the proceeding, if the officer knows or has reasons to know that the participant has financial interest, as defined. The act also prohibits a party, participant, or participant's agent from making a contribution of more than \$250 to an officer of the agency during the proceeding and 3 months following the date a final decision is rendered. The act defines "agency" for these purposes to mean any state or local government agency, except certain entities, including local government agencies whose members are directly elected by the voters. This bill would remove the exception for local government agencies, thereby subjecting them to the prohibition described above. The bill would extend the prohibition on contributions from 3 to 12 months following the date a final decision is rendered in the proceeding.

Summary: Current law provides that, to the extent resources are available, community mental health services should use a client-centered approach that includes having an identifiable person or team responsible for their support and treatment and having a mental health advocate available to ensure their rights as mental health consumers. Current law also requires each local mental health director to appoint, or contract for the services of, one or more county patients' rights advocates. Under this bill, an individual who lacks supportive housing and mental health services and is otherwise not living safely in the community would have a right to receive (1) mental health services, including inpatient and outpatient care, as specified, and (2) access to supportive services that are needs-based. Under the bill, supportive services would include access to inpatient and step-down treatment beds, a recovery facilitator that would assist with navigation and linkage to appropriate and necessary resources and services for the individual, and Housing That Heals, defined to mean a mental health residential program that meets certain conditions.
