Just a reminder, on Jan 18th you will be taking the annual City Code of Ethics Pledge. You have been subject to this pledge since last year. But now is the time to take heed and honor this pledge, we have eyes and your actions are plain to see, your words are meaningless. Also noticed in this agenda is that the city hall is under emergency meeting requirements where it is closed to the public. Under these guidelines, masks and social distancing are required. YET !!! When it comes to a ribbon-cutting ceremony Kim Carr, Barbara Delgleize, and Natalie Moser stand shoulder to shoulder maskless for a photo opt? (Central Park Playground Photos that are all over Facebook) Why no Trust???? Why a Recall???? Regardless of the outcome of the recall, I make you One Promise, you will be held to the standards of your Oath To Office.
