WHEREAS, the City Council adopted Resolution 2016-59 establishing the Consolidated Comprehensive Citywide Master Fee and Charges Schedule (the "Fee and Charges Schedule"); and,

WHEREAS, the City Council amended the Fee and Charges Schedule pursuant to Resolution No. 2017-28, and further amended the Schedule pursuant to Resolution Nos. 2017-44, 2017-46, 2018-01, 2018-29, 2018-48, 2018-55, 2019-07, 2019-19, 2019-87, 2020-37, 2021-17, 2021-18, 2021-36 and 2021-78; and,

WHEREAS, user and regulatory fees are established by the City Council; and

WHEREAS, in 2016 the City completed a study to identify the cost of providing various user and regulatory fee-related services; and

WHEREAS, from time to time the City has completed additional studies to identify costs of providing specific services and to inform the establishment and adjustment of various user and regulatory fees; and

WHEREAS, the studies examined fee-related services provided by the City, the costs reasonably borne by the City in providing those services, the beneficiaries of those services, and the revenues produced by those paying fees and charges for special services; and

WHEREAS, the City Council finds that providing these services is of special benefit to applicants both separate and apart from the general benefit to the public; and therefore, in the interests of fairness to the general public, the City desires to better recover the costs of providing these services from applicants who have sought or require the City's services by revising its schedule of fees; and

WHEREAS, the City Council hereby finds that the studies along with changes in City costs over the last several years, provide adequate evidence to conclude that the revised fees do not exceed the cost to provide the services for which the fees are charged; and

NOW, the City Council of the City of Huntington Beach does hereby resolve as follows:

SECTION 1. The City Council hereby adopts the fees and charges as set forth in attached Exhibit "A" and incorporated by this reference.

SECTION 2. Fees adopted by this resolution found specifically within the Community Services sections of the Master Fee and Charges Schedule shall become effective on July 1, 2022. All other fees adopted by this resolution shall become effective sixty (60) days after adoption.
