

90-day Plan: Improving Homeless Services to Our Community

March 21, 2023

Identified Areas of Improvement

Audit our Programs

- Review compliance with existing services contracts
- Identify a Case Management System to assist in data collection
- Explore the feasibility of utilizing an outside consultant to evaluate our programs and provide recommendations

• Improve Communications with our Community

- Update City's Homeless Solutions website
 - o Provide lists of available community resources
 - Provide accountability of funding for programs
- Fund overtime for Police HTF Officers to engage local business owners and community members with a goal of contacting at least 200 businesses.

Focused Outreach and Enhanced Case Management

- Fund overtime to Social Workers to engage individuals experiencing homelessness or atrisk of becoming homeless
- Participate in collaborative case conferencing with Mercy House staff

• Personnel Management

- Reclassify the vacant Homeless and Behavioral Health Services Director position to a manager position, and initiate recruitment
- Fill the vacant Social Services Supervisor position, which is fully funded in the FY22-23 operating budget.
