Subject: City of HB Central Library Medium Voltage Switchgear Repair & Temporary Equipment

Dear Corey,

Snowden Electric Company is pleased to submit an electrical Rough Order of Magnitude for your review. The scope of the work was based on information given during 4/17/2 site walk and testing results.

Scope Of Work:

- Provide MV contractor to disconnect and remove West side MV switchgear (2 MV interrupter switches & transformer).
- Provide labor to load and haul away West side MV equipment.
- Provide labor to disconnect & remove 250 MCM 5KV cable from Goldenwest area to West MV switchgear.
- Provide MV contractor to disconnect East side unit -sub and load it on to an HB city truck.
- Supply and install rental MV equipment for the West area (to feed existing 1600-amp 480-volt Library load).
- Supply and install rental MV equipment for the East area (to feed existing 1200-amp 480-volt Library load).
- Supply and install new 250MCM 15KV cable from Goldenwest sub-station to West MV temporary switchgear.
- Provide labor to terminate MV feeders at sub-station with appropriate terminations.
- Provide labor to terminate MV feeders (250MCM) at West temporary rental MV switchgear with appropriate terminations.
- Provide labor to make all necessary connections for temporary West side rental MV switchgear.
- Provide labor to temporary terminate PV feeders on 1600-amp library load.
- Provide labor to terminate existing 1/0 5KV feeders in West side temporary rental MV switchgear.
- Provide labor to terminate existing 1/0 5KV feeders in East side temporary rental MV switchgear.
- Provide labor to make all necessary connections for temporary East side rental MV switchgear.
- Provide to make all other required terminations & connection to re-energize both library loads.
- Provide rental MV equipment for a 1-month period.

ROM Price.....\$342,800.00

(Three Hundred Forty-two Thousand Eight Hundred Dollars and No/100)

MV RENTAL EQUIPMENT:

- Supply above noted rental MV equipment for 11-months.

Price.....\$189,750.00

(One Hundred Eight-nine Thousand Seven hundred Fifty Dollars and No/100)

Note:

- Every month beyond 12-Months there will be a monthly charge of \$17,250.00 per month until the rental equipment is removed.

Clarifications:

- Permits and fees are not included
- Engineered electrical drawings not part of proposal.
- All work performed during normal & off hours.

- All labor CA certified.
- All cutting, patching, and painting by others if required.
- All required temporary fencing provided by the city of HB if required.
- Startup of library equipment will be by HB personnel.
- The price does not include any other work than what is mentioned above.

Future Pricing:

- New MV switchgear for the West & East sides will be priced up later once the scope of work & design is developed and approved.
- Replacement of 1/0 5KV cable will be priced up later once the footage is established and verified.

Thank you for this opportunity to be of service. If you should have any questions with this proposal, or the scope of work please contact our office at your convenience.

Sincerely,
Snowden Electric Company
