SECTION VII – MISCELLANEOUS

A. Collection of Payroll Overpayments

In the event that a payroll overpayment is discovered and verified, and considering all reasonable factors including the length of time that the overpayment was made and if and when the employee could have reasonably known about such overpayment, the City shall take action to collect from the employee the amount of overpayment(s). Such collection shall be processed by payroll deduction over a reasonable period of time considering the total amount of overpayment.

In the event the employee separates from employment during the collection period, the final amount shall be deducted from the last payroll check of the employee. If applicable, the balance due from the employee shall be communicated upon employment separation if the last payroll check does not sufficiently cover the amount due the City.

It shall be the responsibility of the employee and the City to periodically monitor the accuracy of compensation payments or reimbursements due to the possibility of a clerical oversight or error. The City reserves the right to also collect compensation overpayments caused by or the result of misinterpretation of a pay provision by non-authorized personnel. The interpretation of all pay provisions shall be administered by the City Manager or designee and as adopted by the City Council. Unauthorized compensation payments shall not constitute a past practice (1/03/05).

EXHIBIT 2 RETIREE MEDICAL PLAN

An employee who has retired from the City shall be entitled to participate in the City sponsored medical insurance plans and the City shall contribute toward monthly premiums for coverage in an amount as specified in accordance with this Plan, provided:

- A. At the time of retirement the employee has a minimum of ten (10) years of continuous full time City service or is granted an industrial disability retirement; and
- B. At the time of retirement, the employee is employed by the City; and
- C. Following official separation from the City, the employee is granted a retirement allowance by the California Public Employees' Retirement System.

The City's obligation to pay the monthly premium as indicated shall be modified downward or cease during the lifetime of the retiree upon the occurrence of any one of the following:

- 1. On the first of the month in which a retiree or dependent reaches age 65 or on the date the retiree or dependent can first apply and become eligible, automatically or voluntarily, for medical coverage under Medicare (whether or not such application is made) the City's obligation to pay monthly premiums may be adjusted downward or eliminated. Benefit coverage at age 65 under the City's medical plans shall be governed by applicable plan document.
- 2. In the event of the death of any employee, whether retired or not, the amount of the retiree medical insurance subsidy benefit which the deceased employee was receiving at the time of his/her death would be eligible to receive if he/she were retired at the time of death, shall be paid on behalf of the spouse or family for a period not to exceed twelve (12) months.

D. Schedule of Benefits

1. Minimum Eligibility for Benefits

With the exception of an industrial disability retirement, eligibility for benefits begins after an employee has completed ten (10) years of continuous full time service with the City of Huntington Beach. Said service must be continuous unless prior service is reinstated at the time of his/her rehire in accordance with the City's Personnel Rules. Employees hired on or after December 1, 2009 shall not be eligible for this benefit.

2. Disability Retirees

Industrial disability retirees with less than ten (10) years of service shall receive a maximum monthly payment toward the premium for health insurance of \$121. Payments shall be in accordance with the stipulations and conditions, which exist for all retirees. Payment shall not exceed dollar amount, which is equal to the full cost of premium for employee only.

3. Marital Status – Married retirees eligible for benefits under the Retiree Medical Subsidy Plan may each receive the benefit earned pursuant to Section 4 –

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

4. Maximum Monthly Subsidy Payments

Payment amounts may be reduced each month as dependent eligibility ceases due to death, divorce or loss of dependent child status. However, the amount shall not be reduced if such reduction would cause insufficient funds needed to pay the full premium for the employee and the remaining dependents. In the event no reduction occurs and the remaining benefit premium is not sufficient to pay the premium amount for the employee and the eligible dependents, said needed excess premium amount shall be paid by the employee.

All retirees, including those retired as a result of disability whose number of years of service prior to retirement, exceeds ten (10) years of continuous full time service, shall be entitled to maximum monthly payment of premiums by the City for each year of completed City service as follows:

This work schedule is known as "9/80". The 9/80 work schedule is designed to be in compliance with the requirements of the Fair Labor Standards Act (FLSA). In the event that there is a conflict with the current rules, practices and/or procedures regarding work schedules and leave plans, then the rules listed below shall govern.

The pay period for employees starts Friday mid-shift (p.m.) and continues for fourteen (14) days until Friday mid-shift (a.m.). During this period, each week is made up of four (4) nine (9) hour work days (thirty-six (36) hours) and one (1) four (4) hour Friday and those hours equal forty (40) work hours in each work week (e.g. the Friday is split into four (4) hours for the a.m. shift, which is charged to work week one and four (4) hours for the p.m. shift, which is charged to work week two).

C. A/B Schedules

To continue to provide service to the public every Friday, employees are to be divided between two schedules, known as the "A" schedule and the "B" schedule, based upon the departmental needs. For identification purposes, the "A" schedule shall be known as the schedule with a day off on the Friday in the middle of the pay period, or, "off on payday", the "B" schedule shall have the first Friday (p.m.) and the last Friday (a.m.) off, or "working on payday". EXHIBIT 4 - VOLUNTARY CATASTROPHIC LEAVE DONATION

Guidelines

1. Purpose

The purpose of the voluntary catastrophic leave donation program is to bridge employees who have been approved leave time to either return to work, long-term disability, or medical retirement. Permanent employees who accrue vacation, general leave or compensatory time may donate such leave to another permanent employee when a catastrophic illness or injury befalls that employee or because the employee is needed to care for a seriously ill family member. The leave-sharing Leave Donation Program is Citywide across all departments and is intended to provide an additional benefit. Nothing in this program is intended to change current policy and practice for use and/or accrual of vacation, general, or sick leave.

2. Definitions

Catastrophic Illness or Injury - A serious debilitating illness or injury, which incapacitates the employee or an employee's family member.

Family Member - For the purposes of this policy, the definition of family member is that defined in the Family Medical Leave Act (child, parent, spouse or domestic partner).

3. Eligible Leave

Accrued compensatory, vacation or general leave hours may be donated. The minimum donation an employee may make is two (2) hours and the maximum is forty (40) hours.

4. Eligibility

Permanent employees who accrue vacation or general leave may donate such hours to eligible recipients. Compensatory time accrued may also be donated. An eligible recipient is an employee who:

- Accrues vacation or general leave;
- Is not receiving disability benefits or Workers' Compensation payments; and
- Requests donated leave.

5. Transfer of Leave

The maximum donation credited to a recipient's leave account shall be the amount necessary to ensure continuation of the employee's regular salary during the employee's period of approved catastrophic leave. Donations will be voluntary, confidential and irrevocable. Hours donated will be converted into a dollar amount based on the hourly wage of the donor. The dollar amount will then be converted into accrued hours based on the recipient's hourly wage.

An employee needing leave will complete a Leave Donation Request Form and submit it to the Department Director for approval. The Department Director will forward the form to Human Resources for processing. Human Resources, working with the department, will send out the request for leave donations.

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

Employees wanting to make donations will submit a Leave Donation Form to the Finance Department (payroll).

All donation forms submitted to payroll will be date stamped and used in order received for each bi-weekly pay period. Multiple donations will be rotated in order to insure even use of time from donors. Any donation form submitted that is not needed will be returned to the donor.

6. Other

Please contact the Human Resources Department with questions regarding employee participation in this program.
