Hello:

I am writing to express both my support and enthusiasm for Stephanie Green. She has been nominated to the above referenced position.

As a friend and neighbor, I have witnessed firsthand the tireless dedication Stephanie has shown to her community. She is always looking for ways to increase the visibility of kid's programs in the city, and she has been a longtime leader with the Ocean View Little League.

I am hopeful that the City Council will approve her nomination.

Thank you very much!

To whom it may concern,

I would like to let the council know that I wholeheartedly recommend Stephanie Seevers Green to be a member of the Huntington Beach Community Services Board. We are neighbors and our children are about the same age. I have witnessed Stephanie's involvement and dedication to many youth organizations over the years whether it be through the schools or sports organizations. She always gives 110% in any role she takes on and always has our children's best interests at heart. She would excel in this role.

Thank you for your time,

Mary E. Williams

I just wanted to send a quick note to recommend Stephanie Green for HB Community Services Board. My husband and I have known Stef and Bjorn, her husband, for many years. Our children have grown up together playing in several sports leagues and attending the same Ocean View Schools. She has always been an advocate for the children of our city. She, along with my husband served on the Ocean View Little League board for many years and always worked very well together. She is open minded and community involved. I feel she would be a welcome addition to any board in the City of Huntington Beach.

Dear City Council Board Members,

I've known Stephanie Green for nearly 12 years and can't say enough positive things about this Huntington Beach resident. Stephanie has been a pillar in our community serving and working with kids of all ages. I've worked for her and along side her in our local Ocean View Little League. Stephanie has been a dedicated community volunteer serving our youth with pride, dedication and total commitment. As president of our little league, Stephanie managed to govern our league with dignity and 100% commitment. Her efforts and work ethic are unmatched. She was always thoughtful when it came to the financial state of the league and was frugal with the leagues money considering the best possible options. She was never wasteful and thought of resourceful options whenever possible.

I believe Stephanie will be an positive asset if chosen for the Huntington Beach Community Services Board. She will represent our community with the highest level of responsibility taking into consideration the citizens of our Huntington Beach community.

Please feel free to call me if you should have any questions or concerns.

Sincerely yours,

To whom it may concern,

I highly support the nomination of Stephanie Green for our HB Community Service board. She is a mom of two great boys, served on other boards such as oceanview little league, she is smart, committed, well spoken and truly cares about our community. I am proud to know and be friends with her and hope that you will get to know her too. I think this could lead to more great things for the city and community.

Thank you,

Subject: Community Services Commission member nomination

Dear Council Members,

I would like to voice my support for Stephanie Green being appointed to the Community Services Commission. I have known her for over 12 years and have been impressed with her willingness to volunteer with youth groups, school groups and be involved in community based activities. When I was President of Ocean View Little League, Stephanie served on the Board of Directors and could always be counted on to assume a leadership role and to put the kids first in her decision making. Her years as President of Ocean View Little League would have given her the experience in dealing with local school districts and the City Recreation Department on facility usage issues that will prove beneficial in this position.

As a long time resident and business owner in Huntington Beach I cannot think of anyone I would rather have providing input on our Community Services than Stephanie Green.

Subject: Stephanie Green - Community Services Commission

City Council members:

It is my privilege to endorse and commend to you STEPHANIE GREEN as the Ocean View School District representative on the Community Services Commission for the upcoming year. You will be voting on that appointment as Item 10 in the Consent Calendar portion of your Monday evening meeting.

I have known my good friend Stephanie for about ten years, socially and in connection with all of her volunteer work with the OVSD, where her endeavors strive always for the betterment of the students, and their teachers and classrooms. One of her greatest quests (and probably one that will never be completed) is her passion for park and playground development and maintenance, which is key to a successful Community Services Commission. She continually advocates for the motto, "Parks Make Life Better," and, I might add, for a motto that playgrounds make life better for kids. In her volunteer work with the District, she became something of an expert on the "pocket parks," which are an important component of our City's park system.

Paramount in my list of local governmental concerns is fiscal responsibility and public finances. As friends, she and I have had many discussions around the topic of "but where will the money come from?" and I can assure you she is very fiscally conservative.

Over the years I have watched her as she served on various committees, and have admired how well she works with others, often bringing fresh perspectives to the issue at hand. She is quick to identify the core of a challenge, and to offer reasoned solutions. Give Stephanie a task, and consider it done.

Personally, she is charming, engaging, empathetic, and always with a great sense of humor. Stephanie manages to foster positive discussions, and brings the best out of those with whom she interacts.

With her background, institutional knowledge, experience, and "people" skillset, your consideration for Stephanie's appointment to this important Commission is very well placed.

Sincerely,

Gino J. Bruno
