PROFESSIONAL EXPERIENCE

Over 30 years in building large dental group practices. My area of expertise was heading up the information technology area of the business. The last "start-up" started in the early 2000's and we ended up building a dental group in multiple states with 700 offices and revenues at about one billion annually at the time of my retirement. My role was CIO with over 50 employees in the IT department and an annual budget in excess of \$25 million that I oversaw.

SPECIAL KNOWLEDGE OR SKILLS

Good with IT. For the air traffic noise working group I setup the online petition, the website, twitter and facebook pages to help the cuase. I'd like to point out that I attended all but one of the air traffic noise meeting due to being sick that date. Very dependable.

CIVIC AND/OR SERVICE MEMBERSHIPS

CIVIC INTERESTS

Intrested in helping with our environment here in HB. I've seen alot of changes in all my 50 plus years. As an avid walker, we walk all areas of the city and I know it very well. Typical walk for us is 10 to 20 miles and this allows us to see all areas of the city, from the beach areas to the parks to the back streets.

HOW WILL YOUR QUALIFICATIONS BEST SERVE THE NEEDS OF THE COMMUNITY?

Like I memtioned, being an avid walker (urban hiker) I know this city very well. And being a resident longer than most, I can make sure that I do my part to help leave HB nicer than it ever was for me.

WHY DO YOU WISH TO SERVE ON A VOLUNTEER CITIZEN'S BODY?

To help all I can. Spread the word on what residents need to know about our environment and what's being done to protect it, enhance it and keep our city beautiful, clean and welcoming to all that come to enjoy our beaches and commuity. We have a special place here in OC and need to protect it. I can be a dependable person on this board for sure!
