* We do not currently assess these fees. They are in place if anything happens to the California Massage Therapy Council (CAMTC) and the City went back to regulating the industry

** CAMTC currently charges \$150.00

^[1] Per Municode section 5.24.010, "Massage Therapist" is defined as someone who maintains a current CAMTC certificate. Should CAMTC ever cease its operations due to AB 2194 not being renewed, cities that currently only allow CAMTC certified applicants can revert back to charging their own independent fees.
