SPECIAL KNOWLEDGE OR SKILLS

CIVIC AND/OR SERVICE MEMBERSHIPS

Member/Chairman, California Boating and Waterways Commission; Member Marine Safety Group, Office of Oil Spill Prevention and Response, California Department of Fish and Wildlife; Chairman, California Safe Boating Foundation.

CIVIC INTERESTS

I am interested in assisting charitable efforts to aid our first responders. I also make my boat available for civic functions when asked--e.g., my boat was the center boat in the air show for the past two years. I am especially interested in seeing that our harbor is clean, safe and friendly for residents, boaters and guests who come to our city to marvel at and use the resources of our harbor and beaches. Above all, I am interested in good government--making government efficient while serving the needs of our residents--
a subject I have taught in my classes for several decades

HOW WILL YOUR QUALIFICATIONS BEST SERVE THE NEEDS OF THE COMMUNITY?

Because of my experience in state and private organizations associated with safe boating, the maintenance of our harbors, the protection of our natural resources, and making our harbor and beaches user friendly, I believe I can bring a dimension of experience and knowledge to the task of being a member of the Harbor Commission. For years I advocated for the creation of this commission and am delighted that it has finally arrived.

WHY DO YOU WISH TO SERVE ON A VOLUNTEER CITIZEN'S BODY?

Because I have advocated for the creation of a harbor commission for several decades, I believe I can bring my experience and knowledge of harbor safety and maintenance to the Commission as it launches this year. Unpaid, volunteer commissions can provide much useful information and advice to decision makers, a function I feel I can fulfill and will enjoy.

It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.

Additional information concerning a particular commission, board, committee, or task force or the application process is available through the staff support department identified above. General questions can be directed to Cathy Fikes, (714) 536-5553.
