Present: Peter Andres, Shelly Grace-Bowers, Chris Byrne, Shayna Lathus, and Mike Massie (arrived at 4:02 PM)
Absent: Dr. Paul Morrow, and Donna Traversi

Deputy Director of Economic Development Kellee Fritzal and Shelly Grace-Bowers jointly presented a PowerPoint communication entitled: *Citizen Participation Advisory Board (CPAB) 2019-20 Recommendations* with slides titled: *Estimated HUD Allocations 2019-20, CDBG Allocation Process,*

Councilmember Delgleize confirmed with Director Fritzal that Code Enforcement has the same allocation as last year.

Councilmember Posey and staff discussed that a report and presentation by StandUp For Kids resulted in their award being doubled this year based on their success last year.

Mayor Pro Tem Semeta expressed her disappointment at the reduction for Homeless Outreach in the Police Department. Staff explained reduction amounts by category. Mayor Pro Tem Semeta asked that the allocation remain the same as last year for this group.

Councilmember Brenden asked that the allocation for Homeless Outreach in the Police Department be the same as last year, and confirmed with Director Fritzal that Administration of Housing/Code Enforcement is projected to be the same as last year. Director Fritzal explained that staff is working with the Department of Housing and Urban Development (HUD) on how to best utilize funds, and described Administration costs as staff time, consultants, monitoring and audits.

Councilmember Carr confirmed with Director Fritzal that HUD funds have not yet been actually allocated, so the numbers in the report are really just estimates at this time. Director Fritzal confirmed that a final payment of \$220,000 to the Section 108 Loan may result in available funds next year, and described the final process to approve fund allocation via public hearing.

Councilmember Hardy stated her support for the previous comments by Mayor Pro Tem Semeta and Councilmember Brenden that allocations for Homeless Outreach in the Police Department should stay the same as last year until an increase in funds is confirmed/received.

Councilmember Delgleize voiced her support for keeping the numbers the same as last year, at least until actual amounts are available.

Councilmember Posey shared that in his opinion the homeless cycle can be impacted by reaching at-risk and homeless youth to hopefully prevent them from becoming homeless as adults.

Mayor Peterson clarified that in his opinion the funding increase for StandUp For Kids should be maintained, and other categories need to be reduced so that the Homeless Outreach in the Police Department can be funded at the same level as last year.
