Dear Coast Members in Huntington Beach,

We want you to know that during **Monday evening's (April 1) City Council Meeting**, the Council will be considering whether to move forward with a **proposed shelter for folks in Huntington Beach experiencing homelessness**. The League of Women Voters of Orange Coast has written a letter to the council in favor of establishing the shelter (attached).

If you support having the shelter:

- We hope that you will attend the meeting and speak in favor of it - there are sure to be opponents and the city needs to know that there are folks who support having a shelter.
- If you cannot attend, we hope that you will email the council. See here for **contact information**: https://www.huntingtonbeachca.gov/government/elected_officials/city_council/
- If you speak, it is OK to say that you are a League member and know that the League has also written the council in support of the proposed shelter.

If you do not support the shelter, you are, of course, also free to express your opposition, but please remember that League members may not oppose a League position while identifying themselves as League members - the League speaks with one voice.
