Subject: Proposed residential permit Tucana Drive

Robert,

I received your letter! Thank you! We reside at 6932 Tucana Drive. This is music to my ears. Our street is short, and it is off of Golden west. People park along this street all day long, and sometimes for several days. There are apartments near this street, and some Asian dental offices, I think? So people use Tucana as a place to park all the time, and us residences can't park on our own street. I see people parking in front of my house all the time, to walk to the apartments and return to their vehicle several days later. My husband owns his own company, Bentley Painting, and all the neighbors are super respectful and know never to park in "his spot," which is along the side walk right in front of our house.. but outsiders do so all the time, requiring him to come home from work, and park on a totally different street, and walk.

If this permit is approved, we would be elated!!

Thank you,
