FINDINGS AND CONDITIONS OF APPROVAL

CONDITIONAL USE PERMIT NO. 19-006

FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301 of the CEQA Guidelines, because the project involves no expansion in the overall floor area of an existing restaurant.

FINDINGS FOR APPROVAL - CONDITIONAL USE PERMIT NO. 19-006:

1. Conditional Use Permit No. 19-006 to allow the sales, service, and consumption of beer and wine (ABC Type 41 License) within an existing 2,176 sq. ft. restaurant and 1,248 sq. ft. outdoor patio will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood because the proposed sales, service and consumption of beer and wine, as conditioned, will not generate noise, traffic, demand for parking or other impacts as the use is primarily a restaurant and the sales, service, and consumption of beer and wine will be an ancillary part of the restaurant use. The sale, service and consumption of alcohol will occur entirely within the existing restaurant and 1,248 sq. ft. outdoor patio. The restaurant is located within a public park (Central Park). The nearest residential use is located approximately 300 ft. to the west and is buffered by the park, a parking lot, and a public street (Lakeview Dr.). The entrance of the restaurant and patio is oriented west toward Central Park, away from residential uses. The sales, service, and consumption of beer and wine is not permitted in the patio area between the hours of 10:00 PM and 7:00 AM to ensure any potential impacts to surrounding uses are minimized. As such, impacts to the residential uses are not anticipated.
2. The granting of Conditional Use Permit No. 19-006 to allow the sales, service, and consumption of beer and wine (ABC Type 41 License) within an existing 2,176 sq. ft. restaurant and 1,248 sq. ft. outdoor patio will not adversely affect the General Plan. It is consistent with the Land Use Element designation of OS-P (Open Space – Park) on the subject property. In addition, it is consistent with the following objective and policies of the General Plan:

A. Land Use Element

Goal LU-11: Commercial land uses provide goods and services to meet regional and local needs.

Policy LU-11.A: Encourage a variety of commercial uses that cater to local and regional demand to create an environment that meets resident needs and increases the capture of sales tax revenues.

Policy LU-11.B: Encourage new businesses to locate on existing vacant or underutilized commercial properties where the properties have good locations and accessibility.

The request to allow beer and wine sales within an existing 2,176 sq. ft. restaurant and 1,248 sq. ft. outdoor patio provides expanded goods and services to meet the needs of the community and regional area and will add to the capture of sales tax revenue. The proposed use is located in an existing restaurant and the consumption of beer and wine will be an ancillary part of the use. The nearest residential use is located approximately 300 ft. to the west and is buffered by the park, a parking lot, and a public street (Lakeview Dr.). The entrance of the restaurant and patio is oriented west toward Central Park, away from residential uses.

3. The proposed conditional use permit to allow the sales, service, and consumption of beer and wine (ABC Type 41 License) within an existing 2,176 sq. ft. restaurant and 1,248 sq. ft. outdoor patio will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance (HBZSO). The proposed eating and drinking establishment is permitted subject to a Conditional Use Permit within the OS-PR (Open Space – Parks and Recreation Subdistrict) zoning district pursuant to Section 213.06 of the HBZSO. The sales, service, and consumption of beer and wine will be an ancillary use of an established restaurant building that conforms to applicable site development standards in terms of minimum parking, minimum yard setbacks, minimum landscaping, and maximum floor area ratio.
