HOW WILL YOUR QUALIFICATIONS BEST SERVE THE NEEDS OF THE COMMUNITY?

My experience in managing all aspects of the personnel function: contract negotiations, pensions, grievances/arbitration, staffing/recruiting/succession planning, workers compensation, etc. at Fortune 50 corporations will be a valuable resource for the Huntington Beach City Council, staff and residents as they develop strategic policies regarding workforce development and needs analysis to serve the residents.

WHY DO YOU WISH TO SERVE ON A VOLUNTEER CITIZEN'S BODY?

I believe there needs to be a balance between the needs of the employees and the residents of Huntington Beach. That balance is what maintains our quality of life. I believe that my appointment to the Personnel Commission, as I serve at the pleasure of the City Council, will achieve that goal. Together we can 'Make Huntington Beach Great Again'.

It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.

Additional information concerning a particular commission, board, committee, or task force or the application process is available through the staff support department identified above. General questions can be directed to Cathy Fikes, (714) 536-5553.
