Rodgers Seniors' Center Site Master Plan

Why We are Here

- The City Council directed the CS Dept. to work with the CS Commission through a public input process to determine appropriate uses for the parcel, including opportunities for:
 - Open Space
 - Park Amenities
 - Dedicated Veterans' Memorial Hall

Why We are Here (Cont.)

- 2006 Ballot Measure T passes authorizing placement of centrally located senior center in Central Park. Ballot language from those in favor of Measure T stated "An added benefit is returning the existing senior center to all downtown residents use."
- 2016 New Senior Center in Central Park opens to community on July 10th.

-										
	GROUP 1	GROUP 2	GROUP 3	GROUP 4	GROUP 5	GROUP 6	GROUP 7	GROUP 8	GROUP 9	GROUP 10
	Needs of community will never be fulfilled	Poorly maintained	Safe place for our kids to play	Green space	No housing – Don't let City sell	(Same as likes) A.L. Home	Keep it public (not sold to developer) Make it a park	Foot dragging & lack of commitment to a plan	Community not interacting	Vacant - Under used
	Underutilized	<u>Safety</u> / Bar nearby	The City of HB is <u>not</u> listening	Worried special interests will commandeer	Maintain public (community) ownership	(Same as likes) Parking	<u>Lack of Green</u> Green Belt	Renovation or reconstruction of facility	Risk/ <u>fear of</u> <u>sale and</u> <u>development</u>	Safety Concern - Lack of lighting
	Timeline	Maintaining the area	The City Council is not acting moral	Should be multipurpose	<u>Maintain</u> property	(Same as likes) Central location	Afraid of building high rise	Keeping the City commitment to the Legion for a home	Lack of green space (exercise, recreation)	Sold for commercial high-density housing
									Compromise Challenges

Topic #2B

What could be done to address these issues or concerns at the Rodgers Seniors' Center site?

GROUP 1	GROUP 2	GROUP 3	GROUP 4	GROUP 5	GROUP 6	GROUP 7	GROUP 8	GROUP 9	GROUP 10
Make a commitment	<u>Refurbish</u>	Honor the promise of retuning our park	First determine use	No selling property	(Same as dislikes) Not permanent A.L.	<u>Don't sell it</u>	Transparency in meeting notices and public input	Provide site allowing for interaction in variety of ways	More lighting at night
Remove old structures, most asphalt and storage	Maintain area/ bldg	City Council needs to promise in writing - <u>not</u> sell to developer	Get more community input	Left Blank	(Same as dislikes) Ugly for my eyes – Traffic – Containers	Allocate funds for improvements	Force a decision on fate of property to secure funding	Keep site public to be used by people	Place to be multi- functional space for community
Identify budget	Patrol area and bar	CC needs to listen to local residence and act in support	Choose green for our future	Better maintenance	(Same as dislikes) Underutilize	No buildings Keep housing ordinance low rise buildings	Codify a promise to the Legion in writing	"Abide by Agreement" Provide the park people want	Need a budget - City to allocate
								Work towards collaborating solution/vote
