DATE: NOVEMBER 20, 2019

The **Wastewater Supervisor** job classification is assigned to the Public Works Department and represented by the Huntington Beach Management Employees Organization (MEO).

Modifications to the **Wastewater Supervisor** job specification are recommended to: 1) update the job duties and certification language 2) incorporate language regarding participation in the DMV Employer Pull Notice program and 3) include language stating the obligation to work as a Disaster Service Worker when necessary. The requested modifications are intended to update the classification to reflect the present hiring standards and do not materially change the fundamental nature of the work performed. The current pay grade remains the same.
