To: City Council / Study session 02/18/2020,

I am emailing you to express my strong support to **return** the Rodgers Senior site formerly known as 17th St Park to its previous use as a downtown neighborhood park.

Subject: CC Study Session 02-18-2020

I am writing to express my support for a park on the site of the former Rodgers Senior Center.

As proposed, the plan will give the American Legion a home and the neighborhood a green open space park. I expect there may be some minor changes the draft plan, but I am confident that the final result will meet the expectations of all the stakeholders.

thank you,
Barbara Robinson
