Subject: Public Art Master Plan

Dear City Council:

I have read the draft of the Huntington Beach Public Art Master Plan and I urge you to adopt this plan.

Personally, I am an avid fine art photographer and an amateur painter. These activities enrich my life on a daily basis.

"Art for the People" energizes and engages the public in so many ways. Art is inspirational, a conversation starter, art plants the seeds of creativity, awakens our curiosity, challenges our beliefs and enhances the beauty of our physical space. This city needs a public art plan that we can follow as we continue to evolve into a world class travel destination.

Thank you for this opportunity to comment. Were it not for our present pandemic circumstances, I would be addressing you in person at the City Council Meeting on 3/16/20.

Sincerely,
