AGENDA COMMENT

Dear City Council,

Our officers have done an outstanding job patrolling and making sure we are safe during this time. I believe you will be voting on pay raises for our officers today. They have done a lot to keep all of us safe and as a tax payer in this city I support a pay raise for them.

Sincerely,
Amanda Abrego

Subject: In support of the police contract

AGENDA COMMENT

I strongly support the police contract. These are first responders on the front lines, and they deserve support. The cost of losing employees to other agencies with better pay and benefits will continue to get worse without this new contract.

Thank you for your time,
- Roman Altenbach

AGENDA COMMENT

Dear Mayor and City Councilmembers,

It has come to my attention that the City of Huntington Beach has reached tentative contract agreements with the Huntington Beach Police Officers Association and Huntington Beach Management Employees Organization.

I am informed that these tentative agreements were negotiated over an extended period of time and with both sides making concessions. We are in the midst of a pandemic and many of these dedicated public servants are on the front lines of this crisis. Delaying this process now may serve to impact the morale of those who we rely upon each and every day. I encourage you to continue to support our working men and women.

Thank you.

*Thomas J. Umberg

Subject: Supporting first responders

AGENDA COMMENT

We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.

AGENDA COMMENT

To the Huntington Beach Mayor, City Council and Staff:

I represent hundreds of peace officers and public safety members (fire fighters, office of emergency services, park ranges, lifeguards, 911 dispatches and more) who live in Orange County. And over 7,000 statewide.

As chair of the Orange County Coalition of Police and Sheriffs (OC Cops) and as a former Deputy Sheriff and current Department of Justice Special Agent: All of our members who live and work in your city and Orange Country rise in strong to support of the collective bargaining agreement you have before you tonight.

We all strongly support our first responders and those on the front lines, risking exposure to themselves and their families – namely your rank and file Huntington Beach Police Officers! And hopefully you do as well!

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in-spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.

Thank you,

Alan W. Barcelona

AGENDA COMMENT

“We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.”

AGENDA COMMENT

Dear council

I'd like to express my support for the officers of the HBPD. They put their own lives and safety on the line on a daily basis; and now, with the addition of the COVID-19 crisis, they are also being asked to put the safety of their families on the line.

As a resident of Huntington Beach, it is my sincere hope that the HBPD officers are being well-supported and well-compensated during this unprecedented crisis. In all the conversations about hazard pay and keeping employees safe, I would be disappointed to hear that our own HBPD officers, who work so hard to keep us all safe, are not being recognized tangibly for the dangerous work they do.

Please vote to approve this

Bryant family of 6!! We vote and support. You should too !

Subject: Please read: Huntington Beach City Officials and Employee Associations receiving RAISE during Covid-19 Pandemic

Good evening HB Leadership,

I am writing you on behalf of my family and many community members of our great city of Huntington Beach regarding the closed City Council Meeting today. Agenda items that concern me are 9,10 and 11. We are lawful citizens and are abiding by the Governors request to Stay at Home. It is deeply concerning that these agenda items are presented without the public comments.

Every person in our City is adjusting to this Pandemic. Sadly there are many people who have lost jobs and are struggling to make ends meet. It seems unconscionable that the thought of a pay raise in any City Service Manager position who are still earning their regular wage and working safely from home would even be considered. As leaders of this community, you should support any extra funding to go to our frontline workers or families in need. Some suggestions:

1. Stocking food banks and offering extra amounts of necessities to families in need
2. Purchasing supplies for our frontline worker. Have a location where they can pick up extra sanitation items such as gloves, masks and hand sanitizer
3. Have specific restrooms open at specific community areas so deliver drivers, mail workers, sanitation workers can use the facilities during work hours. Provide clean and safe locations
4. Offer funding for wifi hot spots around HB to be accessed without passwords
5. Supporting local restaurants on a weekly basis with food pick up sponsored by the city

We know you care about our community and in these times we really need your leadership to show it. Our community is going to remember what our leaders did and said during this crucial time.

Respectfully,

The Davis Family
Ryan, Jennifer and Jackson
30 year HB Family

AGENDA COMMENT

To whom it may concern:

I want to express my appreciation for the HBPD. Several community members seem displeased that the contract talks are still on your agenda. During this time I believe it is more important then ever to show our support. Our officers are constantly attacked on Facebook forms by our community members trying to rally against them. This needs to stop. Agenda items that have been in the works for months need to continue. I do not believe our officers are paid enough now, pausing the current agenda items would be disgraceful. They are putting their lives at risk daily and now with the added stress of being exposed to a virus they do not deserve to be sidelined. Please support our officers!

Thank you,
Erin Dineen

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.

Thank you!

Anthony Gonzalez

AGENDA COMMENT

"We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in-spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. AGENDA COMMENT
To whom it may concern,

Just wanted to voice my opinion in favor of the HBPD's new contract and my support of the work that they do throughout the City of HB. Many of their work goes unnoticed and under-appreciated but as a local here in HB, I realize the extent of their efforts and work.

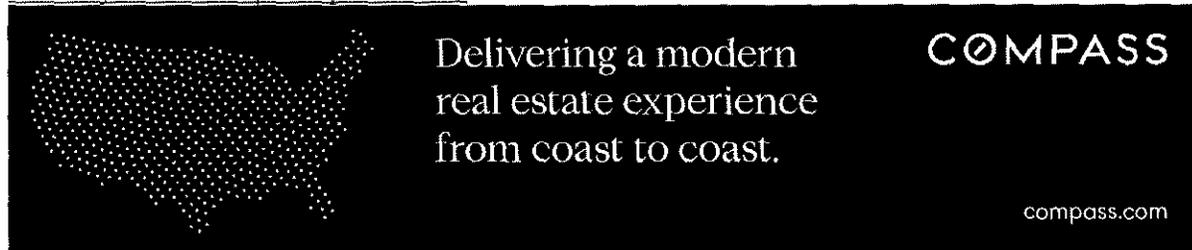

Thank you,
Sean

AGENDA COMMENT

Huntington Beach Council Members: Thank you for supporting Huntington Beach first responders and essential workers. They are on the front lines each and every day - supporting our community, protecting our families and keeping us safe. We owe them our gratitude and our support, particularly as we navigate the COVID-19 pandemic.

Thank you - we will get through this together.

In Friendship,
Kortney Hobson

Subject: POA Raise

AGENDA COMMENT

My family and I support the police officers and their first PERSable raise in over 8+ years. While every other agency is doing laps around us in compensation and benefits, HB has remained stagnant and has fallen to the bottom tier of the county in compensation. Try recruiting or retaining any good quality police officers with a bottom tier pay and benefits package. While I understand the timing is poor, I know that this deal was worked out months ago and has nothing to do with COVID-19.

Please vote for the pay raises of the hard working men and women of the Huntington Beach Police Dept. We need them now, more than ever.

AGENDA COMMENT

Subject Support for City Workers and First Responders during COVID-19 and beyond
Name Lindsay Klick
Email linfish@hotmail.com

Comments

City workers and first responders are on the front lines of the Covid-19 pandemic. In normal times, these people deserve our support as a matter of good government but in times like these they deserve it even more. Please do not use this misfortune to roll back salaries or benefits for city workers. It would be shameful if our City Council used such a time to act dishonorably.

AGENDA COMMENT

My family and I are sending you a serious request to please approve the HBPD Contract that I understand is on your agenda tonight. Now more than ever, with our entire country in turmoil, we need them more than ever! They not only risk their lives for our community everyday, but are risking their health and the health of their loved ones to continue to protect us in these very trying times. I've also been made aware that they are one of the lowest paid and have not had a raise, while the cost of living continues to go up, in a very long time. Thank you for your consideration from a very concerned resident.

AGENDA COMMENT

Please reward our first responders with this new contract. They selflessly put their lives on the line on a daily basis; now, coupled with covid-19 concerns, the lives of their families are also of grave concern as they did not sign up for this.

Please, with the support of your constituents, pass this new contract for our heroes.

Thank you for your consideration.

Subject: HBPD Officers

AGENDA COMMENT

To whom it may concern:

I'd like to express my support for the officers of the HBPD. They put their own lives and safety on the line on a daily basis; and now, with the addition of the COVID-19 crisis, they are also being asked to put the safety of their families on the line.

As a resident of Huntington Beach, it is my sincere hope that the HBPD officers are being well-supported and well-compensated during this unprecedented crisis. In all the conversations about hazard pay and keeping employees safe, I would be disappointed to hear that our own HBPD officers, who work so hard to keep us all safe, are not being recognized tangibly for the dangerous work they do.

I'd like to ask that you please consider increasing any and all compensation and safety you can for the officers who make Huntington Beach a safe place to live.

Kellie Krueger
Huntington Beach resident

AGENDA COMMENT
To Whom It May Concern

“We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in-spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.”

Subject: OPPOSE AGENDA ITEMS 9, 10, 11

Dear Mayor Semeta, Council and Mr. Chi,

Please oppose Agenda Items 9, 10 and 11 and stop any further contract negotiations and pay increases during this unprecedented time of crisis. We rely on our city council and city manager to properly manage our city through good times and bad, and we know, without question, that the city will be suffering serious financial losses as a result of this shut down. Now is not the time for pay increases or ANY contract negotiations. Please put all future contract discussions ON HOLD for at least one year until we know the complete financial impact of the COVID19 shutdown to our city.

Sincerely,

Theodore and Rosalyn Mahr

AGENDA COMMENT

To Whom it may concern,

I find it quite disheartening to see that the Huntington Beach Police contract after a year has still not been executed. This current contract has been negotiated by both sides. These men and women in blue go out and risk their lives every moment of every day to protect us in the world of increasing violence and disease. It is the least that you all can do, not only to support them but also their many family members who include wives, husbands their children and all they help everyday. Please pass this new contract. It is not only the most moral, but an ethical thing to do. I am in Human Resources. Our first responders risk their lives on the front lines every minute of everyday in multiple ways from encountering violence, homelessness, drugs and health exposure, while we sit in our offices safe.

Please you must make this happen.

Regards,
Nicoletta Marutsos

Subject: Re: Huntington Beach City Officials and Employee Associations receiving RAISE during Covid-19 Pandemic

Good evening,

I am writing this email as a concerned citizen who's right to voice her concern is not available by other means. I am concerned that key city council members are taking advantage of the state wide stay at home orders to pass certain measures (such as personal raises) which would under normal circumstances have many objections from citizens. In a time when unemployment is seeing the highest numbers of recent generations and there's an overall uncertainty for many people as to where their next meal may come from, i feel like those funds should be going towards helping now struggling local businesses, helping Huntington Beach residents who to no fault of their own now cannot work by law, or enforcing safety measures that masses of people are not following endangering those who are concerned for their health and safety. It's extremely opportunistic, and frankly appalling, that people who are in the position to be helping others during the worst national crisis in recent memory are instead using their positioning for personal financial gain. I strongly object to any city council member or public appointee receiving a pay raise at this time when funds could and should go towards those who are struggling from the economic affects of covid 19 or supplying our local hospitals with much needed supplies. I'm truly disappointed that i have to write this email and that our public officials cannot be trusted to have this city and it's residents best interest in mind.

Sincerely,
Huntington Beach resident and TAX PAYER

AGENDA COMMENT

We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.

AGENDA COMMENT

Please vote to approve the contract with the Police Officers Association and the City of HB to maintain quality law enforcement in the the City. As a retired member of HPBD it was my privilege to serve the people of Huntington Beach. We maintained one of the highest standards of law enforcement in the State of California and the USA with one of the lowest crime rates and highest crime clearance in the nation. Innovation in criminal investigative science and equal application of law were the hallmark. I am sure I join many other retired officers to support approval of a reasonable compensation package.

Respectfully,

Bill Peterson, Retired Lieutenant HPBD

Hello,

We support our first responders and those on the front lines, risking exposure to themselves and their families. It is our moral responsibility to protect our selfless heroes in every way possible.

They are risking their lives to protect and help us navigate this anxiety-filled time. We must protect them with PPE, funding and all other critical resources.

I am happy to sign any petition, etc., necessary to express my voice as a resident of Huntington Beach.

Sincerely,

Katherine Pham
Huntington Beach Resident

AGENDA COMMENT

To the HB City counsel,

In these times of unknown certainty and uneasiness, our Police officers and first responders have shown their dedication to the city as they have the past 15 years while my family and I have been in Huntington Beach.

These brave men and women deserve our respect and praises for putting themselves and their families in danger and they do so willingly without hesitation each and every day.

It is my humble opinion that we should support the contract and these Officers as they deserve this at a minimum.

Aloha,
CJ Rems

Subject: New Police Department Contract

AGENDA COMMENT

PLEASE PLEASE vote tonight in favor of the new contract for Police Department personnel. I know a lot of hard work on both sides went into finalizing this agreement. It is now time to vote YES on this contract, put this behind us all for awhile and take a break from contract negotiations.

The wonderful people of the HB Police Department who put their lives on the line for you and the rest of us deserve the support of the City and the City Council. Again, Please vote YES on this contract!

Glen Syfert
resident of HB since 1986

Subject: Support for Police Officers

AGENDA COMMENT

"We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in-spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.

Thank you!

AGENDA COMMENT

Thank you so much for your support of our Officers and families, especially in this trying time. My Family and I are so appreciative for what you have done over the last year in order to push forward items that we both believe are critical for our first responders. I respectfully ask that you push forward the MOU that the police department has wholeheartedly backed and we have worked collaboratively on. Again thank you to all of the members of the city council.

The Topartzer family.

From: Virginia Turner <virginia_turner@ymail.com>
Sent: Monday, April 6, 2020 4:33 PM
To: CITY COUNCIL <city.council@surfcity-hb.org>
Subject: Tonight's meeting agenda items 9, 10, 11

Good afternoon.

Please delay discussion and decision on agenda items 9, 10, and 11 until a later date when the all residents of Huntington Beach have an opportunity to be present to hear what is being decided and to make public comment. This is a time when you need to be completely open and accessible to our entire community. Discussing these items when many residents of our city cannot safely attend is not right or fair to your constituents.

I appreciate all the hard work our city employees put in, especially the "first responders" who put their lives on the line. The negotiations with the union took place over several months, before the Corona virus took hold in our country. That was then, now we face a new reality. It may be that ultimately raises and other increased compensation are appropriate, but with this economic downturn, you need to better assess what the city can afford. Our people should not have to pay more taxes, or have reduced services because of this.

The economy has taken a drastic downturn, with many businesses being forced to close, many people losing their jobs and investments. This is not the time to blindly march forward with increased spending. We do not know what the impact of all this is going to be on the city budget, but we can be pretty sure that there will be significantly less money to spend than you thought it was going to be a mere month ago.

Please. Put this off until further analysis of the city's current and estimated future financial situation is, and until all our city's residents can attend the meeting.

Thank you very much.

Virginia Turner

“We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate always their pay/benefits and both sides in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency, response work we need to maintain our good employees in spite of partisan comments and the promotion of gridlock over progress.

This contract before you is a very cost effective and direct way to attract and/or recruit, and retain quality employees – namely your police officers. This has a significant impact on maintaining the excellent services provided to all in Huntington Beach including our families, children, seniors and small business.

There is no better time to stand with your police and first responders and to move the ball forward. It is required to negotiate with your employees and an agreement was reached; supported by both sides. It is time to stop the childish attacks by a few zealots in our community who stand for nothing but chaos, not growing the budget, and their own confused goals. Please support the council majority and an overwhelming majority of 80% plus in our community who support our policy and the council majority/super majority.”

AGENDA COMMENT

Good Evening,

The responsibilities of your law enforcement professionals are ever changing and becoming more challenging more so now than ever. That being said, these dedicated public servants haven't seen a raise in many years and yet they are expected to keep up with continuously challenging duties as well as the growing cost of living. I fully support their proposed contract.

Regards,
Max Werk

AGENDA COMMENT

Dear Madam Mayor and City Councilmembers,

I write in support of the men and women of the Huntington Beach Police Department.

Now, with police officers, firefighters, and health professionals being called on to fight Covid-19, seems like a fitting time to show support for those members of the HBPD who risk their lives and health daily for the residents of Huntington Beach.

Please support the proposed HBPD contract.

Warm regards,
Eric Wersching

Re: Opposition to Agenda Items 9,10 & 11

Dear Mayor Semeta, HB City Council & Mr. Chi,

We're totally wanting our City to put ON HOLD the proposed pay increase and /or contract negotiations.

This is NOT the right time to commit City funds to these increases.

We all know what is happening locally and around the world.

With all city employee's still having jobs they're blessed and fortunate.

We own a Property Management Co. and know of dozens of families that don't have any way to pay rent.

Please be smart and prudent in these difficult times.

Yours sincerely,

Dee & Kurt Wood

Subject: HBPD raises

AGENDA COMMENT

To whom it may concern:

I'd like to express my support for the officers of the HBPD. They put their own lives and safety on the line on a daily basis; and now, with the addition of the COVID-19 crisis, they are also being asked to put the safety of their families on the line.

As a resident of Huntington Beach, it is my sincere hope that the HBPD officers are being well-supported and well-compensated during this unprecedented crisis. In all the conversations about hazard pay and keeping employees safe, I would be disappointed to hear that our own HBPD officers, who work so hard to keep us all safe, are not being recognized tangibly for the dangerous work they do.

I'd like to ask that you please consider increasing any and all compensation and safety you can for the officers who make Huntington Beach a safe place to live.

Thank you,
The Buerkle Family

Subject: Contract Negotiations

AGENDA COMMENT

Dear Council Members,

Tonight will be an important night for all. The consideration of the contract between the city and employees has been negotiated and it is being submitted to

for approval. Let it be known that the general population strongly supports our police officers, firemen, and all first responders who sacrifice daily in their service

to our community.

"We support our first responders and those on the front lines, risking exposure to themselves and their families.

The police, first responders, and City are required to negotiate their pay/benefits in good faith. This process was started almost one year ago and concessions were made by both sides. This is a fair deal and is cost effective when compared to other Orange County agencies we compete against. Both sides made sacrifices to keep valued employees in Huntington Beach. With crime, homelessness, and critical emergency response work we need to maintain our good employees in spite of partisan comments and the promotion of gridlock over progress.

AGENDA COMMENT

To All City of HB Council members;

My wife and I have been residents of HB since 1976. We are voters. The agreed upon negotiated contract for First Responders before you tonight needs to be approved. Especially in these troubling times. We need these people now more than ever and they should not be worried about their working conditions (contract). They have enough on their plates without that unsettled business. I guarantee any member of the city council who votes against this contract will not have our vote at the next election.

Respectfully,

Bruce and Katie Bradley
(18755 Club Lane)

From: Diana <casurfmom@aol.com>
Date: Apr 6, 2020 8:48 AM
Subject: Agenda items 9,10, and 11 April 6, 2020
To: citycouncil@surfcity-HB.org
Cc:

To: Mayor Semeta and all Council Members, Oliver Chi, City Clerk inclusive

I purposely waited until this moment to write this email hoping these items would be pulled from tonight's agenda. I am in disbelief that there is consideration being given to pay raises at this moment in time.

Responses to emails sent to City Council are even more alarming. We have become conditioned to the condescending and demeaning attitude consistently on display towards the concerned citizens who voice those concerns. We are all to aware of each council members nefarious associations with the POA and public sector unions. The riddle is why do you continue to play this game of "we know what's best for you" when we all know you are bought and paid for by the above mentioned affiliations.

Posey, Delgleize, Brenden and Carr we get it. The POA plays dirty. The unsaid threats and ramifications are real. There are serious consequences when not caving in to their demands. Having said that, this is your chance to make the break from these out of control puppeteers. Cut the strings today.

Today, more than any other time the citizens of HB are united. They will be behind you if your vote is against these ridiculous items. Voting for should prove to be political suicide. It's your choice, but remember who put you in your positions. Being drunk with power, creating a voting block and slapping the faces of a community that is hurting is not a good look. According to one council members email response, this was negotiated and promised months ago. Promised? Before being presented to the citizens for comment and council for votes? Promised? What an insult to your constituents. How dare you.

The antics of Oliver Chi are wearing thin. Unfortunately for Oliver, too many have figured you out, and may I add your past employment incompetence and reputation precedes you. We are not willing to be held hostage but a man who is more in tune with being a game show host than a City Manager. Remember Oliver, you work for us, the citizens of HB and this is no game show.

Your no vote tonight will be the first step to mending the insulting past behaviors of this council. Show your commitment to the citizens you promised to represent. Break away from the POA stranglehold and the HB citizens will applaud you.

Prove to us you do have a conscience, prove to us you have the best interest of our community, prove to us you are independent and not unconditionally attached to the POA and political donors, prove to us you deserve to be where you are. Do the right thing and vote no. Now is not the time be weak, stand up for your constituents.

Regards,

Diana Zimmer
