

# CITY OF HUNTINGTON BEACH

## Inter-Office Memo

**TO:** Honorable Mayor and Members of the City Council

**FROM:** Oliver Chi, City Manager

**DATE:** June 15, 2020

**SUBJECT:** **Substitution Item Submitted by Councilmembers Barbara Delgleize and Kim Carr - Resolution of the City Council to Stand Together in Unity**

---

At the request of City Council Members Carr and Delgleize, a substitute version of Agenda Item No. 25 is being submitted for consideration during tonight's City Council meeting. The Council Members have made several modifications to the proposed Resolution of the City Council to Stand Together in Unity, which includes the deletion of a few sections and modification of others. However, the intent of the substitute Resolution is similar to that of the original. Both acknowledge the unjust killing of George Floyd and proclaim the City Council's commitment to stand in unity against racism.

Council Members Carr and Delgleize requests City Council to consider this substitute Resolution as part of their H-Item tonight.
