RE: ITEM #23 20-1712

This is to notify all Council Members that the closure of the Second Block was never taken to all of the BID Stakeholders for a vote.

I can tell you for a fact that I, as both a property owner and a Business Owner (Huntington Beach Realty), along with Suzie Smith (Makin Waves Salon), Jim Lane (Property Owner 125/127 Main Street), Ron and Bobby Abdelfattah (Property Owners and owners of Jacks Surfboards), Sergio Avila (owner of Avilas El Ranchito Restaurant, Rick Fignetti (Owner of Rockin Fig Surfboards), Soon Oh (Owner of Beach Island), Jose Ruiz (Franchisee of I Hop 200 Main Street #116), Moe Kanoudi (Main Street Eyewear 200 Main St. #107), Marlene Daniels (owner of the Chocklate Factory (200 Main Street #106), Murat Koc (owner of Coaches Med Grill 200 Main Street #105), Khalid Ali (owner of Ziggys on Main Street 200 Main Street #115), Fady Malek (owner of Hot Spot Pizza 2051/2 Main Street), Ramez Ibrahim (Owner of Bomburger 200 Main Street) and many other Main Street Merchants are not in favor of nor are they happy with the closure of the second block of Main Street and the placement of Parklets that will be open to the general public, including the homeless, and will not be a benefit to the local restaurants as presented, on either a temporary or a permanent basis. **We feel that staff has overstepped their authority with this proposal and that it should be denied. Main Street Should be left open to two-way traffic and that the proposed dining areas should be controlled by the restaurants rather than be communal for anybody to sit there like it is across the street on the second block. See attached sheet with signatures.**

Sincerely,

Bob Bolen

Property Owner and Business Owner.

Current Stake Holder and
Former Bid Board Member
