

ORDINANCE NO. 4214

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF HUNTINGTON BEACH
AMENDING CHAPTER 203 OF THE HUNTINGTON BEACH ZONING AND
SUBDIVISION ORDINANCE TITLED DEFINITIONS
(ZONING TEXT AMENDMENT NO. 19-005)

THE CITY COUNCIL OF THE CITY OF HUNTINGTON BEACH MAKES THE
FOLLOWING FINDINGS WITH RESPECT TO THE ADOPTION OF THIS ORDINANCE:

WHEREAS, under the California Constitution, Article XI, Section 7, the City has been granted broad police powers to preserve the residential characteristics of its RL, RHM, RH and RMP residential zones; and the residential portion of its Specific Plans, which powers have been recognized by both the California Supreme Court and United States Supreme Court, the latter of which has stated that, "It is within the power of the legislature to determine that the community should be beautiful as well as healthy, spacious as well as clean, well-balanced as well as carefully patrolled"; and

The Federal Fair Housing Act ("FHA") and the California Fair Employment Housing Act ("FEHA") prohibit enforcement of business regulation facially or effectively discriminate against equal housing opportunities for the disabled; and

A core purpose of the FHA and FEHA is to provide a broader range of housing opportunities to the disabled; to free the disabled, to the extent possible, from institutional style living; and to ensure that disabled persons may live in a similar fashion as non-disabled persons live in residential neighborhoods; and

To fulfill this purpose, the FHA and FEHA also require that the City provide reasonable accommodations to its zoning ordinances if such accommodation is necessary to afford a disabled person an equal opportunity to use and enjoy a dwelling; and

Any facility which provides non-medical alcoholism or drug abuse recovery, treatment, or detoxification services must obtain a license from the California Department of Alcohol and Drug Programs ("ADP"). Health & Safety Code section 11834.30 provides that no person "shall operate, establish, manage, conduct, or maintain an alcoholism or drug abuse recovery or treatment facility to provide recovery, treatment, or detoxification services" with the State without first obtaining an ADP license; and

State law has preempted local regulation of ADP-licensed facilities, and requires that all California cities must permit in all residential zones pursuant to ADP-licensed facilities with six or fewer residents pursuant to Health and Safety Code Sections 11834.20 and 11834.23; and

A Group Home is residential facility that is being used as a supportive living environment for persons who are considered disabled under State or Federal law. Persons recovering from drug and/or alcohol addiction are considered disabled for the purposes of the FEHA and the Federal Americans with Disabilities Act ("ADA"); and

A Sober Living Home is a Group Home for persons who are recovering from a drug and/or alcohol addiction and who are considered handicapped under FEHA or ADA; and

The City of Huntington Beach has seen a sharp increase in the number of Sober Living Homes, which has generated secondary impacts including, but not limited to neighborhood parking shortfalls, overcrowding, inordinate amounts of second-hand smoke, and noise; and the clustering of Sober Living Homes in close proximity to each other creating near neighborhoods of Sober Living Homes; and

As of May 2020, the City has identified approximately 177 Sober Living Homes and residential care facilities in the multi-family and single-family residential zones; and

The number of Sober Living Homes in the City of Huntington Beach is rapidly increasing, leading to an overconcentration of Sober Living Homes in certain of the City's residential neighborhoods, which is both deleterious to the residential character of these neighborhoods and may also lead to the institutionalization of such neighborhoods; and

The purpose of Sober Living Homes is to provide a comfortable living environment for persons with drug or alcohol addictions in which they remain clean and sober and can participate in a recovery program in a residential, community environment, and so that they have the opportunity to reside in the residential neighborhood of their choice; and

In enacting this Ordinance, the City Council of the City of Huntington Beach is attempting to strike a balance between the City's and residents' interests of preserving the characteristics of residential neighborhoods and to provide opportunities for the disabled to reside in such neighborhoods that are enjoyed by the non-disabled; and

Because of their extremely transient populations, above-normal numbers of individuals/adults residing in a single dwelling and the lack of regulations, Sober Living Homes present problems not typically associated with more traditional residential uses, including but not limited to: the housing of large numbers of unrelated adults who may or may not be supervised; disproportionate numbers of cars associated with a single housing unit, which causes disproportionate traffic and utilization of on-street parking; excessive noise and outdoor smoking, which interferes with the use and enjoyment of neighbors' use of their property; neighbors who have little to no idea who does and does not reside in the home; little to no participation in community activities that form and strengthen neighborhood cohesion; disproportional impacts from the average dwelling unit to nearly all public services including sewer, water, parks, libraries, transportation infrastructure, fire and police; a history of congregating in the same general area; and the potential influx of individuals with a criminal record; and

Housing inordinately large numbers of unrelated adults in a single dwelling or congregating Sober Living Homes in close proximity to each other does not provide the disabled with an opportunity to "live in normal residential surroundings," but rather places them into living environments bearing more in common with the types of institutional dormitory living that the FEHA and FHA were designed to avoid for the disabled, and which no reasonable person could contend provides a normal residential surrounding; and

Notwithstanding the above, the City Council recognizes that while not in character with residential neighborhoods, responsibly operated Sober Living Homes, and Group Homes, including Sober Living Homes, benefit society by providing the disabled the opportunity to live in residential neighborhoods, recovery programs for individuals attempting to overcome their drug and alcohol addictions, and providing Sober Living Homes greater access to residential zones; and

Without regulation there is no means of ensuring that (i) the individuals entering into Sober Living Homes are disabled individuals and entitled to reasonable accommodation under local and state law; (ii) the Sober Living Home is operated professionally to minimize impacts to the surrounding neighborhood; and (iii) the secondary impacts from over concentration of Sober Living Homes and Group Homes in a neighborhood and large numbers of unrelated adults residing in a single facility are lessened; and

At least some operators of Sober Living Homes and Group Homes are driven more by profit rather than intent to provide recovering addicts a realistic potential of sobriety, or a living environment resembling the manner in which the non-disabled use and enjoy a dwelling; and

The residents of Sober Living Homes and Group Homes come to the City from all parts of the country and often lack established ties to the community and a local support system independent of the Sober Living Home or Group Home; and consequently the residents are especially vulnerable to becoming homeless upon eviction; and

Is the intent of this Ordinance to require that operators of Group and Sober Living Homes provide the residents information regarding the available local housing resources prior to eviction from a Sober Living Home or Group Home; and

Pursuant to the California State Planning and Zoning Law, the Huntington Beach Planning Commission and Huntington Beach City Council have held separate, duly noticed public hearings to consider Zoning Text Amendment No. 19-005, which amends Chapter 203 of the Huntington Beach Zoning and Subdivision Ordinance relating to updated, clarified, and additional definitions utilized within the ZSO.

After due consideration of the findings and recommendations of the Planning Commission and all other evidence presented, the City Council finds that the aforesaid amendment is proper and consistent with the General Plan;

NOW, THEREFORE, the City Council of the City of Huntington Beach does hereby ordain as follows:

SECTION 1. That Chapter 203 of the Huntington Beach Zoning and Subdivision Ordinance titled Definitions is hereby amended.

SECTION 2. All other provisions of Chapter 203 not modified herein shall remain in full force and effect.

SECTION 3. This ordinance shall become effective immediately 30 days after its adoption.
