Subject: Meeting 7/6 Agenda item #18 20-1717
Date: Sunday, July 5, 2020 9:50:55 PM

Hello,

I wanted to encourage the City Council to please approve item #18 20-1717 that includes the Zoning Text Amendment No. 19-005.

These new items are desperately needed in order to begin the process of limiting and regulating the Sober Living Homes/Recovery Homes that are starting to crop up in our neighborhoods.

We live on Ashworth Circle and it had been 12 men at 19622 Ashworth Circle- but guess what? ANOTHER man moved in on 4th of July, with his 3 dogs!! Where does it end??

We only want to have our neighborhood be just that, a family neighborhood.

Thank you for all your work-we appreciate you!
