

ATTACHMENT NO. 1

FINDINGS AND CONDITIONS OF APPROVAL

COASTAL DEVELOPMENT PERMIT NO. 20-014

FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15302 of the CEQA Guidelines because the project involves the replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity.

FINDINGS FOR APPROVAL - COASTAL DEVELOPMENT PERMIT NO. 20-014:

1. Coastal Development Permit No. 20-014 to allow for the construction of a 7,000 sq. ft., 29 ft.-6 in. high distribution center to house electrical equipment and remove and replace: four, 26 ft. high sedimentation tanks (clarifiers); a 338 sq. ft., 13 ft. high electrical building; a 390 sq. ft., 13 ft. high electrical building; four, 33 ft.-6 in. high odor control scrubbers; and a 684 sq. ft., 11 ft. high distribution structure within a portion of the Orange County Sanitation District (OCSD) Plant No. 2 conforms with the General Plan, including the Local Coastal Program because the completion of the project will implement the Coastal Element goal of providing water, sewer, and drainage systems that are able to support the permitted land uses and upgrading existing systems.
2. The construction of a 7,000 sq. ft., 29 ft.-6 in. high distribution center to house electrical equipment and remove and replace: four, 26 ft. high sedimentation tanks (clarifiers); a 338 sq. ft., 13 ft. high electrical building; a 390 sq. ft., 13 ft. high electrical building; four, 33 ft.-6 in. high odor control scrubbers; and a 684 sq. ft., 11 ft. high distribution structure is consistent with the requirements of the CZ Overlay District, the IL (Industrial Limited) base zoning district, as well as other applicable provisions of the Zoning and Subdivision Ordinance and Municipal Code because the project, as proposed, complies with applicable development standards including maximum building height and minimum building setbacks.
3. At the time of occupancy, the proposed construction of a 7,000 sq. ft., 29 ft.-6 in. high distribution center to house electrical equipment and remove and replace: four, 26 ft. high sedimentation tanks (clarifiers); a 338 sq. ft., 13 ft. high electrical building; a 390 sq. ft., 13 ft. high electrical building; four, 33 ft.-6 in. high odor control scrubbers; and a 684 sq. ft., 11 ft. high distribution structure within a portion of the Orange County Sanitation District (OCSD) Plant No. 2 can be provided with infrastructure in a manner that is consistent with the Local Coastal Program in that all necessary infrastructures, such as roadways and utilities currently exist to serve the site. The replacement of aging buildings and facilities will improve the infrastructure to serve the needs of the community.
4. The proposed construction of a 7,000 sq. ft., 29 ft.-6 in. high distribution center to house electrical equipment and remove and replace: four, 26 ft. high sedimentation tanks (clarifiers); a 338 sq. ft., 13 ft. high electrical building; a 390 sq. ft., 13 ft. high electrical building; four, 33 ft.-6 in. high odor control scrubbers; and a 684 sq. ft., 11 ft. high

distribution structure within a portion of the Orange County Sanitation District (OCSD) Plant No. 2 conforms with the public access and public recreation policies of Chapter 3 of the California Coastal Act because the entire project is proposed within the confines of the existing Orange County Sanitation Facility. No public access or recreational opportunities will be affected by the new construction.

CONDITIONS OF APPROVAL - COASTAL DEVELOPMENT PERMIT NO. 20-014:

1. The site plan, floor plans, and elevations received and dated May 15, 2020 shall be the conceptually approved design.
2. Prior to submittal of building permits, zoning entitlement conditions of approval and code requirements shall be printed verbatim on one of the first three pages of all the working drawing sets used for issuance of building permits (architectural, structural, electrical, mechanical, and plumbing) and shall be referenced in the sheet index. The minimum font size utilized for printed text shall be 12 point.
3. The applicant and/or applicant's representative shall be responsible for ensuring the accuracy of all plans and information submitted to the City for review and approval.
4. During demolition, grading, site development, and/or construction, the following shall be completed:
 - a. Construction equipment shall be maintained in peak operating condition to reduce emissions.
 - b. Use low sulfur (0.5%) fuel by weight for construction equipment.
 - c. Truck idling shall be prohibited for periods longer than 10 minutes.
 - d. Attempt to phase and schedule activities to avoid high ozone days first stage smog alerts.
 - e. Discontinue operation during second stage smog alerts.
 - f. Ensure clearly visible signs are posted on the perimeter of the site identifying the name and phone number of a field supervisor to contact for information regarding the development and any construction/grading activity.
5. Coastal Development Permit No. 20-014 shall become null and void unless exercised within two years of the date of final Coastal Development Permit approval by the City or by the Coastal Commission if the Coastal Development Permit is appealed, or such extension of time as may be granted by the Director pursuant to a written request submitted to the Community Development Department a minimum 30 days prior to the expiration date.
6. The Development Services Departments and divisions (Building & Safety, Fire, Planning and Public Works) shall be responsible for ensuring compliance with all applicable code requirements and conditions of approval. The Director of Community Development may approve minor amendments to plans and/or conditions of approval as appropriate based on changed circumstances, new information or other relevant factors. Any proposed plan/project revisions shall be called out on the plan sets submitted for building permits. Permits shall not be issued until the Development Services Departments have reviewed and approved the proposed changes for conformance with the intent of the Zoning

Administrator's action. If the proposed changes are of a substantial nature, an amendment to the original entitlement reviewed by the Zoning Administrator may be required pursuant to the provisions of HBZSO Section 241.18.

INDEMNIFICATION AND HOLD HARMLESS CONDITION:

The owner of the property which is the subject of this project and the project applicant if different from the property owner, and each of their heirs, successors and assigns, shall defend, indemnify and hold harmless the City of Huntington Beach and its agents, officers, and employees from any claim, action or proceedings, liability cost, including attorney's fees and costs against the City or its agents, officers or employees, to attack, set aside, void or annul any approval of the City, including but not limited to any approval granted by the City Council, Planning Commission, or Design Review Board concerning this project. The City shall promptly notify the applicant of any claim, action or proceeding and should cooperate fully in the defense thereof.
