Subject: Homeless shelter/Bicycle Chop shops

HB City Council,

I've been a resident of HB for 25 years and a homeowner in HB for the past 2 years. I grew up in Westminster/Garden Grove area so I have worked and frequented HB my whole life.

The recent decline in our beautiful city is very disheartening. I fully support the homeless shelter being built on Cameron lane and would like an update on that project.

I also fully support the idea from Council member Brendan which would make bicycle chop shops illegal in our public areas. We need to do something to stop the disgusting thefts and activities in our city.

This won't solve all the problems in our city but it's definitely a step in the right direction. Please support these efforts and let me know what else I can do to help.

Thank you,
