Are you registered to vote?

Online voter pre-registration is now available for eligible 16 and 17 year olds. California youth who pre-register to vote will have their registration become active once they turn 18 years old.

If you're interested in registering to vote for this year's Presidential Election held on Tuesday, November 3, 2020, visit

www.registertovote.ca.gov.

An important reminder for all Huntington Beach registered voters:

Orange County went to an all-mail system in 2020, and vote-by-mail ballots for the November 3, 2020 General Election will begin to be mailed the week of October 5. All registered voters can fill out their ballots and return them by mail to the County Registrar's Office (postage paid by the County) upon receipt. Registered voters may also choose to drop their ballot into any ballot drop box located within the County (a ballot drop box is located here at the Civic Center), or they can choose to deliver their ballot in person to any Vote Center in the County that will be open to the general public beginning Friday, October 30, through Tuesday, November 3 (an active Vote Center will be operating here at the Civic Center in meeting room B-7, adjacent to the Council Chambers).

IMPORTANT: If sending your ballot by mail, it must be signed, dated, and postmarked on or before Election Day.
