FINDINGS AND CONDITIONS OF APPROVAL

CONDITIONAL USE PERMIT NO. 20-005

FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Planning Commission finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301 of the CEQA Guidelines, because the project consists of operation and minor alteration to an existing structures involving a negligible expansion of use.

FINDINGS FOR APPROVAL – CONDITIONAL USE PERMIT NO. 20-005:

1. Conditional Use Permit No. 20-005 to establish a 5,500 sq. ft. commercial recreation and entertainment use that consists of throwing hatchets within nine total interior managed spaces (pits) including on-site food and alcohol sales (Type 41 License, Beer and Wine) will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood because the use is located within an existing commercial center with other similar uses. The use is primarily a recreation and entertainment business and the request for alcohol sales and service within the tenant space is ancillary to the primary retail use. The service of alcohol in conjunction with a menu of food items will benefit and serve the other uses in the center as well as the residential uses in the vicinity. The recreation and entertainment use will be conducted entirely within the building during operating hours and is not anticipated to generate additional noise, traffic, or impacts above existing conditions.
2. The granting of Conditional Use Permit No. 20-005 to establish a 5,500 sq. ft. commercial recreation and entertainment use that consists of throwing hatchets within nine total interior managed spaces (pits) including on-site food and alcohol sales (Type 41 License, Beer and Wine) will not adversely affect the General Plan because it is consistent with the Land Use Element designation of M-sp (Mixed Use – Specific Plan Overlay) on the subject property. In addition, it is consistent with the following goals and policies of the General Plan:

Land Use Element

Goal LU-11: Commercial land uses provide goods and services to meet regional and local needs.

Policy LU-11 (A): Encourage a variety of commercial uses that cater to local and regional demand to create an environment that meets resident needs and increases the capture of sales tax revenues.

The request will expand the range of goods and services provided in the area by permitting the ancillary sale of alcohol in conjunction with a proposed commercial recreation and entertainment establishment in a safe manner for residents and customers from the surrounding area. This proposed establishment provides expanded goods and services to meet the needs of the area and will add to the capture of sales tax revenue. The proposed

use is located in vacant suites within an existing commercial center and is located along an arterial street with adequate accessibility.

3. Conditional Use Permit No. 20-005 to establish a 5,500 sq. ft. commercial recreation and entertainment use that consists of throwing hatchets within nine total interior managed spaces (pits) including on-site food and alcohol sales (Type 41 License, Beer and Wine) will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance (HBZSO) because the proposed commercial recreation and entertainment establishment with food and alcohol sales, service, and consumption is permitted subject to a Conditional Use Permit within the Beach Edinger Corridors Specific Plan Town Center Boulevard Segment pursuant to Section 2.0.5 (1). The proposed establishment will be located within an existing commercial center, which conforms to applicable site development standards, including parking.
